WHEREAS, Quezon City affirms the constitutional recognition of the State's role in fostering a just and dynamic social order through policies that promote full employment and a rising of living, enshrined under Section 9, Article II of the 1987 Philippine Constitution;

WHEREAS, the Technical Education and Skills Development Authority (TESDA) was established to encourage the full participation and mobilization of the industry, labor, Local Government Units (LGUs), and technical-vocational institutions in the skills development of the Country's human resources;

WHEREAS, the City, through the Office of the City Mayor, is in the process of implementing City Ordinance No. SP-3118, S-2022 that generally mandated the TESDA Registered Training and Accredited Competency Assessment Centers to provide Technical-Vocational Education and Training (TVET) programs and competency assessment centers to out-of-school youth, public school teachers and students, and residents from indigent families;

WHEREAS, there is a growing need for comprehensive training programs that cover a wide range of industrial, agricultural, technological, and business skills to meet the evolving demands of the job market and to support economic development;

WHEREAS, the implementation of such training programs will contribute to the sustainable development of Quezon City, improving the quality of life for its residents by providing them with opportunities for gainful employment and entrepreneurial ventures;

WHEREAS, with the increasing challenge to successfully gain employment and livelihood, it is essential to provide quality technical-educational and skills development to empower individuals for productive participation in society and the economy;

WHEREAS, the Local Government of Quezon City believes that education and skills are fundamental factors affecting the development of a competent and skilled workforce;

WHEREAS, a City Council Resolution adopting the training programs and competency assessment to be implemented by the Quezon City Training and Assessment Centers is one of the requirements for Technical Education and Skills Development Authority (TESDA) accreditation;

WHEREAS, pursuant to Section 2(4), Article XIV of the 1987 Philippine Constitution, the City recognizes the State's role to encourage non-formal, informal and indigenous learning systems, as well as self-learning, independent and out-of-school study programs, particularly those that respond to community needs.
