

1,700 health workers in QC get vaccinated

Philippine Daily Inquirer · 24 Mar 2021 · A3

More than 1,700 barangay health workers, contact tracers, city health employees and private sector workers from Quezon City were inoculated with the first dose of a vaccine against COVID-19. Among those inoculated with the CoronaVac and AstraZeneca vaccines were barangay health emergency response teams and disaster risk reduction and management office employees. The local government aims to vaccinate more than 6,000 health workers in the city.
