49th Regular Session

RESOLUTION NO. SP-10501, S-2026

A RESOLUTION ENCOURAGING GREATER PUBLIC AWARENESS AND THE CONDUCT OF EDUCATION CAMPAIGNS REGARDING THE POTENTIAL HEALTH RISKS ASSOCIATED WITH SO-CALLED "BEAUTY DRIPS," VITAMIN IV THERAPIES, AND SIMILAR INTRAVENOUS (IV) WELLNESS TREATMENTS IN QUEZON CITY

Introduced by Councilors DON S. DE LEON, DOROTHY A. DELARMENTE, M.D., WENCEROM BENEDICT C. LAGUMBAY, CANDY A. MEDINA and ATTY. CHRISTOFFER ALLAN "Tope" LIQUIGAN

Co-Introduced by Councilors Tany Joe "TJ" L. Calalay, Joseph P. Juico, Charm Ferrer, CPA, MPA, JD, Nicole "Nikki" V. Crisologo, Mikey F. Belmonte, Candy A. Medina, Atty. Voltaire Godofredo "Bong" Liban III, Dave C. Valmocina, Ranulfo "Tatay Rannie" Z. Ludovica, Albert Alvin "Chuckie" L. Antonio III, Luigi D. Pumaren, Atty. Vicente Belmonte Jr., Edgar "Egay" G. Yap, Nanette Castelo Daza, Imee Rillo, Raquel S. Malañgen, Joseph Joe Visaya, Aiko Melendez, Alfred Vargas, MPA, Karl Edgar Castelo, Shaira "Shay" L. Liban, Ram V. Medalla, Maria Eleanor "Doc Ellie" R. Juan, O.D., Emmanuel Banjo A. Pilar, Kristine Alexia Matias, RN, Victor "Vic" D. Bernardo, Vito Sotto Generoso, Jose Maria "Mari" M. Rodriguez, and Jhon Angelli "Sami" C. Neri

---

WHEREAS, the Quezon City Government prioritizes the protection of the health and safety of QCitizens and supports initiatives that promote safe and responsible medical practices;

WHEREAS, intravenous (IV) wellness treatments commonly referred to as "beauty drips," including glutathione infusions, vitamin drips, slimming drips, and similar IV therapies, have become increasingly popular and widely promoted through social media platforms and online advertisements;

WHEREAS, these treatments involve the administration of substances directly into the bloodstream through intravenous infusion, which constitutes a medical procedure that carries potential health risks when performed without proper medical supervision;

WHEREAS, there have been increasing reports that some IV drip services are being offered in non-medical settings, including home-based services and establishments that may not be licensed medical clinics;

WHEREAS, concerns have likewise been raised that some intravenous wellness treatments may be administered by individuals who are not licensed healthcare professionals, thereby increasing the risk of improper administration, infection, allergic reactions, and other medical complications;

WHEREAS, the use of injectable substances that may not be properly registered or approved by the Food and Drug Administration (FDA) may pose potential health risks to consumers;

WHEREAS, because intravenous substances enter directly into the bloodstream, the safety, quality, and proper medical supervision of such procedures are critical in preventing adverse health effects;

WHEREAS, promoting public awareness and educating consumers about the risks associated with unregulated or improperly administered IV wellness treatments can help protect QCitizens and encourage responsible health practices.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED, to encourage, as it does hereby encourage, greater public awareness and the conduct of education campaigns regarding the potential health risks associated with so-called "beauty drips," vitamin IV therapies, and similar intravenous (IV) wellness treatments in Quezon City.

RESOLVED FURTHER, that QCitizens are encouraged to exercise caution and to ensure that intravenous treatments are administered only by qualified healthcare professionals in licensed medical facilities, and that substances used in such procedures are properly registered with the Food and Drug Administration.

RESOLVED FURTHERMORE, that concerned national government agencies, including the Department of Health (DOH) and the Food and Drug Administration (FDA), are encouraged to strengthen monitoring, regulation, and public advisories regarding the administration of non-medical intravenous wellness treatments, including so-called "beauty drips," vitamin IV therapies, and similar procedures, in order to protect public health and consumer safety.

RESOLVED FINALLY, that copies of this Resolution be furnished to the Quezon City Health Department, the Department of Public Order and Safety, the Business Permits and Licensing Department, the DOH, the FDA, and other concerned offices and agencies for their information and appropriate guidance.

ADOPTED: May 25, 2026.

CERTIFICATION

This is to certify that this Resolution was ADOPTED by the City Council on Second Reading on May 25, 2026 and was CONFIRMED on June 8, 2026.

BERNARD R. HERRERA
