The Quezon City government has allocated gender-neutral restrooms within the city hall compound in compliance with City Ordinance 2357-2014, also known as the Quezon City Gender-Fair Ordinance.

Section 5, affirmative acts (D) of QC Gender-Fair Ordinance, requires government agencies, private offices, and commercial and industrial establishments to designate all-gender toilet rooms.

The Quezon City Gender-Fair Ordinance provides for a comprehensive anti-discrimination policy based on sexual orientation, gender identity and expression (SOGIE).
