Quezon City Mayor Joy Belmonte is among the 15 semi-finalists for the annual Gawad Lingkod Bayan ng Pangulo Award, the Civil Service Commission announced yesterday.

The CSC is seeking public feedback for the semi-finalists to help the commission in the selection and awarding of final winners in September.

“If you have encountered them, was served by them or if their projects and programs changed your life, participate in the evaluation process by sending us feedback, whether positive or negative, until July 21,” CSC Chairperson Marilyn Yap said.

“Your comments will help us choose the best nominees who embody our collective ideals as civil servants and create positive image of government service,” Yap added.

The Gawad Lingkod Bayan ng Pangulo is the highest among the three major award categories under the Gawad Lingkod Bayani, conferred annually by the CSC.

The award recognizes exceptional or extraordinary contributions resulting from an idea or performance that had nationwide impact on public interest, security and patrimony.
