Sotto culminates QC Wide 3x3 tilt

Daily Tribune (Philippines) · 2 Aug 2024 · A8

Vice Mayor Gian Sotto touted the city's 3x3 basketball tournament as a platform for young athletes to shine as he led the awarding ceremonies for the QC Wide 3x3 Basketball Championships recently.

He added that the event promotes sportsmanship and camaraderie while identifying potential national athletes.

The championship games for boys under 16 and 18 were held at SM North EDSA Sky Dome, and Sotto said the tournament is part of Quezon City's grassroots sports development program.
