QC Councilor Hero Bautista builds waiting shed for Brgy Pinagkaisahan

The Manila Times · 26 Dec 2021 · B4

MANY people pass the time by diverting their attention to other things such as watching videos or scrolling through social media. However, this diversion can only become enjoyable if one is in a comfortable environment. Quezon City Fourth District Councilor Hero Bautista hopes to make the wait more relaxing with the completion of a waiting shed project in Barangay Pinagkaisahan. Located near the multipurpose building, the waiting shed allows constituents to while the time away in the shade safe from the elements.
