City Librarian's Corner

The right information is very important these days as there is a worldwide challenge of the proliferation of misinformation and disinformation online. Because of the reach and power of technology, any form of information can easily be transmitted to any device such as a laptop or smartphone. Since information can easily be transmitted, there is a danger that even wrong information can easily reach the learners -- the young ones who are still deciphering what is wrong or right, what is real or fake, and what is essential or unnecessary.

Therefore, it is the role of libraries all over the world such as the Quezon City Public Library, to be a vanguard of information. It is our role to ensure that citizens of the city, especially the youth, will have easily accessible,wide, and most importantly, correct information whether they are doing research for their classes or doing extra readings.

Now, more than ever, we are called on to safeguard information so that it can be used not only for enriching young minds but also to encourage citizens to move toward the greater good.

The Motorcade was joined by eleven (11) vehicles, six motorcycle riders with the assistance of Department of Public Order and Safety (DPOS) traffic officers who paved the way on the planned routes. The recorded live streamed of the Motorcade can be watched at QCPL's official face book page.

QCPL EMPLOYEES SUPPORT THE LAUNCHING OF THE MEN OPPOSED TO VIOLENCE EVERYWHERE (MOVE)

By: Janet B. Alday

The Quezon City Public Library (QCPL) recognizes the vital role played by men in ending violence against women. As part of the Women's Month activity, the Quezon City Government launched the Quezon City Men Opposed to Violence Everywhere (MOVE) in support of the city's goal to end violence as well as recognize men's vital and crucial role in ending gender- based violence and criminalities in the city.

In support of the advocacy of our beloved Mayor Joy Belmonte, the QCPL specially all our Male employees, attended the launching of Men Opposed to Violence Everywhere (MOVE) held during the Flag Raising Ceremony on March 7, 2022.

This only signifies, that the QCPL male employees value and respect the rights of women. They also want to eliminate all forms of violence towards women.

The Men Opposed to Violence against Women Everywhere (MOVE) was formed in 2004 and registered in 2006 as an organization of principled men dedicated to support the elimination of discrimination against women particularly violence against women. Its creation was supported by PCW (then NCRFW) as one of the offshoots of the widespread advocacy during the 18 Day Campaign to end Violence against Women from November 25-December 12.

Let us continue to Make Change Work for Women.

Establishing a Public Library: A Call to Action

By: Sonia E. Bautista

Pursuant to Republic Act No. 7743 – An Act providing for the establishment of Congressional, City and Municipal libraries and Barangay Reading Centers throughout the Philippines, appropriating the necessary funds therefore and for other purposes, the District II library staff with the initiative of Ms. Chona Masbate (District II Libraries Supervisor) had an opportunity to meet with the five (5) Barangay Captains of District II in Quezon City last February 14, 2022. The meeting aimed to discuss and encourage each Barangay Captain (1) to establish a public library in the community as mandated by R.A. 7743 (2) services be offered by the library anchored to education and other related programs to all walks of life and (3) other related concerns (book acquisition, staff, organization, etc.)

A public library is defined as an organization established (Gill, 2001)[1], supported and funded by the community, either through local, regional or national government or through some other form of community organization. It provides access to knowledge, information, lifelong learning, and works of the imagination through a range of resources and services and is equally available to all members of the community regardless of race, nationality, age, gender, religion, language, disability, economic and employment status and educational attainment.

The importance of organizing a public library in every barangay is to provide varied resources and services to meet the needs of individuals residing in each barangay and neighboring barangays. Library services that would be beneficial to the community includes: Educational program, Livelihood program, Outreach activities like book and gift giving, Tutorials, Storytelling, Reading tutorials, free use of computers including E-Govt. services – a service that caters online assistance in the application of NBI, SSS, and the likes. Through this call – barangay officials were reminded that libraries are part of the community that serves information and knowledge both in print and electronic readily available to clients. Also, it helps and provide support in literacy campaign by providing an appropriate reading materials to enhance the reading interest and develop the reading skills and comprehension of every individual. Thus, public libraries give support to education sector at all levels. With the goal of making Quezon City a "Reading City", begins with us by encouraging every barangay to take an active participation through establishing a public library. In response to this call the barangay Holy Spirit and Bagong Silangan positively agreed to our call with action

Pamilya sa Gitna ng Pandemya

By: Rosemarie G. Olan

Bilang pakikiisa sa pagdiriwang ng National Bible Month ngayong buwan ng Enero, sang-ayon sa Proklamasyon Blg. 124 Serye 2017, ang Quezon City Public Library -- District III Libraries ay nagsagawa ng webinar noong ika-27 ng Enero na pinamagatang Responsible Parenthood, na may temang "Intentional Parenting in this Time of Pandemic". Ito ay sa pangunguna ni Pastor Zaldy C. Zulvita, ispiritwal na tagapayo ng QCPL. Dinaluhan ito ng mga magulang kung saan birtwal silang nakinig sa pamamagitan ng Google Meet. Layunin nito na mapagbuklod ang magulang at ang kanilang mga anak na may gabay ng ispiritwal na ugnayan sa Diyos, na bawat magulang o nakakatanda sa bahay ay may responsibilidad na kailangang gampanan ng magkasama sa pagpapalaki sa kanilang mga anak lalo sa panahong ito na sila ang madalas na nakakasama sa loob ng bahay. Maging instrumento at huwaran ang mga nakakatanda upang maging malapit sa Diyos at hindi makalimutan ng mga bata ang mabubuting aral na nagmumula sa kanya upang lumaki silang responsable at mahubog ng tama at naaayon sa kalooban ng Diyos.

Naging matagumpay ang isinagawang webinar at tiyak na kinapulutan ng positibong pananaw na maaring ibahagi ng mga magulang sa kanilang mga anak. Natuto at muling nanariwa ang mga magagandang aral na siguradong makakatulong upang harapin ang anumang pagsubok na darating kasama ang pamilya na may masaya at positibong pag-iisip. Sa patnubay ng Diyos alam natin na kahit anong mangyari ay nakakasiguro tayong lagi siyang andyan at hindi tayo pababayaan. Panatilihin sa ating puso ang gabay ng Diyos na bubuo sa espiritwal na pagkatao ng bawat miyembro ng pamilya!

CUBAO BRANCH BOOK DONATION DRIVE

By: Maria Carmen Chua

At the onset of our Book Donation Drive last December 2021, the Quezon City Public Library - Cubao branch had waged an all-out campaign by using social media platform, consigning book donation boxes in some commercial stores, tapping organizations and individuals for book donations, and placing a donation box outside the branch for a possible donor from our own clients and passers-by.

The strategy has worked out after getting concrete results. Mr. Ruel Q. Rullan, Jr. learned about the campaign through Facebook and dropped off three (3) bags of books last March 7, 2022. Our cohesive partner Lions Club International District 301-D2 thru Governor Rosario Meneses and her officers responded by bringing a total of thirteen (13) boxes of books last December 2021, February 15, and 23, 2022, respectively. The branch also received books from an unnamed donor, and a college student named Nahum Ruth Chua gave some of her collections.

Since this activity is still ongoing, we are expectant that more donors will donate books. These reading materials are all exciting addition to our branch's collection and will certainly augment our present inventory and give our clients a wide array of selections and references.

District Supervisor Jeniffer Adajo and Library-in-Charge Jinky Chua received a total of 13 boxes of books from Lions Club International 301-D2 headed by Gov. Rosario Meneses

The QCPL - District V Libraries and their Activities for the 1st Quarter of 2022!

By: Bienvenido P. Ongkiko, III

The recent years has been a challenge to the District V Branch Libraries because of the pandemic, that is why the QCPL-District V libraries staff push themselves even further in order to serve and inform the public that the libraries are now open. We have implemented various programs and promotional activities like storytelling, launching of new library icon in the form of Super Bookgirl, the first library tour and orientation for the year 2022 and Valentine's Day celebration activity.With these activities, we were able to visit the remote areas within the vicinity of District V and gladly inform the public of the library services that we are offering.

The QCPL-District V Branch Libraries also celebrated the National Bible Month. Under the watchful eye and words of wisdom of Pastor Roselo Encinares, the district staff went on a spiritual journey as they were enlightened and reminded how powerful the Word of God is, Through these years of hardship, sacrifices and sufferings brought about by the pandemic, we cannot blame people for neglecting their spiritual beliefs, amplifying the sadness and depression that they are feeling. Hopefully, everyone will be reminded that in times of hardship, physical and emotional pain, there is but one constant force that will forever be present and will continue to be our guide, and that is no other than the Word of God. The experience of reconnecting and reinforcing our beliefs is always a one-of-a-kind experience that we all should remember and cherish in our lifetime.

The District V Branch Libraries also shared some historical events. Through Mr. Jose Carlo S. Ibabao's love for history, he portrayed and re-enacted several historical events in the Philippines. We created a video activity entitled "HISTORY with JC". This is a series of video with Mr. Jose Carlo Ibabao narrating the historical events with images gathered from credible sources to educate and remind the public of such event. Each video was and will be posted on the official facebook page of the Quezon City Public Library. The history of GOMBURZA was the first video created and posted for this series of activity which can still be viewed on QCPL FB page. The District V Branch Libraries will continue to produce and post historical educational videos to inspire and educate the public especially the young minds.

We were also very proud to be able to educate and inspire the children of all ages to be engaged in reading educational books. Every year we are celebrating the World Read Aloud Day. In celebration of this activity, the District V branch libraries invited Grade 4 students from Sauyo Elementary School together with their class adviser Ms. Betty I. Fernando to participate via Googlemeet. During the activity Ms. Janice Lopez, District V staff, narrated a story from Buribooks.com titled "Ako si Kanan, Ako si Kaliwa", teaching the students the moral lesson of the story that is to avoid being envious and that each one of us has a role to fulfill. The students actively participated in the said activity.

With tons of fake articles, news and other harmful sources from the ever-growing technology , there is always one credible source of knowledge and wisdom, and that is reading books from the libraries.We, at the District V Branch Libraries will continue to promote reading and other knowledgeable activities to the public not minding their age. These activities are just the start of our journey and we will be producing more educational and fun-filled activities that will bring joy and excitement for our QCitizens.

Let Your Pre Loved Books be Enjoyed by Others: Donate a Book and Help Feed the Mind of Every QCitizens

By: Sonia E. Bautista

To provide quality resources and services to meet the changing needs of the community through the introduction of Innovative Techniques for the advancement of learning and literacy is one of the missions of Quezon City Public Library. In order to meet our goal Book Donation Drive campaign was launched to help augment the library's collection to make the Quezon City a "Reading City". Quezon City is one of the largest city in the National Capital Region, in which some areas have limited access to reading resources.

In response to this book donation drive campaign, the Quezon City Public Library – Payatas Lupang Pangako branch, spearheaded by Ms. Chona C. Masbate, rolled out on putting book donation drive drop boxes in different establishments, within Quezon City. Through this simple way of encouraging others to give their extra or pre-loved reading resources, many will be fed with a healthy and happy mind. Sharing as an act of kindness and generosity in a little way, may bring big to others. Every book donated, bring smiles on the faces of the QCitizens.

As a public servant our goal is to encouraged and entice the QCitizens to get involved in reading in as much as possible in a traditional way wherein an individual is "holding a book while reading". There are many benefits of reading that can be acquired by the reader such as: reading helps improve the vocabulary, communication of the reader, exercises the minds, gives enjoyment and relaxation, also reading brings the reader to different places.

NOAH'S ARK

By: Rosemarie G. Olan

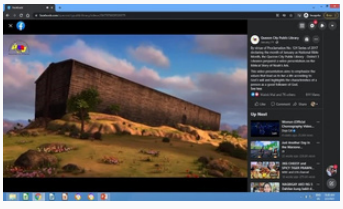
By virtue of Proclamation No. 124 Series of 2017 declaring the month of January as National Bible Month, the Quezon City Public Library – District 3 Libraries prepared a video presentation entitled, Mga Kwento ni Lola Basyang: Noah's Ark. It is based on the Biblical event adaptation from Superbook. Starring Ms. Gabrielle Ramos as Lola Basyang, the storyteller and Arsenio Espina as Noah, the lead character.

Ms. Gabrielle Paris Ramos as Lola Basyang

The story tells how sad and angry God is because of the wrongdoings of His people. They were hurting one another and making the world a bad place. So, God chose Noah to do his work and told to build a big boat that will carry him, his wife, sons, the wives of their sons and two of every kind of animals and birds on earth.

Lead role by Arsenio Espina

After Noah finished building the boat, it rained for forty days and forty nights and the water covered the earth. He let the bird out to see if there is dry land and when the dove that Noah released didn't come back they left the ark together with the animals. God sent rainbow to remind people of His promise that He will never destroy the earth with flood.



The Ark of Noah

This video aims to emphasize the values that lead us to live a life according to God's will and highlighted the characteristics of a person as a good follower of God.

Ramon Del Fierro Magsaysay Sr.

Posted: March 17, 2022 (Filipiniana Section)

Alam nyo ba na ang ika-pitong Pangulo ng Pilipinas na si Ramon Magsaysay ay nasawi noong Marso 17, 1957? Ito ay dahil sa pagbagsak ng eroplanong kanyang sinasakyan.
Sa kanyang panunungkulan bilang Pangulo naging aktibo si Magsaysay sa paglaban sa komunismo sa ating bansa. Ginawa niyang miyembro ang Pilipinas ng Southeast Asia Treaty Organization (SEATO) na itinatag sa Maynila noong Setyembre 8, 1954. Umunlad ang kalakalan at industriya, ang hukbong militar ng Pilipinas ay kanya ring pinalakas. Higit sa lahat, binuksan niya ang pintuan ng Malacañang sa mga ordinaryong mamamayang Pilipino. Ang administrasyon ni Magsaysay ay itinuring na isa sa pinakamalinis sa modernong kasaysayan ng Pilipinas.
