The R.I. President's Profile

Jonathan B. Majiyagbe

Jonathan B. Majiyagbe, a Senior Advocate of Nigeria, is principal counsel in J.B. Majiyagbe & Co., with a wide commercial law practice in Nigeria. Born in Lagos, he is a graduate of the University of London.

Mr. Majiyagbe is a member of the Honourable Body of Benchers, a former member of the interim judicial service committee, Kano State, a past vice president of the Nigerian Bar Association, and a member of the International Bar Association. He has served as a trustee of the Kano Lebanon Club and the Kano Club. He was a long-time Chancellor of the Anglican Diocese of Kano and is currently the Chairman, Nigerian Red Cross Society, Kano Branch. Mr. Majiyagbe is also a member of the Kano Chamber of Commerce, Industry, Mines and Agriculture.

A Rotarian since 1967, Mr. Majiyagbe is a member and past president of the Rotary Club of Kano. He has served Rotary International as district governor, International Assembly instructor, committee member, director and trustee of the Rotary Foundation. He is a recipient of the Rotary Foundation Meritorious Service and the Distinguished Service Awards.

As Chairman of the African Regional PolioPlus Committee and member of the International PolioPlus Committee, Mr. Majiyagbe is dedicated to the global effort to eradicate polio. Rotary's PolioPlus program, launched in 1985, is an aggressive public/private partnership to assist international health agencies and governments to certify the world as polio-free by the year 2005, Rotary's centennial anniversary. By that year, Rotary will have committed nearly a half billion US dollars to the eradication effort. To date, more than two billion children have been immunized against the deadly poliovirus.

MESSAGE

Dear Rotarians,

Rotary is known for a membership that actively engages in service. My theme for this Rotary year, *Lend a Hand*, describes an action that is simple and natural to Rotarians. The theme also reminds us of the important service each of us can render to help anyone, anywhere. We can lend our hands to support those in our communities, our vocations, our world, and our clubs.

I also encourage you to participate in a concept I call the Family of Rotary, in which Rotarians *Lend a Hand*, to each other and to those touched by Rotary's many programs and activities through club development & fellowship activities.

To make progress toward a world without conflict, without poverty, and without ignorance, our clubs must be strong, with qualified and enthusiastic men and women in our ranks. We continue to *Sow the Seeds of Love* every time we reach out to *Lend a Hand*. By our personal involvement and by working together, one hand can become many and there's no limit to what the helping hands of Rotary can accomplish.

Sincerely,

JONATHAN B. MAJIYAGBE
President, 2003-2004

The District Governor's Profile

Roberto "Bobby" F. Viray

Roberto F. Viray was born on July 30 in Bangar, La Union. A consistent honor student during his elementary and high school years, Bobby graduated Magna Cum Laude in Accounting at the University of the East. Thereafter, he pursued a Master's Degree in Business Administration at the Ateneo Graduate School. He placed 3rd in the 1973 Board Examinations for Certified Public Accountancy.

Bobby has found that one of the secrets of self-fulfillment is sharing himself and his resources through opportunities he discovered as a Rotarian after his illustrious Jaycees years. Since the time Bobby joined the Rotary Club of Cubao West as a Charter Member in 1985, "selfless service" has become synonymous to his name.

The recipient of numerous club and district awards before, during, and after his Club Presidency (1993-1994) and after having been appointed to various district positions, our District gave him the highest accolade: the District Governorship in RY 2002-2003.

Reforms for the betterment of the Clubs and the District were implemented that same Rotary year and were translated to great accomplishments. Membership average per Club increased and a record contribution to The Rotary Foundation among others, were achieved.

The District gave him an unprecedented 2nd term as District Governor after an untimely vacancy in the position, a glowing proof of its trust and confidence in Bobby's leadership.

Bobby is currently the Chairman of the Board of various manufacturing and trading companies and is also into real estate leasing.

He is married to the former Ma. Cecilia "Echel" Oppus and the couple is blest with four children: Paolo, Anthony, Benjamin and Claire.

District 3780

MESSAGE

Dear Fellow Rotarians,

To guide us during our year together, we are asked to "Lend a Hand." I believe it eloquently captures the Spirit of Rotary. This simple gesture is all that is needed to transform a person's life.

I ask you to work together so one hand can become many, as we work together to alleviate the sufferings of thousands in our community.

Let us begin our year with our hands outstretched, ready to help our brothers and sisters in need. Working together, there is no limit to what the helping hands of Rotary can accomplish.

My Spouse Echel and I congratulate you as we all lovingly "Lend a Hand" to our club, our vocation, our community, and our world.

Yours in Rotary

ROBERTO "Bobby" VIRAY
District Governor

ROTARY INTERNATIONAL
District 3780, Quezon City

MESSAGE

May I congratulate the officers and members of the Rotary Club of Loyola Heights on the occasion of their induction and oath taking tonight at the Celebrity Sports Club. Over the years, your club has shown extra-ordinary growth in membership and exemplary strength in your resolve to serve mankind the way Rotarians do.

I look forward to working with you to continue your service to mankind and promote the ideals of Rotary in the community where we belong.

I wish President Jess Cifra and his officers all the blessings and guidance of the Almighty so you may lead your club to greater excellence.

GOD BLESS and Mabuhay!

FRANCISCO A. RIVERA
Assistant Governor

ROTARY CLUB OF LOYOLA HEIGHTS
District 3780, Quezon City

MESSAGE

Ann Vicky and I extend our warmest felicitations to the incoming officers led by the revered and passionate community leader, Jess Cifra. President Jess and his team take over the reins of leadership of a club that continues to be filled with enthusiasm and dynamism. Indeed, it has been a long way since the RCLH's inception fourteen years ago. Through the years, the Club has developed magnanimous and effective leaders who voluntarily dedicate their talents, time, energy and resources for the advancement of people, particularly the underprivileged.

Allow me to express my profound gratitude and appreciation to all my co-officers and members for the past Rotary year. It has been a distinct honor to lead a robust organization that has been responsive, credible and innovative in sowing the seeds of love and providing varied humanitarian services to the community and the nation.

To the District Officers, the Loving Presidents, and Council of Past Presidents, thank you for the unfailing support and cooperation in all our undertakings for RY 2002-2003. You were our source of strength and inspiration.

Moreover, let me extend my sincere gratitude to our respective families, friends and benefactors for being our partners in service.

We look forward to another fruitful and blessed Rotary year. Let us all reaffirm our collective commitment to help build a better world through acts of kindness as we all "Lend a Hand."

IPP ENRIQUE "Henry" F. CORALEJO
Rotary Club of Loyola Heights

The Club President's Profile

Jose "Jess" Q. Cifra

Jess was born in Manila, but grew up in Batangas City, his mother's hometown. It was there where his parents, Apolon Cifra, from Pasay City, and Soledad Quinio raised him and his older brother, Edgardo, and where, too, the family had engaged in business and agriculture.

Jess went to St. Bridget's College in Batangas City for his elementary education and to De La Salle High School in Lipa City for secondary education. In both schools, he was a consistent honor student and a recipient of several awards. He took up Bachelor of Arts, major in Economics and Bachelor of Science in Business Administration, major in Business Management at De La Salle University, and was a recipient of the Jose Rizal Honors Awards throughout. Subsequently and while already working, he took up Masters in Business Administration, also at De La Salle University.

Jess was for a long time a banker. In Ayala Investment & Development Corporation, where he started, and Bank of the Philippine Islands, with which the former was eventually merged, he was involved in economics and corporate research, international operations and overseas banking, credit, corporate and correspondent banking and remittance business. His job took him to several training programs, notably at Citibank N.A., Chase Manhattan Bank N.A. and other reputable institutions here and abroad, and to work assignments in the U.S. and in different countries in Asia, the Middle East and Europe. His most significant foreign postings where in Hongkong, as acting deputy managing director of BPI International Finance Ltd. and in Italy, where he founded and served as managing director of BPI Remittance Centre (Europe) S.p.A.

He has since shifted to his own business endeavors, namely, as managing director of Subic Access Systems Corp., engaged in maintenance and repair of vessels, mostly international oil tankers and cargo ships; and as vice president and treasurer of Galleon Appraisal & Corporate Services, Inc., a company owned by former executives of the Bank of the Philippine Islands that handles, principally, banking operations being outsourced by the bank.

With a passion for community service, he has been serving and was in fact only recently re-elected president of the Alliance of Quezon City Homeowners' Associations Inc., the largest federation of subdivision officials in Metro Manila, if not the country. Likewise, he is a two-term vice president of the Quezon City Chamber of Commerce and Industry. He and his wife are chapter leaders of the Couples for Christ.

A Rotarian for barely 1½ years, Jess has shown the qualities of leadership, commitment and competence that earned him the club's recognition of Most Outstanding Baby Rotarian in his first year, and more importantly, of being his peers' unanimous choice for club president when the unexpected need for one arose just three months prior to his term of office. He participated in last year's international convention in Barcelona, Spain and the zone institute in Manila. In the U.S., he called on Rotary International's key officers and staff at One Rotary Center in Evanston, Illinois and visited seven Rotary clubs in California that resulted to two of them becoming Rotary Club of Loyola Heights' sister clubs. On top of them all, he conceptualized and up until the present has been supervising the implementation of the club's centennial community service project of building 100 homes for Quezon City's poorest of the poor over the period from January 2003 to February 2005. Adopted as the district's centennial project in the last District Conference, it has accounted for 20 homes so far and awarded in two separate occasions the district's Significant Achievement Award and Best Project in Community Development Award.

Jess is married to the former Helen Sulit, a classmate of his since Grade 3 (except in high school though) and who works currently as the country sales manager of Moneyline Telerate, a global information and transaction service provider. They have been blessed with three boys: Andre, a medical student at the University of the East-Ramon Magsaysay Medical Center; Marc, who is taking up architecture at Pierce College in California, U.S.A; and Don, a 3rd year high school student at the Ateneo de Manila University.

ROTARY CLUB OF LOYOLA HEIGHTS
District 3780, Quezon City

MESSAGE

It is a great honor for one to be chosen to lead a Rotary Club. It is even a greater honor, and indeed a rare privilege, when he is chosen as a consequence of a rather unusual circumstance.

Truly, I am humbled to have been elected by my esteemed colleagues from the Rotary Club of Loyola Heights in response to an urgent need, barely three months before the term of office. This becomes all the more significant when one considers that I became a Rotarian only a year-and-a-half ago.

I therefore extend my heartfelt gratitude to the past presidents and all the members of the Rotary Club of Loyola Heights for entrusting me with the position.

With the members' unwavering commitment to Rotary and the solidarity that has always prevailed in the Club, I know I can count on my colleagues' continued support and that during the coming year, RCLH's fifteenth, they will fulfill the Club's mission to serve God and fellow-men with the same level of excellence, dedication and unselfishness that they have consistently shown through the years.

I join my fellow officers, directors and members in the pledge to do their best and be one with all in Rotary to **Lend a Hand** in our club, in our vocation, in our community and in the world.

Sincerely,

JOSE "Jess" Q. CIFRA
President, 2003-2004

The President's Family

History of the Rotary Club of Loyola Heights

(1989 to present)

The information leading to the organization of the Rotary Club of Loyola Heights (RCLH) was initiated by the Rotary Club of Diliman through the Club Extension Committee in October, 1987. The District Governor then was Jesus "Jess" Laxamana and the District Governor's Special Representative (DGSR) was PP Edward Taylor of RC Diliman. Residents of Loyola Heights and nearby areas were invited to the numerous organizational meetings held at Mr. Steak Restaurant.

On December 1, 1987, the final organizational meeting was held at the residence of Mr. Tony De Joya. Nine directors were elected namely: Tony de Joya, Ado Aganon, Larry Iguidez, William Veto, Pepelu Zabala, Mike Cruz, Hans Severino, John Martin and Baby Meneses. On the advice of DG Jess Laxamana, the directors decided to postpone the election of club officers to a later date.

In 1988, District Governor Tony Pascual sent a new DGSR, PP Bimbo Salazar (now Past District Governor) of RC Diliman who, together with the other charter members finally completed the roster of officers and directors of the provisional club namely, Larry Iguidez as Charter President, Mike Cruz as Vice President, Baby Meneses as Secretary, Pepelu Zabala as Treasurer and John Martin, George Reyes, James Simons, Eddie Ng and Gerry Aquino as Directors. The application for membership with Rotary International was filed on November 28, 1988.

On January 4, 1989, the Rotary Club of Loyola Heights was chartered as a member of Rotary International. The charter presentation and induction ceremony was held on March 10, 1989 at the Italian Village Restaurant along Quezon Boulevard. The Night Chairman was then DGSR, PDG Bimbo Salazar, charging was done by then IPDG Jess Laxamana. Then DG Tony Pascual inducted the charter members led by CP Larry Iguidez. The guest speaker was Rev. Joaquin G. Bernas, President of the Ateneo de Manila University.

Under the leadership of CP Larry Iguidez, the club's Rotaract club was formed and the officers inducted in June 30, 1990. The club's first fund raising activity, a Bingo Social netted P 33,000.00 for the club. A housing project for the blind, through Ephpheta's Fr. Jess Fernandez, also a charter member, was completed that year. The club also hosted its first GSE teams from Canada and the USA.

Edilberto "Ed" Ng was the second club president for RY 1990-91. Ed Ng was inducted by then DG Jose "Pete" Morales, Jr. on July 18, 1990 at the Celebrity Sports Plaza, Capitol Hills, Quezon City. That year a Career Information Conference was conducted and donations to fire victims and earthquake victims were made. The club also participated in a district project — the Drug Abuse Prevention Seminar. Other projects for that year included a donation of medicine to blind families in Antipolo, financial support, single blind girls dormitory at Ephpheta Center and tree planting at Xavierville Park.

The third club president, RY 1991-1992 was Jack Q. Yu who was inducted by then DG Armando "Manding Gonzales followed by Antonio "Tony" Garcia for RY 1992-93. He was inducted by then DG Bimbo Salazar. Alfredo "Fred" Solomon, the fifth club president, RY 1993-94 was inducted into office by then DG Mario "Mar" Nery on August 9, 1993 at the Celebrity Sports Plaza. Among the projects collectively completed in these periods were: Blessing of 3 Housing Units for the Blind - Dec. 3, 1991, Alay Lakad Q.C. Hall-Feb. 23, 1992, participation in the National Immunization Day - April 21, 1993 (Polio Plus), sponsoring of 14 trainees to a Computer Education Program, sponsoring a contestant to the Voice of our Youth National Oratorical Contest, Lumang Goma Bagong Biyaya Project Donation of 200 old Tires for local parks.

The sixth club President, RY 1994-95 was Ramon "Mon" L. Peralejo who was inducted on August 1, 1994 by then DG Oscar "Oca" Inocentes at Cravings Restaurant, Katipunan Avenue. The first Mass Wedding was held this year. The club also initiated a Water & Electrical Improvement Project for Batino Elementary School, installed Rotary 4-Way Test Signs and conducted a Rotary Information Dissemination - (Sharing Rotary Magazines to others).

The seventh club President, RY 1995-96 was Danilo "Danny" Constantino who took his oath of office before then District Governor Efren Lim at the Capitol Hills Golf and Country Club. The club projects that year included Vocational - Quilt Making/Jewelry Making, a Dental Outreach project, and a Bingo-Social fund-raising.

Jose Ramon "Boy" Baua was the eighth club President, RY 1996-97 and inducted into office by then DG Manuel

"Manoling" Monroy at the Capitol Hills Golf and Country Club. Among the projects under Pres. Boy included the rehabilitation of the Batino Elementary School Water System and a special fund-raising concert at Limits Entertainment Hall led by neophyte Rotarian Bobby Bolaños.

The ninth club President was Jesus "Jess" Birosel. He was inducted into office by then Gov. Gil Divinagracia on August 18, 1997 also at the Capitol Hills Golf and Country Club. Among the projects completed this year were the annual Mass Wedding, Saturday Teach-in Preschool Project and the Livelihood Training for women. The Barangay Library project was launched this year.

The tenth President, RY 1998-99 was Jose "Joe" Baradi. He was inducted into office by then DG Nemesio "Nemie" Peralta on July 4, 1998 at the U.P. Theater, Diliman, Quezon City followed by a separate induction of officers and directors on September 14, 1998 at the Albergus Restaurant in Capitol Hills. The Saturday Teach-in Preschool program in cooperation with Miriam Child Development and Education Circle, through honorary Rotarian Mely Villanueva was launched this year. This has since become a continuing impact project of the club. The cleaning of the Loyola Heights creek is a major project receiving media coverage.

On July 1, 2002, the 11th club President, Jesus "Jess" Jacobe was inducted into office by then DG Mojamito "Mo" Libunao at the Grand Ballroom of the Manila Hotel along with the other club members who were appointed as District officers. A separate induction for the incoming officers and directors was held at the Aurora Milestone along Aurora Boulevard. It was during the same year that PP Boy Baua became Assistant Governor and PP Joe Baradi as Assistant Governor's Representative. Fr. Jess Fernandez became the first District Chairman for Disaster Relief.

On July 10, 2000, the 12th President of the RCLH Roberto "Bobby" T. Bolaños was inducted by then DG Hermogenes "Hermy" Jarin at the Cabalen Restaurant, Blue Ridge, Quezon City. The Adopt a Library Project and Book Donation was launched during this term. Its book donations have grown from 5000 to 11000+ this past Rotary year. The High speed sewing machine operation, tailoring and dressmaking project was also launched this year after the ground works were completed the previous Rotary year. To date more than one hundred trainees have received training and income opportunities from this project. A sister club agreement was forged with the Rotary Club of Wawoo, South Korea, culminating in a club visit and donation of US$1000.00 for club projects. It was also during this year that the District Disaster Committee headed by Dir. Fr. Jess Fernandez donated one hundred thousand pesos to the victims of the Payatas landslide from contributions given exclusively by the club members.

On July 16, 2001, the 13th club President, Jesus "Jesse" M. Tanchanco, Jr. was inducted into office together with his officers and directors by DG Danilo "Danny" Reyes at the Celebrity Club, Capitol Hills Drive, Quezon City. The club pursued its continuing impact projects this year garnering major awards and recognition. Pres. Jesse Tanchanco was nominated Outstanding club president. The most significant project for this year was the sponsoring of the club's first Rotary Club, the Rotary Club of Eastwood with no less than District Governor Danny Reyes' spouse Lynda as charter president.

On July 15, 2002, the 14th club President, Enrique "Henry" F. Coralejo, as well as his officers and directors were inducted into office by DG Roberto "Bobby" Viray at the EDSA Shangri-la Hotel, Ortigas Center, Mandaluyong City. The club has been growing steadily through the years and this year it reached the 50 mark. Among the noteworthy projects accomplished this Rotary year was the Centennial Housing Project headed by incoming president Jess Cifra — a project to build 100 low cost houses for the poor in anticipation of Rotary's Centennial celebration. So far eighteen houses have been erected. The club also singlehandedly undertook its first major district project — the hosting of the District Assembly. This affair was widely recognized by many Rotarians as the most organized district function in recent memory. This year the club won numerous citations including major awards as the most outstanding club in Club service, most outstanding club in Vocational Service and most outstanding Rotary club of the district. President Henry was chosen most outstanding club president for this Rotary year.

Tonight, the 15th club President, Jose "Jess" Q. Cifra, together with his officers and directors will be inducted into office by second term governor DG Roberto "Bobby" Viray at the Grand Ballroom of the Celebrity Club, Capitol Hills Drive in Quezon City. This year's Rotary theme is "Lend a Hand."

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his or her occupation as an opportunity to serve society;

THIRD: The application of the ideal of service by every Rotarian to his or her personal, business and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men and women united in the ideal of service.

ANG LAYUNIN NG ROTARY

Ang layunin ng Rotary ay pasiglahin at itaguyod ang simulain ng paglilingkod bilang batayan ng mahalagang gawain at higit sa lahat upang pasiglahin at itaguyod:

UNA: Ang pagpapaunlad ng mabuting pagkakaibigan bilang pagkakataon tungo sa paglilingkod;

PANGALAWA: Ang mataas na pamantayang etikal sa negosyo at mga propesyon; ang pagkilala sa kahalagahan ng lahat ng makabuluhang hanapbuhay; at ang pagbibigay-dangal ng bawat isang Rotarian sa kanyang hanapbuhay na isang pagkakataon upang mapaglingkuran ang lipunan;

PANGATLO: Ang pagpapairal ng simulain ng paglilingkod ng bawat Rotarian sa kanyang buhay pansarili, pangnegosyo at pamayanan;

PANG-APAT: Ang pagsusulong ng pandaigdigang pag-uunawaan, mabuting pagkakaibigan at kapayapaan sa pamamagitan ng pangkalahatang pagsasama-sama ng mga negosyante at mga propesyonal na nagkakaisa sa simulain ng paglilingkod.

THE FOUR-WAY TEST
Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

ANG APAT NA PANUKAT
Ng anumang ating iniisip, sinasabi o ginagawa:

1. Ito ba'y KATOTOHANAN?
2. Ito ba'y MAKATARUNGAN sa lahat ng mga kina-uukulan?
3. Ito ba'y makalilikha ng MABUTING PAKIKISAMA at higit na MATALIK na PAGKAKAIBIGAN?
4. Ito ba'y KAPAKI-PAKINABANG sa lahat ng mga kina-uukulan?

Rotary Club of Loyola Heights
ACCOMPLISHMENTS, RY 2002-2003

ANNUAL MASS WEDDING

Each year the club sponsors free wedding and reception for qualified indigent couples who are living together but have not received the Sacrament of Matrimony. So far the club has married more than a hundred and twenty couples in the last seven years.

EPHPHETA FOUNDATION TRAINING FOR THE BLIND

Each year the club sponsors training to selected blind individuals to provide them with marketable skills and self sufficiency. Headed by Foundation Chairman Dir. Fr. Jesus "Jess" Fernandez, a priest by vocation, this project has been ongoing since the formation of the club fourteen years ago.

LITERACY AND NUMERACY PROJECT

The club conducts classes for pre-school aged children of the poor every Saturday at the Barangay Chamberetta. This continuing impact project is co-sponsored by Miriam College Child Development and Education Circle under the guidance of honorary member Mely Villanueva.

ADOPT A LIBRARY AND ANNUAL BOOK DONATION PROJECT

In RY 2000-01, the club launched the Adopt a Library and Book Donation Project to help the Quezon City Main Library and its seventeen branches. Tapping the resources and contacts of the club's two book publishers, IPP Henry Coralejo and PE Raymund Catabijan, 5000 books were donated not only to the public libraries but also to deserving public schools in Metro Manila and in the provinces. Some of the books reached as far as Muslim Mindanao. This year the donated books reached 11,000 with the publisher's association pledging to make it an annual project.

HIGH SPEED SEWING MACHINE OPERATION, TAILORING AND DRESSMAKING PROJECT

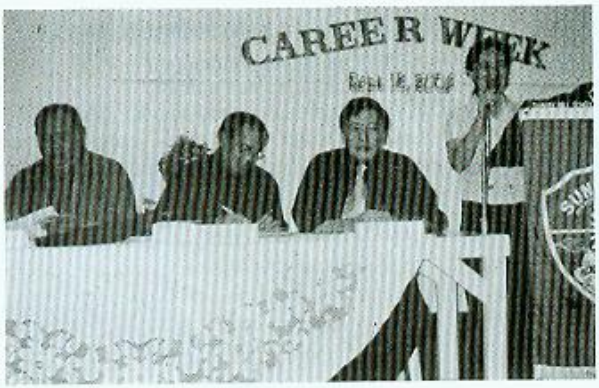
In cooperation with Miriam Adult Education Program, a partner in service, this project aims to provide skills training to qualified indigent trainees. The course duration is three months at four hours per day, five days a week. The venue, trainer, materials and equipment are all provided free of charge. A completion certificate is awarded at the end of the course and job placement assistance is also provided.

PROJECT MATHEW FEEDING PROGRAM

Twice a week for the duration of the school year, two hundred grade school pupils from Batino Elementary School and Project 3 Elementary School receive nourishment for both the body and spirit. Volunteer workers and Rotarians assist major sponsor Pilipinas Dravo Corporation, through Vocational Service Director Isaac "Bong" David, in providing catechism classes and meals to undernourished students of these public schools.

SENIOR CITIZEN PROJECT

Club elder and Community Service Director Caling Torres heads this project for the senior citizens of the community. This year Bonsai making, seminars on health and other programs were undertaken in this project.



CAREER WEEK

Each year the club members are invited to share their insights and experiences about their work or business to graduating students of Sunny Hill School to help them decide on what career paths to take as they enter college. The programs prove to be very educational to both speaker and students.

GROUP STUDY EXCHANGE HOSTING

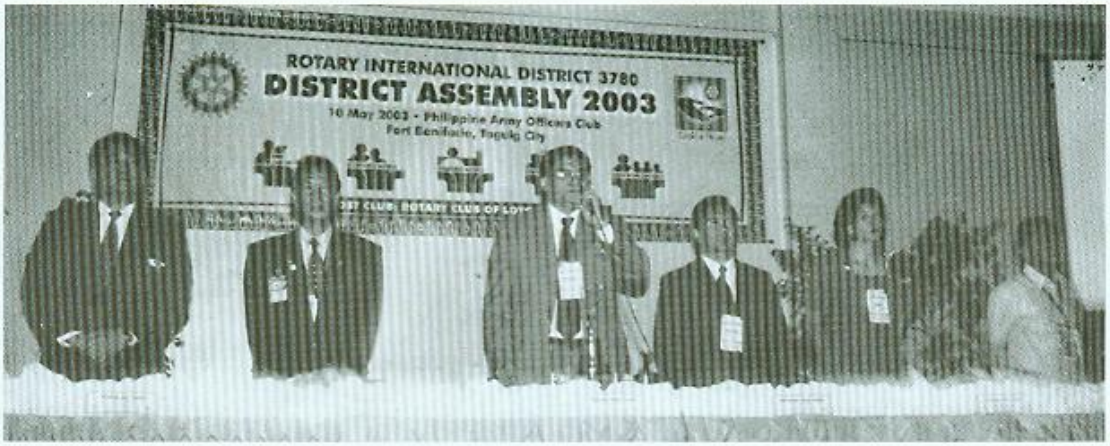
Every year the club hosts the inbound GSE teams from other countries. This year, the club hosted the GSE teams from West Virginia and Mexico for a day of orientation on the various club projects and a night of fellowship.

CENTENNIAL HOUSING PROJECT

This year the club, led by Project Chairman Jess Cifra, embarked on an ambitious community service project in anticipation of the 2005 Centennial celebration of Rotary International. The project goal is to construct 100 low cost houses for the poor residents of Bagong Silangan, a garbage scavenger colony in Quezon City. In partnership with Gawad Kalinga — a division of Couple's for Christ, a Christian organization and other Rotary clubs in the district and abroad, eighteen houses have so far been constructed since the project was inaugurated.

INTERCITY MEETINGS

The club co-hosted two intercity meetings this year. Former State Prosecutor Jovencito Juno and Congresswoman Imee Marcos were the guest speakers in the said affairs.



DISTRICT ASSEMBLY

The club sponsored a major district event, the District Assembly for the incoming Rotary Year. It proved to be a great challenge but the club was able to implement it with resounding success.

DISCON

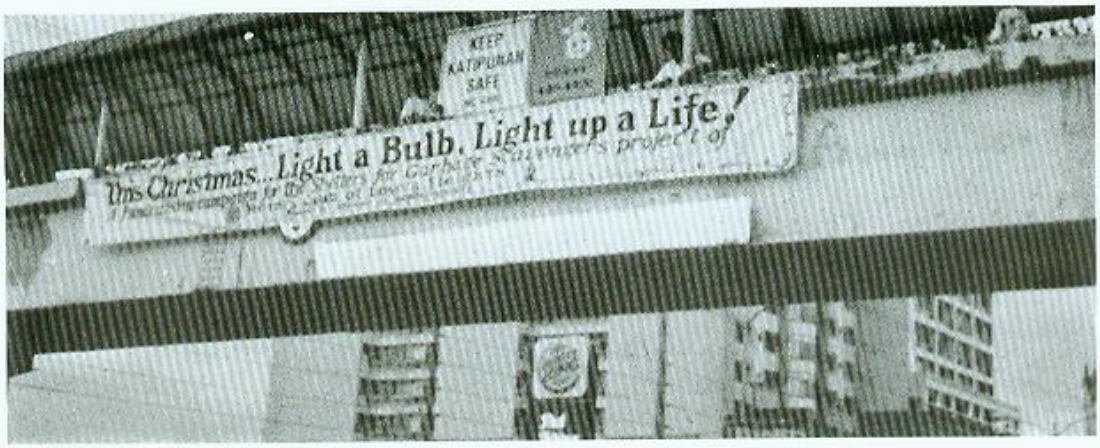
Each year the club sends delegates to all district affairs. This year the club brought a big delegation to the distict conference in Subic and won awards for participation.

OUTREACH PROJECTS

The club participated in many outreach projects with other organizations. This year the club participated in the Eye Clinic project of the barangay and Dengue prevention seminar.

PAUL HARRIS FELLOWS

This year as promised by Pres. Henry, three members became Paul Harris Fellows. In its 14 years of existence, the club has produced twenty-one Paul Harris Fellows.



LIGHT A BULB, LIGHT UP A LIFE PROJECT

This project was conceived last December 2002 to raise funds for the Centennial Housing project of the club, though the project implementation was a little late in the Christmas season. The project still generated more than fifty thousand pesos for the housing project.

Paul P. Harris, 1868-1947

Paul P. Harris, a lawyer by profession, was the founder of Rotary, the world's first and most international among the service clubs. Born in Racine, Wisconsin, USA on 19 April 1868, Paul was the second of six children to George N. Harris and Cornelia Bryan Harris. At age 3 he moved to Wallingford, Vermont where he grew up in the care of his paternal grandparents. Married to Jean Thompson (1881-1963), they had no children. He received an LL.B. from the University of Iowa and received an honorary LL.D. from the University of Vermont.

Paul P. Harris worked as a newspaper reporter, a business teacher, stock company actor, cowboy, and traveled extensively in the U.S. and Europe selling marble and granite. In 1896, he went to Chicago to practice law. One evening, Paul visited the suburban home of a professional friend. After dinner, as they strolled through the neighborhood, Paul's friend introduced him to various tradesmen in their stores. It was here that Paul conceived the idea of a club that could recapture some of the friendly spirit among businessmen in small communities.

On February 23, 1905, Paul Harris formed the first club with three other businessmen: Silvester Schiele, a coal merchant; Gustavus Loehr, a mining engineer; and Hiram Shorey, a merchant tailor. Paul Harris named the new club "Rotary" because members met in rotation at their various places of business. Club membership grew rapidly. Soon Paul Harris became convinced the Rotary Club could be developed into an important service movement and strove to extend Rotary to other cities.

Paul was also prominent in other civic and professional work. He served as the first chairman of the board of the National Easter Seal Society of Crippled Children and Adults in the USA and of the International Society of Crippled Children. He was a member of the Board of Managers of the Chicago Bar Association and was their Representative at the Congress of Law at The Hague. He was also a committee member of the American Bar Association. He received the silver Buffalo Award from the Boy Scouts of America for distinguished service to the youth, and was decorated by the governments of Brazil, Chile, Dominican Republic, Ecuador, France and Peru.

Paul maintained his law office for most of his life. He spent much time travelling and was a highly sought-after speaker at various Rotary functions. When President Emeritus Paul Harris passed away on January 27, 1947 his dream had grown from informal meetings of four to some 6,000 clubs. In five decades, the organization has grown to more than 27,500 clubs with 1.23 million members brought together through Paul Harris' vision of service and fellowships.

The most important step to promote voluntary giving to the Rotary Foundation occurred in 1957, when the idea of Paul Harris Fellow recognition was first proposed. Although the concept of making US$1,000 gifts to the Foundation was slow in developing, by the early 1970's, it began to gain popularity. The distinctive Paul Harris Fellow Medallion, lapel pin and attractive certificate have become highly respected symbols of a substantial financial commitment to the Rotary Foundation by Rotarians. By 1998 more than 625,000 Paul Harris Fellows and 215,000 Sustaining Members have been added to the rolls of the Rotary Foundation.

Paul Harris Fellow recognition provides a very important incentive for the continuing support needed to underwrite the many programs of the Rotary Foundation that build goodwill and understanding in the World.

Centennial Community Service Project

The Star Homes

Background

Poverty is one of the gravest problems facing the Philippines today. By the most recent estimate, more than four million Filipino families are either homeless or live in substandard homes.

The problem of poverty is big, but it is not insurmountable. It is serious, but it is not unsolvable. Especially when every caring brethren stakes himself in seeking for solutions and contributes his share, no matter how small, to the task of helping the impoverished, of lifting the downtrodden, of building the nation.

The Garbage Scavengers in Bagong Silangan

There is a small section called Brookside in Barangay Bagong Silangan in Quezon City, the largest city in Metro Manila, Philippines. Brookside is in the deep edge of a wide tract of land on which a cluster of residential subdivisions for the affluent ones rest. So-called because running across Brookside is an unnatural brook of a mixture of rainfall and sewage from the subdivisions upland.

In 1997, the Franciscan Missionaries of Mary bought three parcels of land measuring 5,000 sq. m. in all in Bagong Silangan. The name of the place (New East, symbolically connoting a New Beginning) proved providential for the FMM Sisters meant it to be the new home for fifty-seven garbage scavenger-families from a distant place in the city who were evicted from there — in the last of three times, violently.

Since then, the FMM Sisters have unceasingly taken care of the garbage scavengers, which have grown to a hundred and ten families by now. They installed deep wells for the families' water requirements, organized a mother's sewing club, and have been providing for a daily feeding program for the children who go to a nearby public school. The Sisters led them too in putting up a neighborhood association and a consumers' cooperative.

The Project

The **Rotary Gawad Kalinga Star Homes** is a response to each and every caring brethren's mission to bring back the dignity of one who lives in poverty so that once again he may enjoy the right to live decently, own a home and provide for his family.

The **Rotary Gawad Kalinga Star Homes** is a gift of a shelter each to fifty garbage scavengers from Bagong Silangan.

Rotary International **The Rotary Foundation**

They make up the second tranche of a hundred homes that several clubs belonging to the Rotary International District 3780, led by the Rotary Club of Loyola Heights, and other Rotary Clubs in the Philippines and abroad, with matching grants from The Rotary Foundation, will build over a period of three years as their Centennial Community Service Project to commemorate Rotary International's historic one hundredth anniversary in 2005.

The initial tranche of twenty homes, called the Rotary Gawad Kalinga Loving Homes was completed during the Rotary Year 2002-2003.

With the RI theme this year, the Rotary Star Homes is a fulfillment of every participating Rotarian's mission to LEND A HAND.

MANILA BULLETIN
THE NATION'S LEADING NEWSPAPER

'Loving Homes' show how Rotary, CFC can achieve by working together

Manila Bulletin headlines Loving Homes Project, March 27, 2003

Partners in Service

Franciscan Missionaries of Mary

The care that the Franciscan Sisters bestow upon the Bagong Silangan community never seems enough. Upon completion of the shelters that the Rotary will build, the Franciscan Missionaries of Mary will transfer ownership of the land on which the houses stand to the beneficiaries. The Rotary Star Homes for the fifty beneficiaries will thus consist of house-and-lot packages in their name, properties they will hence call their own.

Couples for Christ

The lay Christian organization, **Couples for Christ**, will continue to give the community the pastoral and physical care it has provided since starting a presence in Bagong Silangan. In the coming days, as part of its nationwide Gawad Kalinga (Caregiving) program, CFC will continue to conduct spiritual and value formation seminars for couples and single adults and camps for teen-agers and young children. It too will organize medical missions and livelihood programs and may consider opening a nursery school in the area, which will include feeding and hygiene education programs for the school children. These will ensure that the meaning and value of the Star Homes to the families who will own them will be encased in permanence over generations.

Completed Homes

First Batch of 5 houses

Inauguration: March 12, 2003

The houses were sponsored by the Rotary Club of Loyola Heights

2nd Batch of 8 houses

Inauguration: April 12, 2003 (A month after the 1st batch). Sponsors: Rotary Club of Diliman;

LSC TUTORIAL and REVIEW

The Loyola Student Center

GIVES YOU THE EDGE!

At LSC, we strive to exceed your expectations.

VISION

We will be one of the country's premier centers for educational and intellectual pursuits. Our goal is not only to uplift the students' intellectual capabilities but also help them acquire and develop the right attitude and skills to assist them in their continuing search for knowledge. We aim to contribute to the improvement of our country's present level of education by providing students with the latest methodologies and trends comparable to those of advanced countries. We are also committed to make this a reality through our Teacher Development Program that aims to help teachers continuously grow in their profession in order to make them more effective and responsible in shaping the minds of the youth.

MISSION

To fulfill our vision, we shall endeavor to render the highest quality of review and tutorial services, maintain a well-trained and competent teaching and administrative staff, continuously improve and update our books and materials, offer development training to teachers nationwide, and provide an environment conducive to learning and higher intellectual goals.

WORKING PRINCIPLE

"Whatever you do, work at it with all your heart as working for the Lord and not for men." Colossians 3 : 23

COMMITMENT

Since 1986, more than 12,000 students have gainfully experienced our tutorials, summer enrichment programs, and entrance exam reviews. A good majority of them have qualified to the university of their choice.

Every summer since 1999, the Rotary Club of Loyola Heights, in cooperation with LSC, grants college entrance test review scholarships to incoming fourth year students desiring to enter the top universities of Metro Manila. Several of our past scholars have qualified to the University of the Philippines.

For the first time this year, LSC provided free college entrance test reviews to the *Tulong-Dunong* scholars of Ateneo de Manila University. Also now on its second year, the Ford Foundation, through the Ateneo's Pathways to Higher Education Program has made LSC the official college entrance test review center for its 40 yearly scholars from Payatas and Loyola Heights.

LSC also offers full or partial tuition scholarships to students from science high schools and public high schools. Students from private schools who belong to the upper 5% of their batch and who cannot afford to pay the full tuition cost of LSC's review program can also apply for scholarship. LSC reserves the right to determine the extent of a student's need for financial assistance.

A building that will house a teacher development center will be inaugurated in October 2003 in Vista Verde, Cainta, Rizal. The building will be a training venue for mathematics, science, and English teachers during the summer or on weekends of the school year. The teacher-training program will be manned by U.P. Diliman, Ateneo de Manila, and Silliman University faculty members. It will also be a home to the International Math Olympiad trainees.

Offerings:

- Tutorials (all levels)
- High School Entrance Test Review
- Science High School Entrance Test Reviewer
- Comprehensive College Entrance Test Reviewer
- SAT, GMAT, TOEFL, LAE, GRE

High School and College Entrance review books available at all National Book Store branches.

Republic of the Philippines
OFFICE OF THE PRESIDENT
Philippine Charity Sweepstakes Office

Mapagkalinga...

Ganyan ang Pilipino, Ganyan ang PCSO.

Pagkakawanggawa ang naging
batayan ng Philippine Charity
Sweepstakes Office nang
ilunsad ang Sweepstakes at Lotto
para sa mga nangangailangan.

Noon at ngayon, nangunguna ang PCSO
sa larangan ng kawanggawa.

PCSO, Handog ng Pilipino sa kapwa Pilipino.

WHICH LANGUAGE IS YOUR CHOICE?

French: Think of *Gay Paree* and imagine yourself conversing vibrantly with the sophisticated flaunt. FRENCH, the mark of distinction and culture. Speak FRENCH and have that "savoir faire". Thru our exclusive audio-lingual way. The tried-and-tested way.

Mandarin/Fookienese: With two billion Chinese the world over you just can't miss them. Be it in Hongkong, Ongpin, Singapore, Taiwan or Peking, speak their language and you're instantly a friend. Speak it and clinch a deal tomorrow

Filipino: Speak our national language and feel the Filipino hospitality even more warmly. So, whether you're here for business or for a longer stay in our country, watch us open up, welcome you as one of us, worthy of trust.

English: Do you speak American English? Filipino English? "Little English" or "Mixed English?" Whichever way, we have a course to suit your need and help you speak good elegant English. Speech? Business English? Communication Skills? We have all these, too.

ITALIAN: By the time you toss a Coin at fabled Fontana di Trevi, just before you bid Roma "arrivederci" you'll find that its the Italian course you take with us that makes your trip more exciting and complete. ITALIAN, by far the most exciting language of them all.

SPANISH: Spoken by half of the world's population. The language of culture and romance. Try our proven "al modo corto" method. It's our very own style of teaching Spanish the unbeatable way. Try it. You'll be glad you did.

JAPANESE: Talk about trade. Tourism, Travel. You'll always see a Japanese around you. Close a deal. Enjoy a conversation with him soon as you take an easy course in Nippongo with us. We render professional translation services too.

German: Music, travel, industry, business. Always an advantage when you can speak German. So whatever is your purpose, the time is now for you to take a German course with us. Under professors trained in Germany. It's great fun to learn German. You can even say GOTIERDAMMERUNG.

WHERE ELSE COULD YOU LEARN A FOREIGN LANGUAGE BEST?
