QUEZON City 6th District Rep. Jose Christopher “Kit” Belmonte led the community cleanup drive of local councilors, village officials and community leaders in public schools in his district on Thurs day to help curb the spread of the coronavirus disease (Covid-19).

Belmonte himself helped in disinfecting 12 elementary schools and six high schools. He said the cleanup and disinfection drive was an effort to promote sanitation in public places.

“The most effective way to prevent the spread of Covid-19 is to galvanize our community towards swift action,” Belmonte said.

“We urge our communities and families to collectively practice proper hygiene, strengthen their immune system, and listen to credible sources of information,” he added.

Belmonte led the sanitation drive in Bonifacio Memorial, Apolonio Samson, Balumbato, Leopoldo Santos, GSIS Village, Placido Del Mundo, Culiat, Tandang Sora, Lucas R. Pascual Memorial, New Era, Pasong Tamo, and Sauyo Elementary Schools, as well as Ismael Mathay Sr., Culiat, New Era, Sauyo, Tandang Sora National, and Apolonio Samson National High School.

On Thursday, Quezon City Mayor Josefina “Joy” Belmonte confirmed that there were five Covid-19 cases in the city.
