---

WHEREAS, Quezon City continues to face significant traffic congestion which results in longer travel times, increased fuel consumption, and reduced productivity for workers and commuters;

WHEREAS, transportation is one of the major contributors to fuel consumption and carbon emissions in highly urbanized areas such as Metro Manila;

WHEREAS, encouraging energy-efficient commuting practices can help reduce the number of vehicles on the road while promoting more sustainable transportation options;

WHEREAS, programs such as carpooling systems, company shuttle services, and shared transportation initiatives can significantly reduce traffic congestion and fuel use;

WHEREAS, recent geopolitical tensions in the Middle East have raised concerns about potential disruptions in global oil supply that may lead to higher fuel prices affecting commuters and businesses in the Philippines;

WHEREAS, reducing fuel dependence through sustainable commuting programs can help cities mitigate the impact of potential fuel price increases or supply disruptions;

WHEREAS, partnerships among local government, barangays, employers, and the private sector can play an important role in promoting responsible and energy-efficient commuting practices;

WHEREAS, the Quezon City Government continues to promote policies that support environmental protection, energy conservation, and sustainable urban development.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED, to encourage, as it does hereby encourage, companies, institutions, and government offices in Quezon City to implement energy-efficient commuting programs such as carpooling, company shuttles, and other sustainable transport initiatives in order to reduce traffic congestion, conserve fuel, and promote environmentally sustainable urban mobility.

RESOLVED FURTHER, that departments of the Quezon City Government are encouraged to promote sustainable commuting practices among employees and explore programs that reduce single-occupancy vehicle use.

RESOLVED FURTHERMORE, that barangays are encouraged to help disseminate information within their communities regarding sustainable commuting options and carpooling initiatives that may benefit residents.

RESOLVED FURTHERMORE, that private sector establishments are encouraged to provide incentives, programs, or facilities that support energy-efficient commuting practices among their employees.

RESOLVED FINALLY, that copies of this Resolution be furnished to relevant business organizations, institutions, and stakeholders for their information and possible support.

ADOPTED: July 20, 2026.

CERTIFICATION

This is to certify that this Resolution was ADOPTED by the City Council on Second Reading on July 20, 2026 and was CONFIRMED on July 30, 2026.
