The local government of Quezon City's Public Affairs and Information Services Department (PAISD) received two awards at the 19th Gandingan Awards, a national recognition program organized by the University of the Philippines Los Baños-UP Community Broadcasters' Society (UPLB ComBroadSoc).

This year marks the first time PAISD participated in the Gandingan Awards, earning the Major Awardee for Gandingan ng Kasaysayan, a special recognition from UPLB ComBroadSoc for its historical documentary QC: The Birthplace of Our Nation.

The 30-minute documentary, hosted by public historian Prof. Xiao Chua, explores Quezon City's significant role in Philippine history, from the Cry of Balintawak to the People Power Revolution along EDSA. It also highlights lesser-known heritage sites such as the Apolonio Samson marker and Emilio Jacinto's tomb in Himlayang Pilipino.
