QC uses electric buses for free rides

Daily Tribune (Philippines) · 3 Jan 2025 · A8 · JING VILLAMENTE

The local government of Quezon City on Thursday launched its free bus ride program using a fleet of new electric buses and the first batch of electric buses began service on Route 1, running from Kalayaan Avenue near City Hall to Cubao and back.

It added that the free bus ride program offers seven routes for residents and non-residents to travel around the city.

The new electric buses have a seating capacity of 41 and are equipped with features for people with disabilities, including wheelchair accessibility.
