

QC vax rollout

Daily Tribune (Philippines) · 26 Mar 2021 · A8

The **Quezon City government** has established a task force now overseeing all Covid-19 vaccination activities in line with executive order 44. A priority list containing the names of 1,046,027 individuals had been drawn up, including health workers, emergency services providers, seniors, indigent people and uniformed personnel.

The city is capable of stockpiling vaccine doses under the required conditions, according to local health officials.
