ELECTRIC BUSES

The Manila Times · 4 Jan 2025 · A9

The Quezon City Government's new electric buses, called the 'Electric Q City Bus,' an environmentally friendly mode of transportation with zero carbon emissions, pick up passengers along Kalayaan Avenue to Cubao in Quezon City on Jan. 3, 2025. The eight Electric Q City Buses were rolled out on Dec. 31, 2024, New Year's Eve.
