QUEZON City Police District (QCPD) Director Brigadier General Joselito Esquivel Jr. on Thursday said four of the city's police stations were honored as among the "five best" in Metro Manila.

Honored were Police Station (PS) 4- Novaliches , PS 1-La Loma, PS 2-Masambong and PS 11-Galas. Also honored was PS 1-Manila. Their respective station commanders were present to receive the awards.

Esquivel said the awarding was held in a simple ceremony at the National Capital Region Police Office (NCRPO) Headquarters in Camp Bagong Diwa, Bicutan, Taguig City on Wednesday.

The awards were in recognition of the outstanding performance of the above- mentioned police stations in the performance of their duty maintaining law and order in their respective communities contributing immensely to the accomplishment of the overall mission and objective of NCRPO and the Philippine National Police (PNP) in general.

Esquivel said these awards will certainly uplift the confidence and morale of the members of the PNP, with the hope they will enthusiastically do their jobs in line with the directives of PNP chief General Oscar Albayalde and NCRPO chief Maj. General Guillermo Lorenzo Eleazar in the PNP's campaign against crime and maintaining peace and order.

"Rest assured that the QCPD will continue to reciprocate the recognition by extending the best service to the people of Quezon City," Esquivel said.
