WHEREAS, in 2005, Quezon City Council passed City Ordinance No. SP-1479, S-2005 entitled "An Ordinance declaring a Moratorium in the Franchise of Public Utility Tricycles in Quezon City and for other purposes." The passage of the said Moratorium was due to the proliferation of tricycles in practically all streets and roads of Quezon City, encroaching even the main thoroughfares, congesting the road network and complicating further the already complex traffic situation of the City;

WHEREAS, after the passage of the aforementioned Moratorium Ordinance, there are some tricycle associations, such as the herein applicants, who are left with pending applications for franchise before the Tricycle Franchising Board (TFB). With that, they still exist and operate for the main reason that their existence and operation are very much necessary in their respective areas; otherwise, transportation would be paralyzed;

WHEREAS, Section 3 of the Moratorium Ordinance states that "the Committee on Transportation of the City Council shall conduct a study on the present state of operation of public utility tricycles in the City in aid of legislation with the end in view of coming up with an ordinance that will rationalize the authorization and deployment of tricycles in the roads, streets and thoroughfares in Quezon City";

WHEREAS, Section 4 of the Moratorium Ordinance further states that "the City Planning and Development Department (CPDD), in coordination with the Committee on Transportation, shall likewise conduct a study on the operation of tricycles and other transportation modes, the City's transport corridors and road networks, traffic demands and projections and other relevant economic and transport matters, in view of coming up with a comprehensive transportation/traffic plan for Quezon City";

WHEREAS, in 2014, the Quezon City Council enacted City Ordinance No. SP-2337, S-2014, otherwise known as the Quezon City Tricycle Management Code of 2014, to recognize the integral role of tricycles in the public transport system of the City and the Metropolis as a whole. The franchising and operation of tricycles shall be controlled and regulated with the end of view of effectively managing these vehicles for basic services;

WHEREAS, the Quezon City Tricycle Management Code of 2014, in order to address the proliferation of colorum or illegal units, implemented the "One-Strike Policy" against apprehended colorum tricycles;

WHEREAS, through Republic Act No. 7160, otherwise known as the Local Government Code of 1991, certain functions of the Department of Transportation and Communications (DOTC) were transferred to the local government units. Thus, Section 458 of the Local Government Code of 1991 provides for the corporate powers of the City, which include:

> *"(3) Subject to the provisions of Book II of this Code, enact ordinances granting franchises and authorizing the issuance of permits or licenses, upon such conditions and for such purposes intended to promote the general welfare of the inhabitants of the city and pursuant to this legislative authority shall:*

(vi) Subject to the guidelines prescribed by the Department of Transportation and Communications, regulate the operation of tricycles and grant franchises for the operation thereof within the territorial jurisdiction of the city.";

WHEREAS, in 1992, the Quezon City Council passed City Ordinance No. SP-15, S-1992 entitled "An Ordinance Franchising and Regulating the Operation of Motorized Tricycles in Quezon City" known as the "Quezon City Tricycle Ordinance of 1992," but due to the dramatic change contributed by the operation, regulation and demographic aspects of the City through time, the said Ordinance was therefore considered as outdated, thus the need to update the same;

WHEREAS, pursuant to the mandates provided for by the Moratorium Ordinance, the City Planning and Development Department (CPDD) and the Committee on Transportation of the Quezon City Council conducted a tricycle study using an on-board passenger origin-destination (O-D) and tricycle mapping survey using an on-board data collection device equipped with sensor and Global Positioning System (GPS) capable of recording passenger boarding and alighting times and locations;

WHEREAS, as a result thereof, the CPDD submitted the final report to the Phase 2 Program of the Tricycle Route Measured Capacity (RMC) Study for Unserved Routes in Quezon City;

WHEREAS, it is the primordial concern of the Quezon City Government to update the existing Routes/Zones of tricycles in Quezon City and uphold the livelihood of the tricycle sector by granting herein tricycle associations a legitimate franchise;

WHEREAS, initially, pursuant to Ordinance No. SP-387, S-96 entitled "An Ordinance Instituting Tricycle Zones/Routes in Quezon City, Designating Their Numbering Scheme and Fixing the Respective Route Measured Capacities (RMC) thereof," to operate 225 motorized tricycles-for-hire to fly the route within Barangay Pasong Tamo via Tandang Sora Avenue, Himalayan Road, Jem 2 Subdivision, San Pedro Subdivision, 5 and 6 NPC Subdivision, and vice versa for the aforesaid TODA which will be issued only upon authorization by the City Council;

WHEREAS, the first update of the existing RMCs of Bayan Palengke TODA was under Resolution No. 99-243 entitled "Petition for Additional Route Measured Capacity (RMC) and fixing the same for the next 3 years from January 1, 2000 to December 31, 2002," for the additional 50 motorized tricycles-for-hire from 225 to 275 units to operate for the aforesaid TODA;

WHEREAS, the second update of the existing RMCs of Bayan Palengke TODA was under Resolution No. SP-2273, S-2003 entitled "A Resolution granting additional franchises to 125 petitioners for the operation of motorized tricycle for hire within the Route covered by Bayan Palengke Tricycle Operators and Driver's Association (BP TODA), Barangay Tandang Sora, District II, this City," for the additional 125 motorized tricycles-for-hire to operate for the aforesaid TODA;

WHEREAS, that upon perusal for accreditation, it was revealed that Bayan Palengke Tricycle Operators and Drivers Association, Inc. (BP TODA) is registered with the Securities and Exchange Commission (SEC) and is a Civil Society Organization accredited by the Quezon City Council and the Barangay and Community Relations Department (BCRD);

WHEREAS, Board Resolution No. 010, Series of 2021 of Bayan Palengke TODA, adopted by the Board of Directors on July 15, 2021, sought the legalization of their existing 168 colorums;
