

QCDRRMO organizes Resilience Fair

THE Quezon City Disaster Risk Reduction and Management Office (QCDRRMO) hosted its first Resilience Fair dubbed "DRRM Fair 2018: *Agaran, Inklusibo, Makabago*" to showcase and celebrate effective and inclusive efforts of the department for its stakeholders and partners on July 28 at the Liwasang Aurora, Quezon Memorial Circle.

Personnel from the QCDRRMO lectured on disaster risk reduction and preparedness while the QC Bureau of Fire Protection discussed fire safety.

CPR demonstrations, knot-tying, origami-making for emergencies,

basic boat handling, assistance to PWDs during emergencies, and go bag demonstration were also demonstrated with the participants.

Various activity booths from accredited Non-Government Organizations (NGOs), Civil Society Organizations (CSOs) as well as QC departments such as the health and social services were also present to provide lectures and demos anchored in the four DRRM thematic areas, namely: Prevention and Mitigation, Preparedness, Response, and Rehabilitation and Recovery.
