WHEREAS, in 2005, the Quezon City Council passed City Ordinance No. SP-1479, S-2005 entitled "An Ordinance declaring a Moratorium in the Franchise of Public Utility Tricycles in Quezon City and for other purposes." The passage of the said Moratorium Ordinance was due to the proliferation of tricycles in practically all streets and roads of Quezon City, encroaching even the main thoroughfares, congesting the road network and complicating further the already complex traffic situation of the City;

WHEREAS, after the passage of the aforementioned Moratorium Ordinance, there are some tricycle associations, such as the herein applicants, who are left with pending applications for franchise before the Tricycle Franchising Board (TFB). With that, they still exist and operate for the main reason that their existence and operation are very much necessary in their respective areas; otherwise, transportation would be paralyzed;

WHEREAS, Section 3 of the Moratorium Ordinance states that “the Committee on Transportation of the City Council shall conduct a study on the present state of operation of public utility tricycles in the City in aid of legislation with the end in view of coming up with an ordinance that will rationalize the authorization and deployment of tricycles in the roads, streets and thoroughfares in Quezon City”;

WHEREAS, Section 4 of the Moratorium Ordinance further states that “the City Planning and Development Department (CPDD), in coordination with the Committee on Transportation, shall likewise conduct a study on the operation of tricycles and other transportation modes, the City’s transport corridors and road networks, traffic demands and projections and other relevant economic and transport matters, in view of coming up with a comprehensive transportation/traffic plan for Quezon City”;

WHEREAS, in 2014, the Quezon City Council enacted City Ordinance No. SP-2337, S-2014, otherwise known as the Quezon City Tricycle Management Code of 2014, to recognize the integral role of tricycles in the public transport system of the City and the Metropolis as a whole. The franchising and operation of tricycles shall be controlled and regulated with the end of view of effectively managing these vehicles for basic services;

WHEREAS, the Quezon City Tricycle Management Code of 2014, in order to address the proliferation of colorum or illegal units, implemented the “One-Strike Policy” against apprehended colorum tricycles;

WHEREAS, through Republic Act No. 7160, otherwise known as the Local Government Code of 1991, certain functions of the Department of Transportation and Communications (DOTC) were transferred to the local government units. Thus, Section 458 of the Local Government Code of 1991 provides for the corporate powers of the City, which include:

“(3) Subject to the provisions of Book II of this Code, enact ordinances granting franchises and authorizing the issuance of permits or licenses, upon such conditions and for such purposes intended to promote the general welfare of the inhabitants of the city and pursuant to this legislative authority shall:

WHEREAS, pursuant to the mandates provided for by the Moratorium Ordinance, CPDD and the Committee on Transportation of the Quezon City Council conducted a tricycle study using an on-board passenger origin-destination (O-D) and tricycle mapping survey using an on-board data collection device equipped with sensor and Global Positioning System (GPS) capable of recording passenger boarding and alighting times and locations;

WHEREAS, as a result thereof, CPDD submitted the final report to the Phase 2 Program of the Tricycle Route Measured Capacity (RMC) Study for Unserved Routes in Quezon City;

WHEREAS, it is the primordial concern of the Quezon City Government to update the existing Routes/Zones of tricycles in Quezon City and uphold the livelihood of the tricycle sector by granting herein tricycle associations legitimate franchise;

WHEREAS, pursuant to Ordinance No. SP-387, S-96 entitled “An Ordinance Instituting Tricycle Zones/Routes in Quezon City, Designating Their Numbering Scheme and Fixing the Respective Route Measured Capacities (RMC) thereof,” for the aforesaid TODA to operate 52 motorized tricycles-for-hire to fly the route within Barangay Sta. Monica and Barangay Kaligayahan via Quirino Highway to Greenfields I Subdivision and vice versa, and for additional RMC, there is a need for an authorization from the City Council;
