A PROJECT OF THE

ADMINISTRATIVE MANAGEMENT OFFICE (AMO)

OFFICE OF THE MAYOR

2012

WHEN PLACING A CALL

- Before Calling, list down the things or item to be discussed to avoid repeat calls and save time.
- Make sure you have the correct number before dialing.
- Use your forefinger when dialing. Do not use pointed objects like pencil or ballpen.
- When somebody answers at the end of the line, make the proper greeting and identify yourself before politely stating the name of the person you wish to talk to.

WHEN RECEIVING A CALL

- Answer calls promptly and pleasantly.
- Be polite when you receive a wrong number. In the same manner when you dial a wrong number, make the other person feel you are sorry for having disturbed him. Do not just cut him off without any word of excuse.

DURING CONVERSATION

- Speak clearly and directly into the mouthpiece. Avoid chewing anything or smoking while talking.
- Always use "The Voice with a Smile".
- Try to be courteous, helpful and accommodating as you can, you make more friends of your callers.
- End the conversation pleasantly. Remember your "Thank yous" or "Goodbyes".
- Always replace the handset gently.

QC-EPWMD is mandated by legislation to provide a comprehensive environmental management program for the City which includes solid waste management and pollution control. The department's programs, projects and activities are all geared toward the attainment of the City's vision to create a clean, green and pleasant environment that is conducive to healthy city living and attracts not only the local residents but also visitors from outside the City. Specifically, the Department aims to provide an efficient City's solid waste management, air and water quality; enforce all laws, regulations and policies pertaining to environmental management; engage the public in the care , protection, preservation and promotion of the environment; establish linkages and coordination with other national and local government agencies for the promotion of environmental management programs and effective implementation of the same in Quezon City; and undertake continuing studies and researches on environmental management with the end in view of adopting modern concepts and technologies appropriate to the City in the light of existing conditions and regulations.

Created by virtue of Ordinance No. NC-86, S-89, the QC Liquor Ordinance and NC-86, S-89, the LLRB is mandated to regulate the selling, serving and dispensing and the consumption of liquor and other intoxicating beverages in Quezon City so as to help lessen criminality since the baneful effect of drunkenness if not effectively checked would disrupt the moral, undermine public order and the stability of the State. The LLRB Board is also tasked to promulgate rules, regulations, policies and guidelines that may be necessary for the proper implementation of the provisions of the QC Liquor Ordinance and the proper collection of all taxes and fees due the City from the sale of liquor and other intoxicating beverages.

Quezon City Polytechnic University is an academic institution that optimizes the use and advantages of the creativity and initiatives such as those normally experienced in a private business undertaking, complementary to higher level of responsibility and accountability expected from the management of the university. It also serves as a market-based educational institution for the technological and professional training needs of industrial and business enterprises in Quezon City, and generates models for school-to-work opportunites in preparing its students for both domestics and global economy.

The University offers various undergraduate degree programs as well as One-Year Certificate Courses.

In addition, special short-term courses in education, business, ICT and engineering are offered for those who wish to earn a diploma under the non-traditional Accelerated Bachelor's Degree Completion Program.

e-mail add: madmar1896@yahoo.com

. The Office fundamentally operates on two general services, viz, providing the Quezon City Scholarship Program and employing youth development programs. The former is accomplished by extending financial assistance to the tertiary education of graduates of Quezon City high schools and displaced students in college, especially those who are deserving yet economically challenged.

The latter is carried out by initiating consolidation of youth baseline data through continuous data gathering and study on youth situation in Quezon City that serve as basis in the formulation of Developmental Youth Agenda. It also implements projects and activities which develop social sensitivity such as youth consultations and symposia on current and other pertinent pressing issues, outreach programs, organizing networking with other youth organizations.

Ms. CELESTE E. FERRERAS
Regional Manager
Quezon City Regional Office

The GSIS is a social insurance institution created under Commonwealth Act. No. 186 that was passed on November 14, 1936. To secure the future of all employees of the Philippine government, it provides and administers a pension fund that has the following social security benefits: compulsory life insurance, optional life insurance, retirement benefits and disability benefits for work-related accidents and death benefits.

Likewise, the GSIS manages the General insurance Fund as mandated by Republic Act 696 or the Property Insurance Law. It provides comprehensive protection to government insurable interests.

The GSIS covers all government workers irrespective of their employment status, except members of the Judiciary and Constitutional Commissions who are covered by separated retirement laws; Contractual employees who have no employee-employer relationship with their agencies; and uniformed members of the Armed Forces of the Philippines and the Philippine National Police, including the Bureau of Jail Management and Penology and the Bureau of Fire Protection.

The principal benefit package of GSIS consists of compulsory and optional life insurance, retirement, separation and employee's compensation benefits.

Active GSIS members are entitled to the following loan privileges: salary, policy, emergency and housing loans, subject to the cross-default policy of the System (CLIP).

The governing and policy-making body of the GSIS is the Board of Trustees, the members of which are appointed by the President of the Philippines.

Formulates policies and plans which provide direction to intermediaries and other implementers in the development and delivery of social welfare and development services; develops and enriches existing programs and services for specific groups, such as children and youth, women, family and communities, solo parents, older persons and PWDs; registers, licenses and accredits individuals, agencies and organizations engaged in social welfare and development services; sets standards and monitors the empowerment and compliance to these standards; provides technical assistance and capability building to intermediaries; and provides social protection of the poor, vulnerable and disadvantaged sector. DSWD also gives augmentation funds to local government units so these could deliver social welfare and development (SWD) services to depressed municipalities and barangays and provide protective services to individuals, families and communities in crisis situation.

The Tariff Commission is a key adviser to the legislative branches of government on tariff and related matters, an independent adjudicatory body on trade remedy cases and an advocate of industry competitiveness and consumer welfare.

Under the Tariff and Customs Code of the Philippines (TCCP), the Tariff Commission is mandated to: develop, formulate and recommend tariff policies and programs consistent with national economic objectives; enforce and administer the tariff provisions of the Tariff and Customs Code, including the conduct of public hearings/consultations on tariff modification and issuance of classification rulings on products to be imported when not specifically classified in the Tariff Code; investigate and decide on cases of unfair trade practices of dumping and subsidization; investigate and recommend safeguard action in cases of injurious import surges under fair trade conditions; and determine contestability of local/foreign markets in the economy.
