Under the auspices of the Quezon City Government per Memorandum Order No. 88

REPUBLIC OF THE PHILIPPINES

OFFICE OF THE MAYOR

Quezon City

MEMORANDUM NO. 88 SETTING THE GENERAL GOALS AND OBJECTIVES OF ACTIVITIES FOR THE 1964 QUEZON CITY SILVER JUBILEE

Tc the Members of the Executive Committee
Quezon City Silver Jubilee

Through Mr. Alfredo J. Andal, Chairman

In view of the great importance and the far reaching significance of the 1964 Quezon City Silver Jubilee, and in order to set the tone and direction of the various activities for the celebration of this historic occasion, the following shall be the General Goals and Objectives of the Silver Jubilee Activities:

1. To put into focus the over-all progress of Quezon City, possibly in all major areas of human endeavors, for the last 25 years since its foundation;

2. To depict a city-image of our community based on real records of achievements, public and private, befitting the honored title of Quezon City as the "Capital City" of the Philippines;

3. To picture the potentialities and resources of Quezon City for development into premier city not only in the Philippines but also in this part of the world;

4. To pinpoint the different landmarks of great historic value and significance found in the City;

5. To put up a panoramic view of the different important features of Quezon City, including its territorial expanse, man-power, and the like;

6. To arouse, among Quezon City residents, a profound sense of belonging to and pride for Quezon City, as well as the cultivation of dynamic and creative community spirit; and

7. To generate public trust and confidence in the ability, wisdom and patriotism of city residents and their leaders to make of their City a place of honor, progress and distinction in this part of the world, worthy of the hopes and dreams of its great founder, the late President Manuel L. Quezon.

In the planning and implementation of the Silver Jubilee activities and programs, these Goals and Objectives should serve as directional guides.

ISSUED this 8th day of September, 1964 at Quezon City Philippines.

(Sgd.) N. S. AMORANTO
City Mayor

Message

As our beloved City celebrates its historic Silver Jubilee, we bow our heads in sincere gratitude and solemn thanksgiving to the Almighty whose Divine Providence has guided the destiny of this metropolis since it has come into being twenty-five years ago.

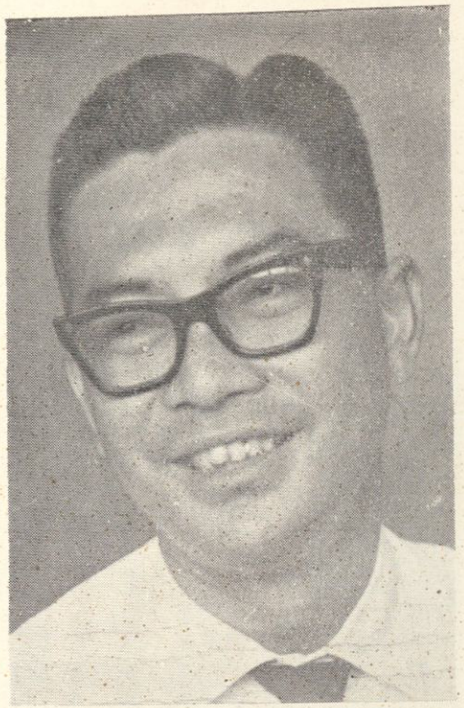

With this celebration, we proclaim to the whole world that this City, born out of the vision and dream of the Philippines' greatest statesman, the late President Manuel L. Quezon, is not only a living reality but also a fast growing metropolis worthy of its honored title as the 'Capital City' of our Republic.

In the midst of our celebration and as we look back to our City's humble beginnings, at the same time setting our minds on our Community's achievements, we cannot help but rise in reverential homage to the dynamic leadership and creative wisdom of President Quezon, founder of our City. To him belongs our lasting gratitude. To this leader of leaders we offer the enduring tribute of our people's warm memory and affectionate remembrance. But, this message would be incomplete if I were to forget those who preceded me in the mayoralty. To them goes our people's equally undying gratitude.

Sheltered within the bosom of this metropolis are great monuments of human achievements . . . material, educational, cultural, industrial, business, and artistic—demonstrative of the wisdom, industry, creativity, vision, and leadership of our people—the greatest asset of our Community. And so, as we are set to celebrate our City's Silver Jubilee, I salute our citizenry and to them I give my most sincere appreciation for their demonstrated spirit of civic mindedness and creative community life.

To all who, in one way or another, have contributed to the success of our Silver Jubilee celebration, I extend the lasting gratitude of this Administration.

N. S. AMORANTO
City Mayor

Message

As it enters its second quarter century, Quezon City is rapidly coming into its own, asserting its rightful place as the Capital City of the Republic of the Philippines.

Like a young man of twenty-five, its future is pregnant with challenge and promise.

The numerous and complex problems of a fast-growing metropolis requires that the City should acquire the proper balance, attune itself to more discipline, attended by more measure and reason at the same time never losing its provinciality and unaffectedness.

On the occasion of the celebration of the Silver Jubilee of Quezon City we take the opportunity of pledging anew to prosecute with fervent vigor the translation of Quezon's dream into a throbbing reality.

MARIANO M. STA. ROMANA, JR.

Vice Mayor

Message

In the annals of Quezon City, there appears today no event more historically significant and highly meaningful to us in Quezon City than the City's Silver Jubilee. This is a great milestone replete with living memories of the past and vibrant with present-day achievements of a citizenry.

In retrospect, first that comes to mind, is the historic signing of the Quezon City Charter a quarter of a century ago, by its great founder, the late President Manuel L. Quezon, fearless architect of our people's national emancipation. Then, as we set our eyes across the years that followed, we behold in bold relief the challenging image of a fast moving, growing, developing, achieving community that it is today.

In this week-long Silver Jubilee, the over-all progress of Quezon City since its foundation shall be remembered with all the landmarks of its accomplishments and progress in the different areas of human endeavor.

On behalf of the Executive Committee, I extend to all people in Quezon City and to all others who may join us in the celebration of this great community event, our warm and hearty greetings.

Pambansang Awit ng Pilipinas

Bayang magiliw,
Perlas ng Silanganan,
Alab ng puso
Sa dibdib mo'y buhay.

Lupang hinirang,
Duyan ka ng magiting,
Sa manlulupig
Di ka pasisiil.

Sa dagat at bundok,
Sa simoy at sa langit mong bughaw,
May dilag ang tula
At awit sa paglayang minamahal.

Ang kislap ng watawat mo'y
Tagumpay na nagniningning;
Ang bituin at araw niya,
Kailan pa ma'y di magdidilim.

Lupa ng araw, ng luwalhati't pagsinta,
Buhay ay langit sa piling mo;
Aming ligaya na pag may mang-aapi,
Ang mamatay ng dahil sa iyo.
