

No new coronavirus death in QC

Tempo · 9 May 2020 · 3 · (Chito Chavez)

For the second straight day, no coronavirus disease 2019 (COVID-19) death was reported in Quezon City as the tally remained at 132 as of May 7, the **Quezon City Health Department (QCHD)** said.

The same QCHD report also recorded the number of new recoveries at 33, bringing its total to 325 from the previous 292.

As of 7 p.m. of May 7, the Department of Health (DoH) reported at total of 1,512 confirmed COVID-19 cases in Quezon City, up by 48 from the last tally of 1,464.

As in past tallies, the total number of validated COVID19 cases of the Quezon City Epidemiology and Surveillance

Unit (QCESU) and District Health Offices is different from the DoH number as it stood at 1,128 raising the total by 26 from the previous 1,102.

In the same QCHD statistics, the total number of confirmed cases with complete addresses in Quezon City rose from 1,324 to 1,385.
