Manila Times · 14 Jun 2018 · A7

THE Quezon City Council has passed a resolution authorizing the exemption of a gaming studio in Barangay Ugong Norte from following the city's zoning rules. City Resolution 7399-2018, introduced by Councilor Alexis Herrera, states that Glorious Throne Data Company Inc., owned by Santos Chua Tan has already been operating in a commercial space along Santol Road for years. Both Sangguniang Barangay and homeowners association concerned have no objection to the proposed renovation of the studio as it will not adversely affect public health, safety and welfare and is in keeping with the general pattern of development in the community. Tan has already complied with the necessary requirements prescribed by the law, ordinance or administrative issuance.
