City Librarian's Corner

Hello, QCitizens! Did you know that there is an act that requires the establishment of public libraries? This is R.A. 7743, also known as "An Act Providing for the Establishment of Congressional, City and Municipal Libraries and Barangay Reading Centers throughout the Philippines, Appropriating the Necessary Funds Therefore and for other Purposes." By raising the literacy rate and highlighting the crucial role that education plays in nation-building, Republic Act No. 7743 was passed with the intention of promoting the moral and intellectual well-being of Filipinos. Public libraries and/or reading centers have been established in all local government units. We have already opened twenty-one (21) branches as of today, thanks to the perseverance of Quezon City Public Library (QCPL) Staff led by yours truly, and we aren't stopping to add more because one of our aims is to make our city a Reading City. In order to guarantee that every barangay will soon have a library of its own, QCPL is now coordinating with all of the barangay officials for the fulfillment of this project.

Public libraries play an important role in supporting individual in their pursuit to lifelong learning by providing high-quality resources in both print and non-print formats. It also serves as an avenue to develop progressive learning experiences. The QCPL's newest established branch library was inaugurated on November 16, 2022. The aforementioned library can be found at Bonifacio St. corner Villamor, Brgy. Bagong Silangan Quezon City. The establishment of this library was a collaborative effort between QCPL and Brgy. Chairman, Hon. Wilfredo L. Cara. Prior to inauguration, a motorcade was organized to promote and announce to the community the newly established public library in Brgy. Bagong Silangan.

Present in the inauguration and honored to do the ribbon cutting were District II Councilor Ally Medalla, Atty. Rene Grapilon, Hon. Wilfredo L. Cara, and Ms. Mariza G. Chico. Other representatives from various government offices in Quezon City witnessed the special event, including the division heads of QCPL. A traditional blessing of the building was officiated by Bro. Jun-jun Adolfo, O'Carm.

According to the District Supervisor, Ms. Chona C. Masbate in her opening remarks, it was very timely to officially open the said library because pursuant to Proclamation No. 837 Series of 1991 declaring the month of November as "Library and Information Services Month, it was a privilege to share this inauguration to highlight the significant role of libraries in providing services and information in the promotion and preservation of Filipino culture and heritage.

A remarkable message from the representative of City Administrator, Atty. Rene Grapilon states that "Library serves as a hub for education outside the classroom taking opportunity of knowledge to each and every one, as we open the doors of this public library, we welcome opportunity and learning to QCitizen to mold them become better citizen and someday become productive members of the society as they say "today a reader, tomorrow a leader".

Also, Honorable Councilor Ally Medalla highlighted in her special message, “to use this library in which this serves as a big help especially to the children, youth and to all constituents of Bagong Silangan, though this newly established library is simple yet full of knowledge that everyone will enjoy. She’s also hoping to complete the three (3) other Brgy. Communities of District 2 in Quezon City to have a library.

In a short talk delivered by Hon. Wilfredo L. Cara, highlighted the different services brought by QCPL including the E-government services like, online application of QC ID, Police ID, renewals of NBI, PRC, appointment to DFA, PSA, etc. that residents of Bagong Silangan will be benefiting. Also, he emphasized that “library ay daan upang lalong pang mahubog ang kagalingan at husay sa benepisyo ng pagbabasa, katuwang ang bawat isa sa patuloy nating layon na mas lalo pang mapaunlad at mapaganda and silid aklatan. Sama sama tayo, parte tayo sa bawat isa tungo sa isang komunidad na nagbabasa dahil sa atin mahalaga ang pagbabasa at pagkatuto”. More so, his administration and the future administration will support the library as mentioned in the latter part of this speech. A copy of the Barangay Resolution was handed over as proof of ongoing support for the library to whoever administration is in charge of the Brgy. Bagong Silangan in coming years.

The OIC of the Quezon City Public Library expressed her heartfelt thanks to all behind the success of establishing the library. Also, she stated in her closing message that all library services are free, that is why the QCPL department with the whole Quezon City Administration brings the library closer to each barangay to make Quezon City a reading city.

The success of the inauguration and the continuous support for the library starts from our leaders of the community, bringing to individual and providing factual informational needs of future generation of this country.

In line with the 32nd Library and Information Services Month celebration last November 2022 with the theme "Mga Aklatan Bilang Kanlungan ng Karunungan: Tagapangalaga ng Kultura at Pamanang Lokal", the National Commission for Culture and the Arts (NCCA) through the National Committee on Libraries and Information Services (NCLIS) conducted a Photovoice Project about Local Heritage Collections of Libraries in the Philippines. This was spearheaded by Professor Salvacion M. Arlante, Head of the National Committee on Libraries and Information Services (NCLIS). According to her, the purpose of the exhibit is "to encourage libraries all over the country to document and showcase their Filipiniana and Local Heritage Collection to a wider audience by virtue of an online photo exhibit and generate community awareness on the importance of books and other printed local heritage resources existing in libraries as tangible cultural heritage resources."

The Photovoice Project was open to all public and private libraries from Luzon, Visayas and Mindanao. Participating libraries were allowed to present a maximum of three (3) books (1 photo for each book) which are part of the local heritage collection of their respective libraries. Each participating library then accomplished a form and uploaded their photographed entries to the link provided together with its certificate of originality. A set of rules or criteria was strictly followed in order for their declared entries to be considered as valid. The librarian then provided a rationale that included a comprehensive description about the local heritage book that they have entered. Submitted entries were then screened and reviewed by the National Committee on Libraries and Information Services (NCLIS) Library and Information Services (LIS) Month Technical Working Group before they were declared as one of the official participants in the Photovoice Project which was launched at the National Commission for Culture and the Arts (NCCA) website last November in time for the celebration of the Library and Information Services Month. A plaque of recognition was also given to the participants during the 2022 Philippine Librarians Association, Inc. Aquino, Mr. Fernando Martin M. Linsangan, Ms. Ana Katrina T. Honrade and Ms. Mary Grace C. Sobreviñas, which was then endorsed to Ms. Mary Ann L. After being introduced by the master of ceremony, Mr. Robert Oswald F. Alfiler, Resource Speaker, begun the workshop by providing an exercise to warm up the conversation among the participants and comfortably interact with each other.

Attendees cheerfully participated during the discussion and used their mobile phones as directed by the resource speaker’s to apply their acquired knowledge and skills.
A Certificate of Appreciation was given to the resource speaker by Ms. Jeniffer R. Adajo, Supervisor, District IV Libraries, Ms. Jinky Chua, LIC, Cubao Branch, Ms. Arriane Nicole Martinez, and Ms. Rosalie B. "Maliit na ang Palda ni Isay"
Anuman ang estado natin sa buhay, tiyak na mararating natin ang ating mga pangarap basta't tayo'y magsisipag at magsusumikap.
Habang si Isay ay lumalaki ay lumiliit naman ang kaniyang palda. Pero dahil praktikal ang kaniyang ina, nagawaan ito ng paraan upang magamit muli ni Isay ang palda.
Ang kuwentong ito ay hindi lamang tungkol sa pinaglumaan o pinagliitang uniporme. Ito rin ay tumatalakay sa kabutihang-asal at sa pagpupursigi ni Isay na makatapos ng pag-aaral.
Tunghayan ang kuwentong pinamagatang "Maliit na ang Palda ni Isay" ni Teresa Gumap-as Dumadag at guhit ni Abigail D. Gabriel. Katuwang muli si Bb. Maria Cristina Oguin na siyang aalalay sa mga tagasubaybay nating may special needs.
