SENIOR citizens, persons with disability, solo parents, and members of the LGBTQIA+ community have been treated to early Christmas gifts from the Quezon City government. Mayor Joy Belmonte personally met with over 2,600 senior citizens from District 6 and distributed gift packages.

There is more joy with #PasQCo for the QCitizens, she said. “Let’s spread love and joy this Christmas, QCitizens! You are assured of our continuous public service,” she added. Senior citizens, PWDs, and LGBTQIA+ members in District 1 also received their early Christmas gifts from the city government.

The city mayor also distributed an early “Pamaskong Handog” to more than 1,700 solo parents and PWDs in District 2.
