Pilar, Kristine Alexia Matias, RN, Victor "Vic" D. Bernardo, Vito Sotto Generoso, Erwin Rey "Cocoy" A. Medina, Jose Maria "Mari" M. Rodriguez and Jhon Angelli "Sami" C. Neri

---

WHEREAS, being the largest city in the Philippines in terms of population, Quezon City's densely populated areas, with a complex river system, lack of infrastructure, flood control, warning system, and poor preparedness contribute to flood hazards and flood-related disasters; thus, it is essential for all stakeholders to undertake actions aimed at achieving long-term flood management in the City;

WHEREAS, the Quezon City Government aims to strengthen the City's resiliency against human-induced or natural disasters by recognizing the vision, policy framework, and strategies capitalized on disaster risk reduction and management in Quezon City, and which anticipates a Quality City with an empowered and responsive citizenry living in a sustainable, well-planned, and structurally sound environment with a vibrant economy under a progressive leadership;

CARRIEDO FOUNTAIN (MWWS OFFICE)

WHEREAS, Section 12 of Republic Act No. 10121, otherwise known as the "Philippine Disaster Risk Reduction and Management Act of 2010," requires the Local Disaster Risk Reduction and Management Office (LDRRMO) to formulate and implement a comprehensive and integrated Local Disaster Risk Reduction and Management Plan (LDRRMP) in accordance with the national, regional, and provincial framework, and policies on disaster risk reduction in close coordination with the local development councils (LDCs);

WHEREAS, the City is required by the Writ of Continuing Mandamus of the Supreme Court through the Manila Bay Clean-up, Rehabilitation, and Preservation Program to formulate a Drainage Master Plan (DMP) to address issues and problems brought about by flooding in the City;

WHEREAS, the City has partnered with the University of the Philippines (UP), leveraging its team of scientists and technical experts in storm drainage and hydraulics dynamics, flood modeling and simulation, tools, technology, and mechanisms, equipment, software, and other resources to develop the DMP;

WHEREAS, the City has completed its DMP which will provide solutions to the flooding and inundation problems of the City, serve as a long-term framework for flood management in Quezon City shall serve as the design technical specifications guide to the City, Department of Public Works and Highways (DPWH), Metropolitan Manila Development Authority (MMDA), and subdivision or estate developers in the planning and implementing respective local drainage improvement and flood control projects in the City;

WHEREAS, the DMP was turned over to the Quezon City Government by UP last January 24, 2024;

WHEREAS, the Final Report of the DMP is comprised of three (3) volumes; Volume I consists of City profile, specific assessments and site-specific flooding and social conditions; Volume II includes fourteen (14) project recommendations categorized into structural and non-structural projects for the City to consider as flood mitigation solutions, effects of the interventions, and establishment of Internet-of-Things; and Volume III covers the action plans;

CARRIEDO FOUNTAIN (MWWS OFFICE)

WHEREAS, there is a need for the City to adopt the Quezon City Drainage Master Plan to ensure the implementation of the recommended programs and projects outlined in the DMP.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED, to adopt, as it does hereby adopt, the Quezon City Drainage Master Plan (DMP) and its project recommendations for the City's flood mitigation efforts subject to all relevant laws, rules, and regulations.

RESOLVED FURTHER, that copies of this Resolution be furnished to the Quezon City Disaster Risk Reduction and Management Council and other offices or departments concerned of their information, guidance, and reference.

ADOPTED: December 3, 2025.

CERTIFICATION

This is to certify that this Resolution was ADOPTED by the City Council on Second Reading on December 3, 2025 and was CONFIRMED on December 10, 2025.

BERNARD R. HERRERA
President Pro-Tempore
Acting Presiding Officer

ATTESTED:
