QUEZON City Vice Mayor and Mayor-elect **Joy Belmonte** reported the 20th City Council's accomplishments and awards in her *Ulat sa Bayan* on June 24.

Under Vice Mayor Belmonte's term as the council's presiding officer, the Sangguniang Panlungsod is hailed as the National Capital Region's best City Council for three consecutive years and twice as the country's best.

Among the landmark ordinances passed under her term were the Road Safety Code, Socialized Housing Code, and Dangerous Drug Code.

"When Quezon City does something, the rest of the country follows," Belmonte said, citing the city's Gender Fair Ordinance that has been adopted by 25 cities and municipalities. The city's 'Batas QC' app, the first mobile application on local ordinances, was also been recognized internationally.

The Batas QC App is one of the recipients of the OpenGov Asia Excellence Award for Innovative and Disruptive Use of Technology in Delivering Citizen-centric Services for an innovative and modern way of delivering services to its residents.
