

QC *barangay* officials attend fiscal management seminar

IN line with Mayor Joy Belmonte's good governance thrust, officials from the Quezon City's 142 *barangays* underwent a three-day seminar on financial management in Tagaytay City on August 22.

The seminar, facilitated by the QC *Barangay and Community Relations Department* and conducted by the *Commission on Audit*, trained the participants on government financial report processes.

Barangay officials are expected to submit more organized financial reports after the seminar, Quezon City Auditor Atty. Resurreccion Quieta said.

Quieta added that *barangays* have been enjoined to adopt financial management manual in accordance with COA's Memorandum

Circular 2015-011.

The training was also attended by personnel from the *City Treasury Office* and *City Accounting Department*.

Barangay UP Village chairman Atty. Virgilio Ferrer II acknowledged the importance of the training in helping their *barangay* to comply with the new financial management forms and ensure that the *barangay's* funds are properly spent.
