The local government of Quezon City has expressed its full support to the move of the Department of the Interior and Local Government to intensify efforts of cleansing the ranks of Philippine National Police personnel.

QC Mayor Joy Belmonte stressed that the local government is aware “of the extent and depth of the illegal drug problem, not just in the city, but in the entire country.”

“We believe in the wisdom of Secretary (Benhur) Abalos, and trust that with due process accorded to the police officers in the review of their records, those who have nothing to hide should not worry. In fact, officers who are truly performing should benefit from such laudable efforts from the side of the DILG,” the mayor added.
