GLIMPSE OF SUCCESS

21ST QUEZON CITY COUNCIL LEGISLATIVE REPORT

"The COVID-19 pandemic is one of the most difficult challenges we have faced since our city was founded. As I write this, our country, along with the rest of the world, is mired in an unprecedented crisis with serious health and economic implications.

The Quezon City government, with thousands of its employees, is at the forefront of mitigating risks and delivering programs to ensure the safety and survival of the three million people who call this city home. Through the grace of God, our city remained unstoppable and forward-looking. We have been able to shift from full-survival mode to once again, carrying out vital services including the effective and non-discriminatory distribution of COVID-19 vaccines. Our hope is growing.

I would like to acknowledge the extraordinary effort and unwavering support of the Members of the 21st City Council for the timely approval of ordinances and resolutions, as they are critical to our goal of overcoming this prolonged pandemic. We are grateful for the leadership of Vice Mayor Gian Sotto, who, with his solid oversight efforts, has a strong relationship and close coordination between our executive and legislative branches that have benefited our citizens.

This legislative report is the reflection of the City Council's steadfastness and boldness to make decisions that not only affect the lives and livelihoods of our people, but ultimately, are shaping the city that will emerge from the pandemic.

As gold is refined by fire, our city will be rebuilt from the crucible of this crisis. I am confident that Quezon City will heal and emerge stronger than ever."

MA. JOSEFINA G. BELMONTE
QUEZON CITY MAYOR

"I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus." -Philippians 3:14

*The journey of the **21st City Council** started straightforward, with the usual preparation of city concerns to prioritize into legislative action. We were making plans left and right, excited to put into action our goal to serve our city.*

Suddenly, it took an extraordinary turn, as we were faced with a novel virus that threatened our health, our economy, and our faith as we struggle to discover how to approach a problem that we have never had before. But we rose to the challenge and prevailed over the situation.

*The journey has been difficult, but not undefeatable. The **21st City Council** worked together and became one united family, harnessing our strengths and acknowledging our weaknesses. We faced challenges together, ultimately strengthening our bond and our character, as we advocate for transparency and good governance through local legislation.*

*I am very grateful to our Executive Department, led by the **Honorable Mayor Joy Belmonte**, for our unparalleled working relationship that has been the crucial key in our responsive and timely legislations that are needed to address the immediate and long-term needs of our city and constituents in the middle of the pandemic. Together, we courageously answered the call of public service, fueled by our heart of steward leadership.*

*To my **21st City Council family**, I thank the Almighty Father in Heaven that I am blessed to be your Presiding Officer. We may have different beliefs and ideas on how to bring the best service to our constituents, but we united and gave a wide range of responsive legislations that cater to all sectors of our city. We challenged each other and complemented each other's character, leading to a multitude of hearty discussions and unforgettable memories.*

Message of the Vice Mayor

*This Book is a testament of the journey of the **21st City Council family**. May the recipients of this Book see this not just a directory and compilation of local ordinances enacted by the **21st City Council**.*

Instead, may they feel the stories of hope behind these legislations and that of their local legislators. May this Book inspire us in our personal journeys and remind us that challenges become easier to overcome when you are with God and your family.

Let this book be a reminder that when people share one passionate heart of service, the obstacles that are hurdled and the accomplishments that are achieved are magnificent and beyond what we can ever reach if we stand alone.

We pray that we continue to create a lasting mark in our city by enacting local laws that promote transparency, good governance, strong families, and steward leadership.

May God continue to bless our city and our families with a heart of service.

HON. GIAN G. SOTTO

21st City Council

Legislative Report

Reported during the 3rd State of the City Address
Carlos Albert Hall (October 25, 2021)

Isang pinagpalang araw po sa inyong lahat.

I would like to greet our Honorable Mayor Joy Belmonte, *palakpakan po natin si* Mayor Joy *at ang ating mga* guests of the Mayor and families.

Binabati ko din po ang ating QCPD Director, Bgd. Gen. Antonio Yarra. *Maraming salamat po,* General.

And *ang ating* District Fire Marshall ng QCFD, Fire Marshall Gary R. Alto.

Sa lahat po ng mga members *ng* Executive Department, *binabati ko rin po ang presensya ng ating* Congressman Kit Belmonte.

At syempre, last but definitely not the least, *ang inspirasyon ko po at nagbigay ng oras at laging nagbibigay ng oras para sa pamilya*, Senate President Vicente Sotto III. Thank you, Dad.

And to all our QCitizens that are watching through our facebook page, I would like to thank you all for joining us in this special day.

Before I deliver the Legislative Report of the 21st City Council, I just want to give thanks to the Lord for all our councilors, to the Office of the City Secretary, Sergeant at Arms, and to our respective staff for a productive and pro-active couple of years. I would also like to thank the Executive department, especially to our Honorable Mayor Joy Belmonte, for their patience and assistance in ensuring that our legislative actions are responsive and customized to the immediate and long term needs of our city.

Because of our great working relationship, we have embodied the bible verse Ecclesiastes 4:9 "Two are better than one, because they have a good return for their labor" as we were able to pass at least 810 resolutions and 193 Ordinances, more than a 1000 measures combined, We give all the glory to our Lord.

But I hope that you would indulge me as I take a look back on that blessed day of July 17, 2019 when we called the first session of the 21st City Council to order. On that day, the striking of the gavel was very symbolic as it signified the start of the journey of our 21st City Council family.

And what a journey it has been! *Katulad po ng kanta*. It certainly has not been easy, really quite extraordinary, and no one can contest the difficulty of the obstacles that our QCitizens, and the entire world, had endured for a period longer than what we had anticipated.

But despite our situation right now, I am grateful. There are so many things to be grateful for and I do feel thankful that all of you are with me, together with us, in this journey. We all have become allies, partners, and family, walking together, hand in hand, as we try to navigate and decipher the unknown path to recovery, normalcy, and restoration of our city.

We grew together and crossed the lines from mere colleagues to family. We have bonded with our shared commitment and goal to serve, all for the love of God and our country. We pushed and motivated each other and taught each other in ways that made us stronger leaders. For that, we rejoice and see the accomplishment of one as victory of our entire 21st City Council family.

Because of this, I am proud to stand here as your presiding officer and give the 21st City Council Legislative Report.

Good governance and servant leadership. *Itong mga salita na ito ay napaka-importante.* These are what this administration is all about. Good governance and servant leadership.

To summarize, *tapat at serbisyong totoo. Serbisyong inuuna ang pagmamahal sa Diyos at pagmamahal sa kapwa. Katulad po ng palagi nating sinasabi, kapag tapat ka sa Diyos, tapat ka sa kapwa mo, tapat ka din sa katungkulan mo. Kapag mahal mo ang Diyos, mamahalin mo din ang kapwa mo, at mamahalin mo din ang tungkuling itinakda sa iyo ng Panginoon. Hindi mo ito aabusuhin at hindi mo gagamitin para sa sarili.*

Our advocacy of transparency and good governance started at the right foot as we promptly enacted Ordinance No. SP-2863, Series 2019 or the "Quezon City Freedom of Information Ordinance of 2019" which gives every Filipino access to information, official acts, transactions or decisions, as well as government research data used as basis for policy development that are in the custody of the Quezon City Government or any of its offices.

Continuing with our platform of good governance, and together with the Honorable Mayor Joy Belmonte and the Executive Department, we also immediately tackled the updating and amending of existing social services of the city in order to efficiently address the needs of our QCitizens. For this, we passed the following ordinances:

1. Ordinance No. SP-2874, increases the medical assistance to indigents in the amount of Five Thousand Pesos (Php5,000.00) to Ten Thousand Pesos (Php10,000.00) and established a system that drastically reduces the processing time in the giving of medical assistance;

2. SP-2873 increases the financial assistance given to families-victims of fire to Php 5,000.00 for house renters and PhP 10,000.00 to house and lot owners;

3 SP-2891 provides for updated uniform rates for Quezon City General Hospital (QCGH), Novaliches District Hospital (NDH), Quezon City Health Department (QCHD) and Rosario Maclang Bautista General Hospital (RMBGH) to avoid confusion and promote transparency;

4 SP-2892 gives free maintenance medicine for high blood and diabetes to our Quezon City residents;

5 SP-2865 provides for free mortuary services by city- accredited funeral homes for our indigent families while SP-2903 created the Quezon City Public Crematorium and Columbarium in Baesa Public Cemetery.

6 SP-2932 mandates the Quezon City Health Department to adopt an online system in the issuance of Health Clearance in Quezon City, which was timely passed during the pandemic in order to prevent long queues and avoid exposure to the virus;

7 SP-3016 creates a rental housing scheme to those who cannot afford to purchase socialized housing without falling into a housing stress. It also created a Beneficiary Selection and Arbitration Committee, a Rental Housing Trust Fund, and designated the starting monthly rent at Eight Hundred Pesos (Php800.00); and

8 SP-3049 gives priority to solo parents by giving them 10% allocation in housing projects.

We also prioritized ordinances that advance the promotion of an alternative, eco-friendly lifestyle and showcase the need to better care for our environment.

In our goal to make Quezon City a Green Livable City, we passed ordinances that express our lasting commitment to be responsible stewards of our environment:

9 SP-2868 imposes a citywide ban on plastic bags now while brown bags will also be banned in Quezon City by 2022;

10 SP-2876 prohibits the use and distribution of single-use plastics and other disposable materials for dine-in purposes in all hotels and restaurants in Quezon City;

11 SP-2972 promotes edible gardening by granting tax exception to land owners of idle lands that are being used for urban agriculture;

12 With the restrictions caused by the community quarantine, our QCitizens have explored the use of bicycles as a primary mode of transportation within the city. Thus, our 21st City Council immediately passed SP-2942 and SP-2970 mandating helmets to protect our bicycle riders as they navigate the roads of Quezon City.

13 Eventually, we passed SP-2988 which created the Quezon City Bicycle and Active Transport Section under the Department of Public Order and Safety – Green Transport Office and promotes the use of active transport and redesigned local roads as cycling lanes and walking paths in our city.

Aside from updating our existing social services, we also updated the plantilla positions of our established offices and created new ones in order to strengthen the delivery of services to our QCitizens. Aside from the already mentioned Quezon City Bicycle and Active Transport Section under DPOS, we also passed:

14 Ordinance No. SP-2869, creating the Solo Parents Affairs Office aimed to advocate for solo parents, and ensure the execution of the laws and ordinances in favor of them;

15 SP-2864 created the Traffic and Transport Management Department (TTMD) as the answer to the rapid urbanization of Quezon City and is envisioned to effectively address the pressing need of improving the city's transport and traffic management system that offers greater welfare for the city and its constituents;

16 SP-2872 created the City Real Estate Management and Control Office or CREMCO in order to properly utilize the city's real properties, thru careful and sensitive evaluation and inventory of all properties owned by the City Government;

17 SP-2917 or An Ordinance Providing for the Quezon City Sports and Recreation Management Code created an office intended to focus on the sports programs of the City Government;

18 SP-2894 created additional plantilla positions under the Child Welfare and Protection Office of the Social Services Development Department;

19 SP-3022 and SP-3045, reorganized the Business Permits And Licensing Department, incorporating the functional structure of the Liquor Licensing Regulatory Board;

20 SP-3015 renamed the EPWMD into Department of Sanitation and Cleanup Works of Quezon City while SP-3009 created the Climate Change and Environmental Sustainability Department;

21 We cannot forget the brainchild of Mayor Joy Belmonte, SP-3000 or the Quezon City District Action Office Ordinance created mini city halls within per district, bringing major customized services nearer to our constituents for a more active, efficient, equitable, coordinated government machinery at the ground level. *Special mention to our District Action Officers who are here with us right now.*

We also passed ordinances that protect and take care of our working and business sector, as they not only help the economy of our city, but they are also the providers of their family and the carers of their children:

22 Ordinance No. SP-2883 paved the way for the inclusion of labor standards in the employment orientation of the Public Employment Services Office;

23 We have passed at least 16 tax ordinances for the extension to pay real property and business taxes and condoned surcharges and interests in case of delayed payments;

24 SP-2889 and SP-2989 provided for a unified Barangay Revenue Code for all barangays in Quezon City;

25 SP-2904 amended The Magna Carta For Micro And Small Business Enterprises In Quezon City and extended the 20% exemption of gross sales from payment of business tax to 2021 until 2023;

26 SP-2940 provided incentives to businesses employing senior citizens and PWDs;

27 SP-2961 which declared the Tomas Morato- Timog Avenue Area as a Lifestyle and Tourism District, and SP-2946,which declared La Loma District as Tourism District of Quezon City with the hope that it will help boost the local economy and tourism in those areas.

28 SP-2890 and SP-3013 amended the validity of sanitary permits, occupational permits, and business permits, from December 31 of the year it was issued to one year validity from date of issuance, in line with our city's goal to be a preferred destination for businesses;

29 SP-2950 allowed a provisional Kalinga Fare for tricycles, three wheel vehicles, e-trikes and pedicabs to help our brothers from QC TODA as they need to provide for their families during the community quarantine;

Aside from ordinances that are for the providers of our families, we also passed ordinances that focus on our children, their education, and their well-being. As cliché as it sounds, the children are really the future of our country, and we need to give them all the support that they need right now as they continue to learn to be independent, responsible, caring members of our community:

30 Ordinance Nos. SP-2871 and SP-2866, established Bagbag Integrated High School and a General Licerio Geronimo Senior High School; SP-2916 and SP-2920, converted Leandro Locsin Senior High School and Tandang Sora Senior High School into Integrated High Schools; while SP-3035 converted the existing Holy Spirit National High School-Annex into a separate and independent high school;

31 SP-2980 established a public senior high school system in Quezon City; and

32 We also gave our support to our Quezon City University through the approval of their Institutional Development Plan for 2021-2026 (SP-2997), the creation of fifteen new plantilla positions and the amendment of their Quezon City University Charter of 2019 in order to further strengthen and enhance the programs of Quezon City University by the introduction of institutional changes in its charter (SP-2971 and SP-2998);

33 SP-2882 expanded our scholarship program to include opportunities to deserving Quezon City qualified residents and employees who are pursuing further studies, like law, medicine, or post graduate degrees;

34 SP-3007 provided for free copy of Certificate of Live Birth for our parents QCitizens to lessen their financial burden as they enrol their children in Kindergarten

Because of the new concerns raised by online learning, our 21st City Council enacted measures that properly and immediately address the current issues of their safety and education because of the pandemic:

35 SP-2954 provided for the free use of tablets while SP-2974 ensures the distribution of printed learning materials to our students as we promote blended learning in Quezon City;

36 SP-2975 supports our online classes by prohibiting any activities that may disrupt its conduct between school hours in order to help students focus on their lessons while at home;

37 As we promote the mental health awareness for our children while in the middle of the pandemic, SP-3051 identified Child- Friendly Safe Zones for minors to visit and take a break from the stress of being stuck inside their homes for long periods of time.

In the early part of 2020, and as we felt the direct threat of COVID19, our 21st City Council immediately passed the needed legislative measures to complement the quick action response programs of our Honorable Mayor Joy Belmonte that address the hardships experienced by our city and our constituents:

38 It all started with our declaration of state of calamity thru Resolution No. SP-8141 on March 13, 2020 that authorized the release of the Quick Response Fund of the City and of the 142 barangays needed for the emergency procurement and distribution of goods and services.

39 Ordinances enforcing and regulating Personal Protective Equipment were passed, including SP-2908; SP-2936; and SP-2957 which required the use of facemasks and coverings in public places while SP-2965 and SP-2987 mandated the use of face shields in crowded places in Quezon City;

40 With the proliferation of PPEs, SP-2983 prohibited the indiscriminate and improper disposal of face masks and other Covid-19 protective gears and products in Quezon City;

41 SP-2914 and SP-2948 regulated the selling of basic necessities in Quezon City to ensure that no hoarding will occur to the detriment of others;

42 Ordinance No. SP-2905, SP-2947, SP-2963; and SP-3003 sets the Public Safety Hours in Quezon City and limits the movement of our residents at night to minimize exposure and discourage public gatherings while SP-2985 provided for special children protection hours that prohibited minors to roam around in public places during the surge of COVID cases;

43 Several ordinances were enacted to provide for specific protocols during the pandemic, particularly SP-2958 as amended by SP-3034 for the individual quarantine protocols; SP-2907 establishing protocols for the management of the deceased; SP-2959 providing guidelines for special concern lockdown areas; and SP-2934 enabling the declaration of localized community quarantine in Quezon City;

44 SP-2911 or the COVID-19 Anti-Discrimination Ordinance of Quezon City addressed the pervasive and unwarranted public stigma to COVID-19 patients by making it punishable to discriminate against them and to our frontliners;

45 SP-2943 enabled COVID-19 testing for exposed and at risk barangay frontliners while Ordinance No. SP-2935 required mandatory testing before a person is confined in jail to prevent our vulnerable people in jail from exposure

46 SP-2937 provides for the establishment of a laboratory to further equip the city in its fight with COVID-19 through infrastructure projects, ensuring faster test results for Quezon City constituents;

47 SP-2964 authorized barangays to engage up to 300 contact tracers under their Barangay Health Emergency Response Team under the supervision of the Quezon City Health Department;

48 SP-2912, SP-2967 and SP-3029, granted financial assistance to all frontliners who tested positive from Covid-19 in recognition of the invaluable service of our frontliners in various fields and to help them or their next of kin as they recover;

49 Several ordinances providing for the grant of allowances, hazard pay and other emoluments: SP-2923, SP-2924, SP-2926, SP-3025 and SP-3026 all in recognition of the risks that our Quezon City Government personnel and other frontline public health workers face in the middle of the City's fight against the pandemic;

50 We also passed an ordinance SP-3024 granting food, travel and subsistence allowance to our vaccine volunteer medical staff serving at our vaccine sites;

51 SP-3019 as amended by SP-3033 mandated the use of KyusiPass for a contactless and easier contact tracing in all establishments of Quezon City;

52 In recognition of the hardships that our home and market stall owners are experiencing, we passed SP-2944, that provided for moratorium on the monthly amortization on all housing programs of the Quezon City Government from March until December 2020; while SP-2945 waived the rental fees for market stall owners of non-essential goods that have been non-operational during the period of ECQ and MECQ; while SP-3008 temporarily suspended the rent of pork and chicken stallholders affected by the mandated price ceiling to encourage them to continue selling meat products for the benefit of our consumers;

53 As we entered the vaccination phase on our road to recovery, we passed SP-3048 to ensure proper regulation of vaccination sites and programs in Quezon City; and SP-3031 and SP-3032 prohibited the falsification and fraudulent selling of vaccine slots and cards in Quezon City;

54 And in order to ensure that all the lessons we learn from this pandemic will not go to waste, we passed Ordinance No. SP-2949 or the Pandemic and Public Health Emergency Preparedness Ordinance, that created a coordinating body and an inter-agency plan that will serve as the framework for public health emergencies that Quezon City may face in the future.

But of course, even with COVID-19 virus, life must go on. We must not let our other responsibilities be overlooked or forgotten. While the pandemic is a hindrance to a lot of our plans, your 21st City Council did not let it be an excuse to set aside other concerns of our city. Instead, we learned to adapt to the restrictions of the pandemic and was successfully able to enact ordinances needed for the regular course of business of the city government and address the other important issues of our constituents:

55 We have timely passed the Annual Budget (SP-2878) and 6 Supplemental Budgets (SP-2909, S-2020; SP-2921, S-2020; SP-2922, S-2020; SP-2927, S-2020; SP-2956, S-2020; SP-2966, S-2020) for 2020 and the Annual Budget (SP-2977) and 1 Supplemental Budget (SP-3030) for 2021;

56 SP-2978 exempted the Barangay Public Safety Officers and the people that they apprehended from medical evaluation and report fees in QCGH, NDH, and RMBGH and SP-2992 granted a monthly incentive allowance of Php500.00 each to all the regular Barangay Public Safety Officers for the years 2020 to 2022;

57 Aside from this, we also passed SP-3043 which provided healthcare and insurance to all our Barangay officials and members;

58 SP-2888, SP-2986 and SP-2996 extended the suspension of the imposition of the updated real property taxes based on SP-2556, S-2016, pertaining to the new schedule of fair market values until December 2022 to lessen the burden and protect the interest of property owners in the middle of the pandemic;

59 SP-2962 created the Quezon City Dangerous Drugs Administrative Board to hear and decide complaints involving places being used as sites for illegal drug activities;

60 SP-3023 amended our Public Veterinary Clinic Ordinance updating The Schedule of Fees And Charges and included the City Legal Department as part of the Implementing Committee; while SP-2990 prohibited the operation of piggeries and poultry farms within Quezon City;

61 SP-2999 Quezon City Anti-Trafficking in Persons Ordinance of 2020 localizing Republic Act No. 9208, and creating the Quezon City Council on Anti-Trafficking, including its composition, duties and functions. It also created the technical working group, a joint task force, an office under the Office of the City Mayor, and a shelter for victims of trafficking in Quezon City;

62 SP-3002 institutionalized a Comprehensive Program for Persons Deprived of Liberty (or PDLs) at the Quezon City Jail Female Dormitory that will give them access to health care, drug use rehabilitation, education, livelihood, and reintegration programs;

63 SP-3041 established the Quezon City Registry System, or the QCitizen ID to be issued to all residents of Quezon City;

64 SP-3010 established and institutionalized the Seal Of Good Youth Governance For the SKs of Quezon City;

And of course, as we continue to strengthen and promote people's participation, we have accredited a total of 2,236 non-governmental organizations (NGOs), People's Organizations and other civil society organizations thru SP-2862, SP-2925, SP-2994, and SP-3039, giving way for a stronger relationship between them and the Quezon City government.

Our journey as the 21st City Council is still not over. As we start the budget hearings for 2022, I would like to encourage the members of the 21st City Council to remember that we are ONE family that share ONE goal and keep the words of Philippians 2:3 in our heart:

"Do nothing out of selfish ambition or vain conceit. Rather, in humility, value others above yourselves"

I pray that everyone would continue to work together, practice servant leadership, and remain grounded in our commitment to bring the best service to our QCitizens. May our plans for the future NOT hinder our calling as servant leaders of our city.

To our Executive Department, led by our Honorable Mayor Joy Belmonte, and to all the members of the 21st City Council, and to all our partners in the barangays, the NGOs, and the private sector, I hope that as we near the end of our term, and as we approach the treacherous road of politics and campaign period that we will leave a legacy of unity and service above all.

Lagi nating sinasabi, kahit saan tayo pumunta, na ang pangarap natin para sa ating lungsod ay umangat sa buhay ang bawat pamilyang naninirahan dito. At mangyayari lang 'yun kapag unahin natin 'yung kapwa natin at hindi ang ating sarili.

Ang ibig sabihin ng good governance *at* servant leadership *ay nakatanim sa puso ng isang tao, na walang ibang pinapangarap kung hindi makatulong sa kapwa. Hindi aangat yung bansa natin o 'yung siyudad natin kung gagamitin lang natin ang posisyon para manira sa kapwa o para sa sariling mga pangarap natin.*

Kaya ang pangarap ng ating Mayor Joy *at ang pangarap ko, at ang pangarap nitong administrasyon natin ay magkaroon ng panibagong pananaw sa buhay ang bawat pamilya dito. Na kung saan hindi sa mga pangako umaasa ang mga tao, hindi sa mga politiko umaasa ang tao, kung hindi sa Diyos at tanging sa Diyos lamang sila unang umaasa. Pangalawa, sa kanilang mga kasamahan sa komunidad.*

We rise by lifting others up. If you lift yourself up, *alam natin kung saan ka pupunta. Pero kung gagamitin mo ang posisyon mo para tumulong sa kapwa, alam natin na magiging maganda ang bukas ng bawat isa. Tapusin na natin yung panahon na hilahan-pababa, tapusin na natin yung panahon ng* traditional politics. *Sama-sama nating ipaglaban na baguhin ang kulturang pulitika dito sa ating bansa at dito sa ating siyudad.*

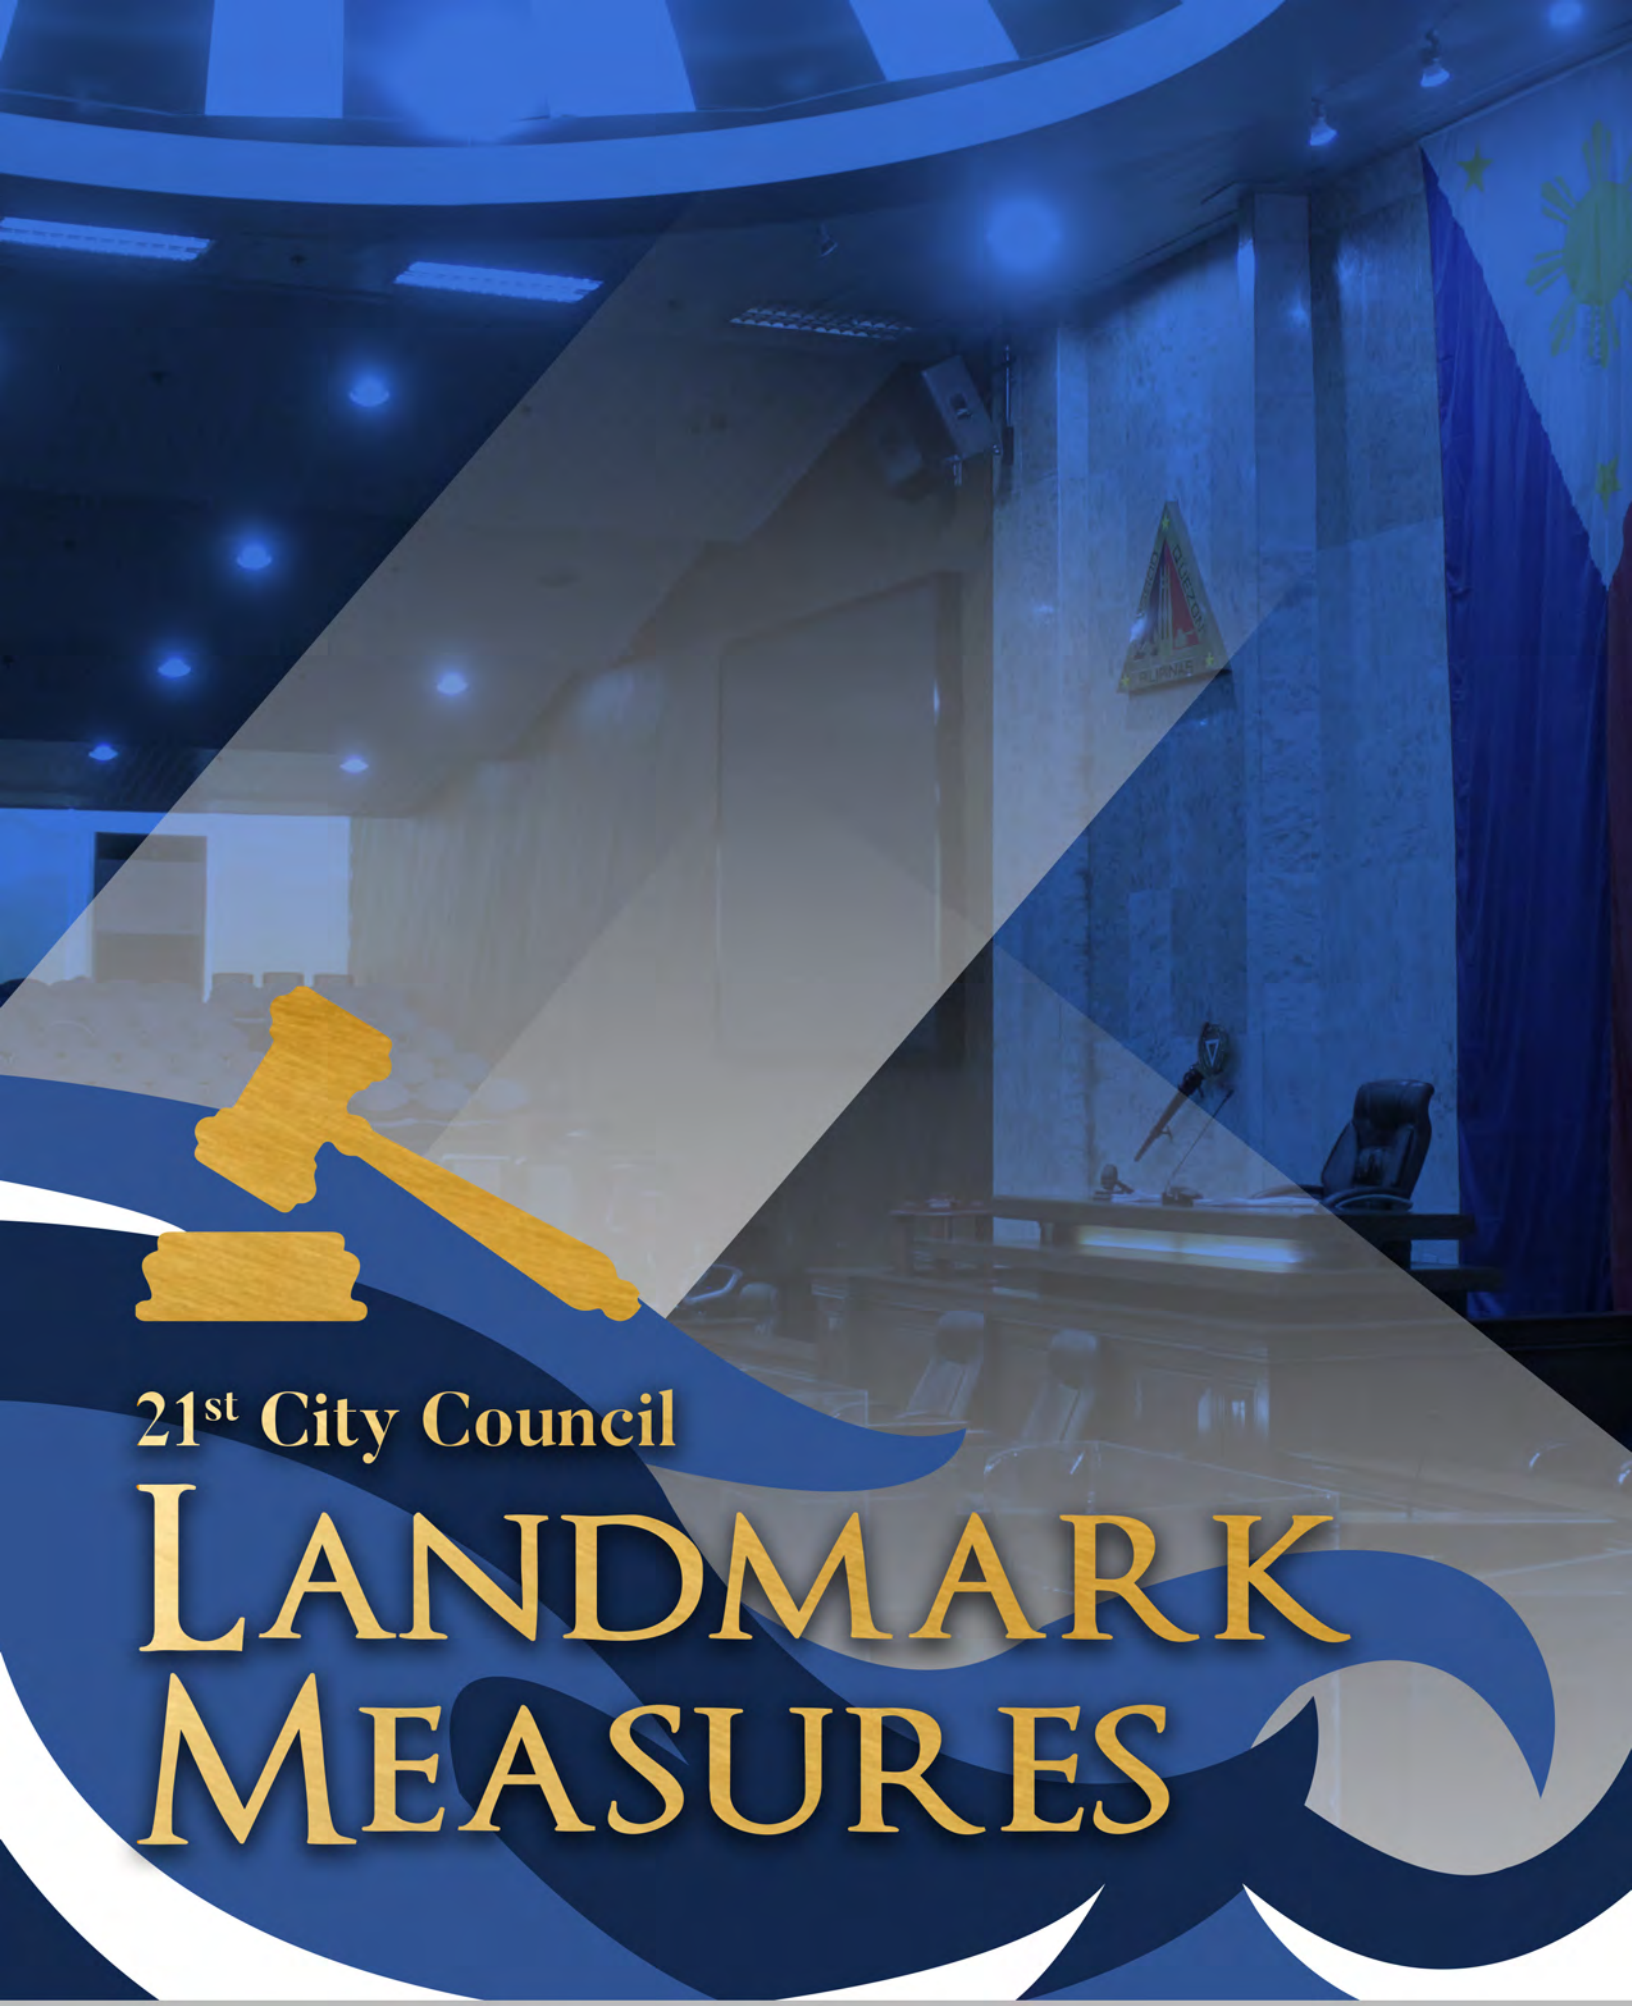
Let's focus on servant leadership and focus on loving God and loving others. *Dahil ganun lang ka-simple 'yun* guys, and I want to take this opportunity to the members of the City Council to thank you for your patience and understanding, *kung medyo lagi po tayong nagiging istrikto sa pagpasa ng mga resolusyon at ordinansa, gawa po yan ng responsibilidad natin na ipaglaban ang* good governance *at tapat na serbisyo sa Diyos at sa kapwa. Maraming salamat sa pasensya na ibinigay ninyo at maraming salamat sa pagkakataon.* And to all our facebook live viewers *na nanonood ngayon, maraming salamat sa oportunidad na ibinigay niyo sa amin na ma-represent po kayo dito. Lagi niyo pong tatandaan,* as servant leaders we are here as your representative.

May we continue to glorify God in all that we do and may the principles of servant leadership be shown in our actions.

May God bless us all, and kami ang inyong 21st City Council!

Now, before we recognize the Honorable Mayor Joy Belmonte, let us first watch a short video prepared by her team looking back at the awarding of the Unqualified Opinion, the highest rating that can be given to a government agency or local unit from the Commission on Audit. *Ito ang katas ng tapat na serbisyo at* good governance.

Now, let us give a round of applause to our Honorable Mayor Joy Belmonte as she delivers her 3rd State of the City Address.



21st City Council

The Legislative Building

The 3 Storey Legislative Wing of the Quezon City Hall was officially designated as the Quezon City Legislative Building, through Resolution No. SP-1741, S-2002.

Its facade is the ingenious work of Eugenio R. Bunuan, which features an adobe bas-relief of the "Life of Pres. Quezon", beginning with his childhood home in Baler, Tayabas (now Quezon), his military service and law education, and his most famous stance when he was inducted as the First President of the Philippine Commonwealth. There are also depictions of Inang Laya (Mother of Freedom), the celebration of the First National Rice Planting Day, and prominent edifices in the City such as "The Big Dome", (also known as the Smart Araneta Coliseum), GSIS General Hospital (now called East Avenue Medical Center), the Oblation at the University of the Philippines, and the Quezon Memorial Circle.

Located in the 2nd floor is the session hall of the City Council, named the "Carlos L. Albert Hall" in honor and memory of the late Vice Mayor Carlos L. Albert, "whose reputation as a gentleman, war hero, and a politician was almost legendary" according to Resolution No. 10406, S-75.

It currently houses the offices of the Vice Mayor, the City Councilors, the City Secretary to the Sanggunian, the Quezon City Anti Drug Abuse Advisory Council, the Tricycle Franchising Board, and the People's Law Enforcement Board.
