City Librarian's Corner

QCPL was organized in August 1948 and was inaugurated in October 23, 1948. It started with four (4) employees and with 4,000 volumes of books which were donated by the National Library of the Philippines, and was housed in a small space at the old City Hall Building.

Today, after almost 75 years, we are proud that QCPL has gone a long way and has done so many, after one administration to another. QCPL through the years has been well supported by the local government particularly the present administration of Honorable Mayor Josefina G. Belmonte-Alimurung.

We started to aim high for more innovations to better serve our reading public. Our innovations are a result of our strategic plans. We increase our library services suited to the educational, research and recreational need of our constituents, for them to love books and reading, thus, becoming more literate and knowledgeable creating a more socially responsible citzenry.

We ensure that our dreams become a reality. From having our own library building, official cars to monitor our branch libraries located in different barangays in Quezon City, increase number of reading centers and library nooks to be able to reach out and provide library services even to the remotest barangays of our city, ensuring that no one is left behind. Slowly but surely, our dreams are becoming a reality.

Now, we don't just dream. We innovate our dreams: to provide world class library services coupled with world-class library infrastructure. We plan to increase our book collections congruent to the number of QC populace and make QC a "reading city" and an innovative library service that are searchable and interactive that will provide more relevant and reliable information that will benefit our QCitizens.

We, at the QCPL, are confident that with the support of the present administration we can do so much. With the untiring efforts of our Librarians and staff, we can succeed in making QCPL a leader in library services and innovations as we aspire to be recognizes as such. Long live QCPL!

GROUP PICTURE TALE STORY
By: Maryjoy P. Gonzales

In celebration of the 39th National Children's Book Day with the theme "Tahanan ng Katotohanan: Aklatan", the Quezon City Public Library – San Isidro Galas Branch took part by holding an activity called Group Picture Tale Story. It was held on July 20, 2022, inside the library, and ten (10) elementary children from the community attended.

An activity wherein series of pictures that are linked together will be given to the participants, and from these pictures, participants will give an idea of what they think about it. The activity started with a powerful "magic ball" that has the power to think and create an idea every time you hold onto it. This magical ball will be pass on from one child to another, giving them the ability to contribute to the made-up story activity and motivating them to share their ideas. The Head Librarian, Ms. Maryjoy Gonzales, and library staff, Ms. Richell Campo, also joined and were part of the team together with the participants. Ms. Rosario Malig, also a library staff was assigned to take down notes of everyone's ideas. After the said contribution, the created story was read aloud to everyone. The ideas given were linked together, and eventually a beautiful story was made. Each of the participants was asked to come up with a title for the story. After hearing the suggested titles from everyone, they came up with "Si Miko, ang mabait na Aso" as the final title of the story.

The children were very proud of themselves for being co-authors of the story. They were amazed that their simple answers would become a part of the story. The activity gave them the chance to showcase their creativity and imagination, identify sequences, and boost learning. Some of the children overcome their shyness and eventually made friends.

The created story :

Si Miko, ang Mabait na Aso

May isang aspin (asong pinoy) na ang pangalan ay Miko. Madalas siyang magpunta ng parke upang maghintay ng mga itatapong pagkain galing sa mga taong namamasyal. May nakita siyang pagkain na itatapon sa basurahan at kaagad niya itong pinuntahan. Mayroon siyang nakita na hindi naubos na tinapay at agad niya itong kinuha at siya ay umalis.

Kinaumagahan, bumalik muli si Miko sa parke upang maghintay ng mga itatapong pagkain. Nang may biglang dumating na isang lalaki at akma siyang babatuhin. Sa kabutihang palad, may nakakita na isang babae at agad siyang pinigilan. Sa takot ng isang lalaki ay bigla itong kumaripas ng takbo papalayo. Sa sobrang tuwa ni Miko na may nagtanggol sa kanya, bigla itong napaluha.

Sa awa ng babae, binigyan siya nito ng buong tinapay. Ang lungkot sa mukha ni Miko ay napalitan ng saya. Pagkakuha ng pagkain, bigla itong umalis. Lingid sa kaalaman ng iba, ang mga pagkaing nakukuha ni miko sa basurahan ay pinamamahagi niya sa iba pang aspin na kagaya niya.

“KAYA KO!”
NATIONAL DISABILITY PREVENTION AND REHABILITATION WEEK MINI EXHIBIT

BY: MARYJOY P. GONZALES

The 44th National Disability Prevention and Rehabilitation Week (Proclamation No. 1870) was celebrated by the Quezon City Public Library—San Isidro Galas branch by showcasing a mini-exhibit for Persons With Disabilities (PWDs) entitled "Kaya Ko!". This mini-exhibit was done as a tribute to the improved lives of Persons With Disabilities (PWDs). This was conducted on July 15, 2022, at 1:00 pm and was participated by thirty (30) children in the community.

To begin the activity, the participants were asked to line up after registration. Ms. Maryjoy Gonzales, Head Librarian, introduced and explained the title and visual display of the aforementioned activity to the participants. The library staff started to give guided tours to the mini-exhibit and directed the participants to the pictures. Each profile of a person with a disability provides a brief overview of their noteworthy contributions to society. After a few minutes of the tour, the participants were made aware of the fact that people with disabilities or special needs do not need pitiful words because they can and may still do their best to show everyone that they are no different. The mini-exhibit ran for a week so that other library patrons who visit the facility will also see and participate in the activity.

The goal of this activity is to inspire the children of the Persons With Disabilities (PWDs) valuable contribution to society; that regardless of their disabilities, they were able to overcome them and be recognized as achievers because of their hard work.

By: Maryjoy P. Gonzales

Coconut Tree, May Silbi! An activity conducted by the Quezon City Public Library – San Isidro Galas Branch to commemorate National Coconut Week (Proclamation No. 142, s. 1987) and Made in the Philippines Product Week (Proclamation No. 76, s. 1936). The activity took place on August 18, 2022, at 1:30 p.m. and twelve (12) children from the community were present.

The song "Da Coconut Nut" by Smokey Mountains was danced by the participants, led by Ms. Richell Campo, to begin and to energize the participants for the following phase of the activity. The Head Librarian, Ms. Maryjoy Gonzales, welcomed and explained to the participants that their participation was needed to make the activity a success. Volunteers from among the participants were asked to put the different parts of the coconut tree on the board one by one and one at a time. After each body part of the coconut tree were formed, the library staff will explain to them the uses and products that parts of the coconut tree can produce. The participants actively participated in a question given to them. Snacks that contained coconut, like Pandecoco Bread, were given to all the participants. Smartbooks were also distributed after the activity. Children who were taught to love and appreciate their own products will help promote our country as a producer of high-quality products in the future.
The activity was presented in an educational and enjoyable way. Children will know how a coconut tree grows and the benefits and use of its parts and its corresponding products derived from the parts. Learning the names of the body parts of a coconut tree also helped them develop their literacy skills. Most importantly, they will learn that no part of a coconut tree is wasted because all of them are useful.

BOOKWENTUHAN SA PARKE
By: Maria Carmen C. Chua

In celebration of Literacy Month, the Quezon City Public Library – Cubao Branch held a storytelling activity at the Bernardo Park last September 13, 2022 with the theme: “Bookwentuhan Sa Parke”. The event was attended by around twenty-two (22) grade school students and out-of-school children from the community of Barangay Kamuning. Branch staff and storyteller Ms. Rosalie Teologo shared the story of “Nando Determinado”, a kid who was born with no left hand but was fond of drawing.
After we left the park, the children were ushered into the library for further interactions with them. We asked their reflections pertaining to the story told.
This activity aims to inspire young children from this heart-warming story of ‘Nando’ that inborn deformities should not define us - but it’s our dreams that will catapult us into greater heights. Story like this had drawn the attention of our young audience and it was a sure hit.

BOOK DONATION DRIVE PROJECT: WHERE BOOKS AND PEOPLE MEET
BY: ARRIANE NICOLE M. MARTINEZ

With all the advancement in technology in today’s life, the Quezon City Public Library still encourages and believes in the power of nurturing our God-given knowledge through traditional book reading since it opens our brain to different ways of processing information.

To provide a wide array of selection and reference for education and personal development to our readers, one of the existing projects of the QCPL is the Book Donation Drive which started last December 2021. This allows the community to participate in our main objective of increasing our existing book collection both in Main and Branch Libraries.

In line with this, the QCPL-Cubao Branch had conducted ways to reach the community to promote and encourage donating books to the library. From campaign announcement posted on the QCPL FB Page, request letters sent to different barangays and organizations, and installation of Book Donation Drop Boxes in different establishments nearby the library.

As of July 2022, we were able to gain regular donors who continuously support our project. Lions Clubs International 301-D2 headed by Gov. Rosario Meneses,Brgy. Pinagkaisahan headed by Brgy. Captain Graziella C. Saab,Kamuning Bakery owned by Mr. Wilson Lee Flores, Social Worker Lilian A. Baccay of BahayArugaan, SaveMore Supermarket Kamias, Sacred Heart Parish, Mt. Carmel Parish, and Ms. Nahum Ruth Chua. A total of one thousand four hundred forty-eight (1, 448) sorted and classified books and magazines were already added to our book collection for library use, all because of the heartwarming response from our generous donors.

Indeed, a testimony of the collective efforts of all the members of the community and the library.
As we always say, “Donate books and be a part of making our beloved Quezon City, a Reading City!”

QCPL CUBAO BRANCH GIVES LOYALTY CARDS AS SIMPLE TOKENS TO OUR LITTLE CLIENTS

BY MARIA CARMEN C. CHUA

The QCPL District IV Libraries Cubao and Roxas Branch gave out simple tokens to children who regularly visit the libraries. In one of our past activities, Loyalty Cards were distributed to them and every time they visit the library and read books, the staff would sign their loyalty card and after 10 visitations, they can already redeem their token reward. It's priceless to see the excitement on their innocent faces that each time they visit the library, it brings them closer to earn the coveted reward as well as enjoy the different books they love to read.

In essence, our Loyalty Card system is serving its purpose of making these little clients patronize our services and facilities and help us realize our goal of making Quezon City a 'Reading City'.

Isang makabuluhang kwentuhan sa isa sa mga sangay ng Silid Aklatan ng QCPL – ang Krus Na Ligas ng ika-apat na Distrito ng Lungsod Quezon ang naganap sa pangunguna ni G. Reymark Felipe, sa kwentong pinamagatang “Pangako, ‘Wag Ipapako”. Ito ay isinulat ni Shantal Lopez at inilathala ng Sta. Teresa Publications, Inc.

Ang aral sa nasabing kwento ay’’Dapat matuto tayong tumupad sa binitawan nating pangako sa ating kapwa, nang sa ganon ay hindi masira ang kanilang ibinigay na tiwala sa atin’’. Kaya’t halina sa ating Silid Aklatan, tangkilikin ang kahalagahan ng Libro upang manumbalik sa pagbabasa ang mga kabataan.

As part of the International Childhood Cancer Awareness Month celebration, the De La Salle-College of Saint Benilde produced a storytelling video based on the book "Ang Pambihirang Buhok ni Raquel." The book was written by Luis P. Gatmaitan, illustrated by Beth Parrocha-Doctolero and was published by Adarna House. It is a story of a girl whose hair was long and colorful—with strands of red, yellow, and blue. Little did they know the tale behind her hair was not as bright as its colors.

You can get your copy of the book here: https://adarna.com.ph/.../ang-pambihirang-buhok-ni-raquel-1

In celebration of Literacy Month, the Quezon City Public Library – Cubao Branch conducted a storytelling activity dubbed as “Bookwentuhan Sa Parke” held at the Bernardo Park. This was participated by Twenty-two (22) Elementary students and out-of-school children from the community of Bgy. Kamuning last September 13, 2022. Ms. Rosalie Teologo, one of the staff, shared about the story entitled “Nando Determinado”” written by Teacher Nhanie, illustrated by Ric Tansioco, and published by Sta. Teresa Publications, Inc.

After the storytelling in the park, the children were invited to the library to have more interaction with them. A simple Q and A was done to make sure that they understood and learned the stories told. We also entertained their other concerns to familiarize them with our library where they can have fun exploring books and other stories as well as its services.

Promotions of Book Donation Drive Campaign

One of the missions of the QCPL is to provide quality resources and services to promote the advancement of learning and literacy and to address the changing needs of the community. Consistent with this mission is the library commitment to expand the size of our book collections and other reading materials to better serve the informational and research needs of its increasing number of patrons. Thus, QCPL is intensifying its Book Donation Drive Campaign, with a theme: “Donate a Book and help feed the mind of every QCitizen”.

Strike while the iron is hot. Thus, Ms. Mariza G. Chico, OIC-QCPL, took advantage of informing a group of participants who are conducting a training, the QC Epidemiology and Surveillance for private teachers in Quezon City at the QCPL conference room regarding the Book Donation Drive Campaign of QCPL. That QCPL is accepting books and other reading materials provided that they are still in good condition and are at least 2015 and above edition. The library also accepts educational toys and board games for the use of the kids.

QCPL envisions QC to be a Reading City and be able to provide books for every QCitizens to read.

Ang dalawang sangay ng aklatan mula sa unang distrito ng ating Lungsod ay naghandog ng karunungan at naghatid ng kasiyahan sa mga kabataan na naapektuhan ng sunog mula sa Sitio 224, Don Manuel, Barangay Balingasa, na noo'y pansamantalang nananahan sa mga covered court na nasasakupan ng Brgy. Masambong at. Brgy. Balingasa.

Ang ating mga aklatan sa Masambong at Balingasa ay nagsagawa ng aktibidad na may kwentuhan, pagkukulay, at makabuluhang palaro para sa mga kabataang naapektuahan ng nagdaang kalamidad sa kanilang lugar kamakailan lamang. Layon ng ating mga aklatan na malibang ang mga kabataan sa pamamagitan ng pagbabasa, pagkukulay, at maiparamdam sa kanila na malaki ang naitutulong ng mga gawaing ito para sa kanilang mental health. Naganap ang mga aktibidad na ito nang nagdaang linggo, sa magkaibang araw. Ang Balingasa Branch noong ika-13 ng Setyembre, at ang Masambong Branch naman ay noong ika-15 ng Setyembre, 2022. Namigay din ang ating mga aklatan ng mga simpleng regalo para sa mga kabataang ito.

Ang mga aktibidad na ito ay pinangunahan ng mga aklatera ng Silid Aklatan na sina Bb. Maribel A. Alnas at Bb. Rosel Esparrago kasama sina Bb. Carla Marie S. Arceta, Bb. Mary Grace S. Manzanilla, Bb. Angie Awas, at G. Chesar Q. Paguio.
