

# QC backs PCOO gender advocacy

QUEZON City Vice Mayor Joy Belmonte on Thursday backed the advocacy of the Presidential Communications Operations Office to foster the fair portrayal of women in media and entertainment.

“Quezon City supports such kind of advocacy to ensure equality among women. The media is one of the most powerful forces to let our people learn [things],” she said.

The PCOO has just released the “Philippine Revised Gender-Fair Media Guidebook.” **Rio N. Araja**
