As Metro Manila shifted to a more relaxed Alert level 2 Tuesday, the **Quezon city government** reminded business establishments not to let their guard down when it comes to enforcing minimum health protocols.

According to its latest guidelines, the implementation of disciplinary hours for minors under ordinance SP-2301 s. 2014, prohibiting them from loitering in public places from 10 p.m. to 5 a.m. was retained.

The holding of gatherings for no specific purpose and gatherings in residences with individuals not belonging to the same household are also not allowed.

When it comes to partially-vaccinated adults, they are now allowed to engage in outdoor activities, use public transportation and enter indoor establishments to obtain essential goods and services.

Meanwhile, those fully-vaccinated adults, and minors regardless of vaccination status, may enter establishments for essential or non-essential reasons such as dining, shopping, and watching movies.

restaurants and other food establishments, as well as personal services establishments like salons and barbershops may provide services at up to 70 percent capacity indoors for fully-vaccinated adults, and minors regardless of vaccination status.

They can also accommodate up to 90 percent capacity outdoors regardless of age or vaccination status. employees of these establishments must be fully vaccinated.

religious gatherings are allowed for fully vaccinated adults, and for minors regardless of their vaccination status, for up to 70 percent capacity indoors and 90 percent capacity outdoors for all persons regardless of age or vaccination status.
