BUSINESS process outsourcing firm Acquire BPO has donated over 10,000 doses of coronavirus disease 2019 (COVID-19) vaccines to the Quezon City local government in support of the continuing vaccination campaign.

“Quezon City is home to four of our offices that employ around 1,500 people. It’s a great city of almost 3 million people, and we want to give back and continue to help (Mayor Maria Josefina “Joy” G. Belmonte’s) successful vaccination program,” Acquire BPO Chief Executive Officer Scott Stavretis said in a statement on Thursday.

Acquire BPO is a multinational business outsourcer that has business operations in Australia, the Dominican Republic, the Philippines, and the United States. It employs over 9,000 Filipinos across Metro Manila. —
