WHEREAS, in 2005, the Quezon City Council passed City Ordinance No. SP-1479, S-2005 entitled "An Ordinance declaring a Moratorium in the Franchise of Public Utility Tricycles in Quezon City and for other purposes." The passage of the said Moratorium Ordinance was due to the proliferation of tricycles in practically all streets and roads of Quezon City, encroaching even the main thoroughfares, congesting the road network and complicating further the already complex traffic situation of the City;

WHEREAS, after the passage of the aforementioned Moratorium Ordinance, there are some tricycle associations, such as the herein applicants, who are left with pending applications for franchise before the Tricycle Franchising Board (TFB). With that, they still exist and operate for the main reason that their existence and operation are very much necessary in their respective areas; otherwise, transportation would be paralyzed;

WHEREAS, Section 3 of the Moratorium Ordinance states that "the Committee on Transportation of the City Council shall conduct a study on the present state of operation of public utility tricycles in the City in aid of legislation with the end in view of coming up with an ordinance that will rationalize the authorization and deployment of tricycles in the roads, streets and thoroughfares in Quezon City";

WHEREAS, Section 4 of the Moratorium Ordinance further states that "the City Planning and Development Department (CPDD), in coordination with the Committee on Transportation, shall likewise conduct a study on the operation of tricycles and other transportation modes, the City's transport corridors and road networks, traffic demands and projections and other relevant economic and transport matters, in view of coming up with a comprehensive transportation/traffic plan for Quezon City";

WHEREAS, in 2014, the Quezon City Council enacted City Ordinance No. SP-2337, S-2014, otherwise known as the Quezon City Tricycle Management Code of 2014, to recognize the integral role of tricycles in the public transport system of the City and the Metropolis as a whole. The franchising and operation of tricycles shall be controlled and regulated with the end of view of effectively managing these vehicles for basic services;

WHEREAS, the Quezon City Tricycle Management Code of 2014, in order to address the proliferation of colorum or illegal units, implemented the "One-Strike Policy" against apprehended colorum tricycles;

WHEREAS, through Republic Act No. 7160, otherwise known as the Local Government Code of 1991, certain functions of the Department of Transportation and Communications (DOTC) were transferred to the local government units. Thus, Section 458 of the Local Government Code of 1991 provided for the corporate powers of the City, which include:

> *"(3) Subject to the provisions of Book II of this Code, enact ordinances granting franchises and authorizing the issuance of permits or licenses, upon such conditions and for such purposes intended to promote the general welfare of the inhabitants of the city and pursuant to this legislative authority shall:*

(vi) Subject to the guidelines prescribed by the Department of Transportation and Communications, regulate the operation of tricycles and grant franchises for the operation thereof within the territorial jurisdiction of the city.";

WHEREAS, in 1992, the Quezon City Council passed City Ordinance No. SP-15, S-1992 entitled "An Ordinance Franchising and Regulating the Operation of Motorized Tricycles in Quezon City" known as the "Quezon City Tricycle Ordinance of 1992," but due to the dramatic change contributed by the operation, regulation and demographic aspects of the City through time, the said Ordinance was therefore considered as outdated, thus the need to update the same;

WHEREAS, pursuant to the mandates provided for by the Moratorium Ordinance, CPDD and the Committee on Transportation of the Quezon City Council conducted a tricycle study using an on-board passenger origin-destination (O-D) and tricycle mapping survey using an on-board data collection device equipped with sensor and Global Positioning System (GPS) capable of recording passenger boarding and alighting times and locations;

WHEREAS, as a result thereof, the CPDD submitted the final report to the Phase 2 Program of the Tricycle Route Measured Capacity (RMC) Study for Unserved Routes in Quezon City;

WHEREAS, it is the primordial concern of the Quezon City Government to update the existing Routes/Zones of tricycles in Quezon City and uphold the livelihood of the tricycle sector by granting herein tricycle associations legitimate franchise;

WHEREAS, the first update of the existing RMCs of BATODA was under Quezon City Tricycle Franchising Board (QCTFB) Case No. 97 entitled "Petition for Additional Route Measured Capacity (RMC) of that tricycle established within within the territorial limits of Barangay Batasan and Barangay Bagong Silangan and Filinvest Phase I, II, Batasan Hills Road, and portion of Barangay Payatas and vice versa," for the additional 62 motorized tricycles-for-hire to operate for the aforesaid TODA;

WHEREAS, the second update of the existing RMCs of BATODA was under Resolution No. 99-243 entitled "Petition for Additional Route Measured Capacity (RMC) and fixing the same for the next 3 years from January 01, 2000 to December 31, 2002," for the additional 200 motorized tricycles-for-hire from 800 to 1,000 units to operate for the aforesaid TODA;

WHEREAS, the third update of the existing RMCs of BATODA was under Resolution No. SP-1935, S-2002 entitled "A Resolution urging the City Council to grant additional franchise to the 200 petitioners for the operation of Motorized Tricycle-For-Hire plying within the route and territory of Barangay Batasan Hills covered by Batasan Hills Tricycle Operators and Driver's Association, Inc.," for the additional 200 motorized tricycles-for-hire to operate for the aforesaid TODA;

WHEREAS, the fourth update of existing RMCs of BATODA was under Resolution No. SP-2768, S-2005 entitled "A Resolution granting an additional 250 Route Measured Capacity (RMC) for the operation of Motorized Tricycle-For-Hire within the route covered by Batasan Hills Tricycle Operators and Driver's Association (Batasan Hills TODA), District II, this City," for the additional 250 motorized tricycles-for-hire to operate for the aforesaid TODA;

WHEREAS, upon perusal of the Petition for said Accreditation, it was revealed that Batasan Hills Tricycle Operators and Drivers Association, Inc. (BATODA) is registered with the Securities and Exchange Commission (SEC) and is a Civil Society Organization accredited by the Quezon City Council and the Barangay and Community Relations Department (BCRD);

WHEREAS, BATODA Resolution No. 02, Series of 2022 of Batasan Hills TODA, adopted by the Board of Directors on March 27, 2021, sought the legalization of their existing 140 colorums;

WHEREAS, the Barangay Council of Barangay Batasan Hills endorsed to the Tricycle Franchising Board (TFB) the accreditation of additional 140 units of the Batasan TODA for the granting of regular franchise, and members/homeowners and the riding public, as a whole, through tricycles, support the application for issuance of franchises through a resolution/certification;

WHEREAS, the District II TODA Presidents Federation, Inc. endorsed to the TFB the request for additional 140 tricycle units of the Batasan Hills TODA for regular franchise in support of the application for issuance of franchise for certain Tricycle Operators and Drivers Association, Inc. (TODA) in District II, Quezon City;

WHEREAS, the Tricycle Regulation Division (TRD), Traffic and Transport Management Department, in coordination with Barangay Batasan Hills transmitted the attached list of operators/members of Batasan Hills TODA for physical inventory of 140 units to operate additional Route Measured Capacity (RMC) to underserved areas in this City;

The said Department recommends the following underserved TODA including its maximum required number of units;

The said Department recommends the following RMC Revalidation to be updated including its maximum required number of units;

WHEREAS, the applicants have complied with all the necessary requirements prescribed by law, ordinance and administrative issuances.

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED:
