A PAGEANT BEYOND BEAUTY....

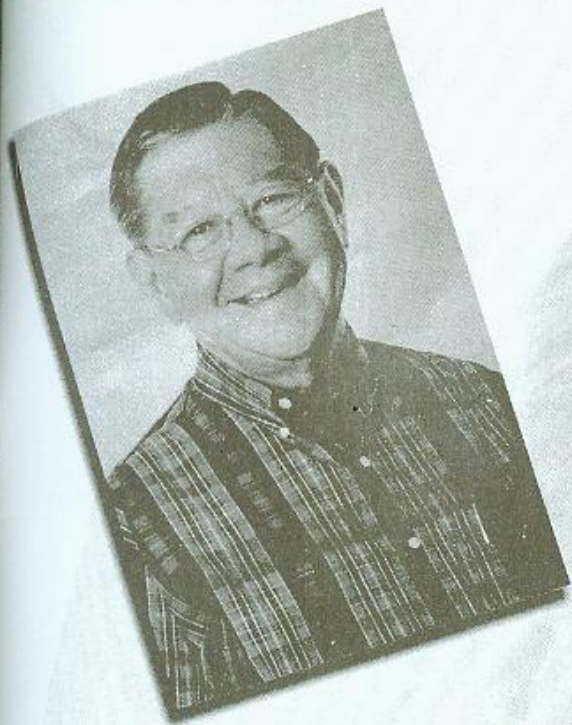

A Beautiful face in a youthful body; a joyful spirit with a dynamic character; a beauty queen imbued with an intelligent mind and a positive attitude...

The **Mutya ng Lungsod Quezon 2004**. The Ambassadors of Goodwill of Quezon City. The epitome of a vibrant, dynamic citizen who will articulate to the world the city's vision of a Quality Community through her active participation in its various programs and projects.

Through a series of elimination process, from the barangay screenings to the pageant finals of all four districts of Quezon City, the project aims not only to showcase the best of Quezon City – its people, places, arts and culture – but also to encourage camaraderie and cooperation among the QC residents through a collective effort in achieving that vision.

The pageant is designed to be a summer festival for everyone with the creation of a “fiesta” ambience and featuring Philippine cultural songs and dances with a modern twist. Reinforced with various workshops and personality development trainings, the pageant helps develop the youth to become better persons as they prepare themselves to remain queens of beauty even beyond the pageant. Indeed, the **Mutya ng Lungsod Quezon 2004** is a pageant beyond beauty.
