Quezon City First District **Rep. Arjo Atayde** and Quezon City **Mayor Joy Belmonte** lead the inauguration of the Aksyon Agad Dialysis Center in Barangay Bahay Toro, Quezon City, on Thursday, October 10, 2024. Joined by other city officials, they unveiled the facility, which houses 20 dialysis machines imported from Japan, offering free dialysis treatments to 80 Quezon City residents daily. The center, part of the Aksyon Agad initiative, aims to provide life-saving care to low-income individuals suffering from chronic kidney disease (CKD).
