

## Easier tax payments available online

City officials urged QC residents to transact their business via the online platform, as this saves the hassle of physically going to the city hall

Residents of Quezon City can now pay their taxes to the local government in the comfort of their homes with the online platform QC E-Services.

Taxpayers were reminded to maximize the use of the online portal as tax deadline season approaches, and if they wish to avail of the discounts given to early payers.

The QC E-Services portal was launched in October 2020 to offer a convenient way of settling tax payments and to apply and renew business permits and licenses, among others. City officials urged QC residents to transact their business via the online platform, as this saves the hassle of physically going to the city hall and from the possible risk of being exposed to the coronavirus disease.

City Treasurer Edgar Villanueva advised individuals who wish to pay their real property tax to visit the QC E-services page at [https:// qceservices. quezoncity. gov. ph/](https://qceservices.quezoncity.gov.ph/), and create an account to initiate the process.

Individuals who will pay business taxes, may download and fill out the Tax Declaration Form from the official city website [quezoncity. gov. ph](http://quezoncity.gov.ph). Once accomplished, this should be submitted to the **City Treasurer's Office (CTO)** via email at [cto@quezoncity.gov.ph](mailto:cto@quezoncity.gov.ph).

Taxpayers also are encouraged to pay the payable amount or tax bill via online bank transfer to the official CTO Land Bank account. Proof of payment should also be sent to the CTO email address.

On the other hand, business owners who wish to apply, renew or amend their business permits are also advised to do so online via the QC E-Services page.

Meanwhile, QC taxpayers and business owners are advised to be wary of fixers who claim they can assist them in expediting transactions with the city government.
