THE Quezon City government, in its continuing effort to provide opportunities for affordable and decent housing, passed two resolutions authorizing Mayor **Herbert Bautista** to acquire parcels of land in Barangay Bagbag and North Fairview for on-site and other informal settlers in Quezon City.

City Resolution 7513-2018, introduced by Councilors **Alexis Herrera** and **Franz Pumaren**, authorizes the acquisition of two adjoining parcels of land measuring 2,785 square meters, located in Lots 138-B and 138-C in Barangay Bagbag. City Resolution 7514-2018, on the other hand, introduced by Councilor Alexis Herrera authorizes the acquisition of a 5,298 square meter-parcel of land, registered under DBH Development Corporation and Sta. Lucia Realty and Development Corp. Inc., located along Labayane Street in Barangay North Fairview. The two resolutions highlight the city government's relentless effort to expand socialized housing projects through its **Task Force on Socialized Housing and Development of Blighted Areas**.
