Alagang QCPD conducts health services

Daily Tribune (Philippines) · 16 Aug 2024 · A8 · BY JING VILLAMENTE

Quezon City Police District (QCPD)'s Medical and Dental Unit (DMDU) conducted health visitations in different police stations, demonstrating its unwavering commitment to the health and well-being of its personnel.

QCPD director P/Brig. Gen. Redrico A. Maranan, the health visits included a lecture on dental profiling, dental services, medical consultations, health monitoring and blood pressure checks for PUPCs (Persons Under Police Custody). The DMDU also provided IEC materials, dental kits, and a RHE lecture.

First visited police stations were the Cubao (Police Station 7) and Galas Police Stations (PS-11).
