QC Council urges poll bets to use environment-friendly materials

Manila Times · 24 Feb 2019 · D4

MEMBERS of the Quezon City Council reminded all local and national candidates of the upcoming elections to observe the existing ordinance that prohibits the use of plastics as advertisement and propaganda materials within the territorial jurisdiction of Quezon City.

Ordinance SP- 2202 prohibits the use of polyethylene (plastics) as advertisement and propaganda materials in QC as the city's initiative to reduce wastes and encourage candidates to utilize environmentally- sound methods that could prevent pollution.

Meanwhile, Councilors Victor Ferrer Jr., Eufemio Lagumbay, Ranulfo Ludovica, Allan Francisco and Allan Benedict Reyes recently called on the city government to remove propaganda materials posted on electric wires in the city regardless of their political parties and affiliations.
