---

WHEREAS, Quezon City continues to advance environmental sustainability through policies that reduce waste, promote responsible consumption, and support climate action initiatives;

WHEREAS, City-funded and City-organized events such as festivals, public programs, conferences, and community activities often generate significant amounts of waste including single-use plastics, food waste, and disposable materials;

WHEREAS, adopting environmentally-responsible event practices may significantly reduce waste generation and environmental impact while promoting public awareness on sustainable practices;

WHEREAS, low-carbon and low-waste event practices may include the use of reusable materials, water refilling stations, proper waste segregation, reduced use of single-use plastics, and responsible event waste management;

WHEREAS, government-led initiatives that model sustainable practices may inspire communities, private organizations, and event organizers to adopt similar environmentally-responsible approaches.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED, to strongly support, as it does hereby strongly support, the adoption of low-carbon and low-waste practices for City-funded and City-organized events in Quezon City to promote sustainable and environmentally-responsible public activities.

RESOLVED FURTHER, that such practices may include minimizing single-use plastics, promoting reusable materials, ensuring proper waste segregation during events, and encouraging sustainable event management practices.

RESOLVED FINALLY, that copies of this Resolution be furnished to all Quezon City Government departments, the Climate Change and Environmental Sustainability Department (CCESD), and other concerned offices for their information and appropriate action.

ADOPTED: May 25, 2026.

CERTIFICATION

This is to certify that this Resolution was ADOPTED by the City Council on Second Reading on May 25, 2026 and was CONFIRMED on June 8, 2026.
