

Belmonte distributes Christmas gifts to QC public servants

SPREADING the spirit of Christmas, Quezon City Vice Mayor **Joy Belmonte** recently distributed noche buena packages to a total of 83,899 public servants who are composed of various public servants in the city.

"It is already our tradition to conduct gift-giving programs every Christmas season because it is our way of giving back to our public servants for contributing a lot to our city," Belmonte said in an interview. "It is our simple way of appreciating them because it was our barangay servants who deliver services to our people on the community level," she said.

In her speeches, Belmonte pledged to provide more assistance to the public officers including Social Security System and PhilHealth benefits for the street sweepers and former barangay officials, child-minding services for the solo parents, virtual health centers, and uniforms for the Barangay Police Safety Officer.
