WHEREAS, the Quezon City Government shall mandate the Parks and Development Administration Department, in coordination with the Environmental Protection and Waste Management Department, Quezon City Office of the Task Force Streetlights, All Cable Companies including Meralco and PLDT, the implementation of periodic pruning of trees to prevent the risk of falling tree limbs and branches that may be resting along utility lines, power poles, and near rooftops in preparation for the typhoon; X

QUEZON CITY PUBLIC LINKAGE
LAW OFFICE

WHEREAS, typhoons occur for several months in a single year and the City government should ensure that the concomitant damage the said typhoons bring is brought to a minimum;

WHEREAS, every year after the typhoon, there are cases of electric disruption, accidents and injuries due to falling tree limbs and branches resting along power poles, and roads of Quezon City that cause traffic jams and pose serious hazard to its people;

WHEREAS, the periodic pruning of trees will provide environmental advantages aside from preventing the risk of falling tree limbs and branches during typhoons, as it will also increase the air circulation, sunlight flows through the tree which is beneficial for lawn growth below, and it shall improve the health of the trees and its structure by removing dead or dying branches.

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED:

Section 1. All trees which are resting along utility lines, power poles and rooftops of residential areas posing hazards to lives and properties during typhoons as are mandated to be pruned or trimmed.

Section 2. The Parks Development Administration Department (PDAD), the Environmental Protection and Waste Management Department (EPWMD), the Barangay Official, the duly authorized representative of the Department of Public Order and Safety and representatives of the Homeowners Association, shall mandate the periodic pruning of trees that may be resting along utility lines, power poles and rooftops of residential areas posing hazards to lives and properties. ✕
