

## MPIC INKS PARTNERSHIP WITH DENR, QC:

The Philippine Star · 25 Apr 2022 · B5

Metro Pacific Investments Corp., the country's leading infrastructure investment company, partnered with the Department of Environment and Natural Resources – Biodiversity Management Bureau, the Department of Environment and Natural Resources – National Capital Region and the local government unit of Quezon City to implement the project 'Building a Biodiversity-Friendly Environment in Metro Manila.' The parties signed a Memorandum of Agreement to signify their three-year commitment to implement the urban biodiversity program in Quezon City. Photo shows (from left) DENR-BMB director Natividad Bernardino, DENR-NCR regional executive director Jacqueline Caancan, QC-LGU city administrator Michael Victor Alimurung, and MPIC chief finance, risk and sustainability officer Chaye Cabal-Revilla holding copies of the landmark Memorandum of Agreement for the Urban Biodiversity conservation program.
