The Quezon City government has rolled out an online payout system to enable senior citizens, persons with disability (PWDs) and solo parents to receive financial subsidy without having to wait in line at remittance centers.

Senior citizens, PWDs and single parents with city-issued identification cards may register at <https://qceservices.quezoncity.gov.ph> to receive their subsidy under the “Kalingang QC” program.

Qualified beneficiaries may receive their cash assistance through bank transfers, GCash or PayMaya.

Those who do not have cityissued identification cards may inquire with local government departments.

The city government said using the online payout system is optional. Beneficiaries may still receive cash aid through the distribution in their respective barangays.

Mayor Joy Belmonte has approved a supplemental budget expanding the coverage of the Kalingang QC program, which provides P2,000 to those affected by the coronavirus pandemic.

“We want to make sure that all vulnerable sectors will be covered. So we allotted part of our supplemental fund for them,” Belmonte said.
