MESSAGE

I convey my warmest felicitations to the officials and employees of Quezon City on the occasion of the *Pasasalamat* to honor outgoing Mayor Ismael A. Mathay as he completes his term as the city's chief executive.

I am elated by the enthusiasm you have shown in undertaking this activity that mirrors well the achievement of the Mathay administration the last nine years. Quezon City as the premiere city has been in the forefront of development efforts because of the able leadership of its local officials led by Mathay. It is not surprising therefore, that he has endeared himself to employees and personnel who had worked with him in bringing Quezon City to progress and prosperity.

At the change of administration, it is now incumbent upon those in the service to support the incoming leadership just as they have supported the past administration. Let us all heed the call of Her Excellency President Gloria Macapagal Arroyo to build a nation of peace, progress and economic stability.

I wish to extend my best wishes for Mayor Mathay too, on his birth anniversary. Happy Birthday!

Mabuhay ang taga- Quezon City !

Mabuhay si Mayor Mathay!

MESSAGE

I join the people of Quezon City in conveying warmest felicitations and best wishes to Mayor Ismael A. Mathay, Jr., on the occasion of his birthday.

Mayor Mathay spent thirty-four or almost half of his entire life in the service not only of Quezon City but also of the entire country. If not for the statutory limitation on the number of terms a person can serve as mayor, the people of Quezon City would undoubtedly want him to remain as their beloved mayor.

There is no denying the great accomplishments that Mayor Mathay has achieved as leader of our City. These accomplishments have no doubt made a great difference in the lives of our people, particularly the marginalized and underprivileged. For such accomplishments, I can assume that the people of this City join me in thanking him and in wishing him well in all his undertakings.

I am privileged to have been given an opportunity to assist this outstanding local executive in leading our City into the new millennium. In performing my duties, I draw encouragement from Mayor Mathay whose energy and saga to the city continue to inspire me.

Happy birthday, Mr. Mayor!

MENSAHE

Ang maging Punong Lungsod ng Lungsod Quezon ay isang pagkakataon na ibinibigay lamang sa mga pinuno na nagtataglay ng integridad, katapatan sa paglilingkod at higit sa lahat isang dakilang layon para sa kanyang mahal na bayan.

Ang mga katangiang ito, at higit pa ang naglalarawan sa mahigit na tatlumpung taong paglilingkod bayan ni **ISMAEL A. MATHAY, JR.** at sa siyam na taon niyang panunungkulan bilang Alkalde.

Maraming mga taon ang kanyang binilang kapiling ang mamamayan ng lungsod, lalung-lalo na ang maralita na kanyang minahal at inaruga, bilang isang ama. Marami sa atin ang kanyang tinulungan sa sandali ng kagipitan at binigyan ng walang sawang atensyon at pagmamahal. Hindi rin iilan sa atin ang kanyang pinagkatiwalaan upang maging kasama at katuwang sa pagsasakatuparan ng kanyang mga pangarap para sa lungsod niyang mahal.

Ikaw at ako, magkasamang naging saksi sa kakaibang kalinga handog ng ating amang si **ISMAEL A. MATHAY, JR.** magkasama tayong lumaki at naging bahagi ng isang uri ng patnubay na tanging sa kanya lamang natin natagpuan.

At ngayon na tayo ay nabigyan ng natatanging pagkakataon upang siya naman ay ating pasalamatan at parangalan, marapatin ninyong sabihin ko ito.

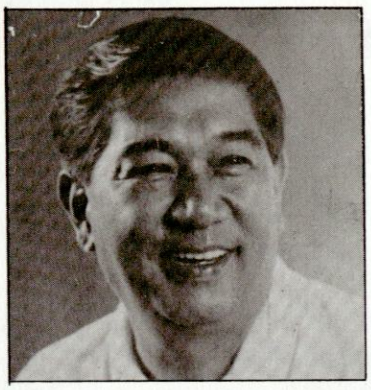

Maraming salamat Mayor, sa iyong walang katumbas na pagmamahal sa amin, mga mamamayan ng Lungsod Quezon. Maraming salamat sa iyong panahon at sa iyong mga pangarap na isulong kami tungo sa kasaganaan at kaunlaran.

Higit sa lahat, ang taos puso kong pasasalamat bilang iyong anak, sa mga mahahalagang aral na itinimo mo sa aking puso't isipan. Dahil sa iyo ako ay nabigyan ng pagkakataon na maging isang halal ng bayan. At dahil sa iyo, nasa akin ang karangalan na ipagpatuloy ang dakila mong layon.

Sa habang panahon, mahal ka sa akin at sa mamamayan ng Lungsod Quezon mong mahal.

MESSAGE

An inspiring visionary marks another milestone in his multi-faceted life- the conclusion of his final term as City Mayor and his graceful mellowing to the exciting age of 69.

With his departure from the City's hierarchy goes a faithful co-worker who never shrinks from any challenge, a good friend who remains steadfast in any weather.

As his colleague and friend, I wish the good Mayor the best that life has to offer. Happy Birthday, Mayor!

MESSAGE

Done is the day. Gone is the sun. But in its after-glow one can still discern the vast and meaningful changes you wrought over the landscape of this fair City, changes which almost cost your life. But the achievement which bears the stamp of your statesmanship cannot be found among these edifices. It was your fight against the threat of fragmenting the City you received as a trust, the City you were sworn to preserve, the City you are expected to hand over to your successor. It was a fight fought in Congress down to the condominiums and hovels of the City. It was a good fight and you won. Can I say more?

Done is the day. Gone is the sun, o'er the hills, o'er the plains gone is the sun. Night is, near take thy rest. God is nigh!

MESSAGE

Nine years of working with and for Mayor Ismael A. Mathay, Jr. have been a rewarding and, I truly believe, an enriching and productive experience for me and for all of us - Quezon City Government officials and employees. Needless to say, we also believe, these nine years of the Mathay Administration have been been very good for Quezon City.

It is on this legacy that we hope and believe our beloved Mayor Mel can leave City Hall, (certainly he can not leave his beloved Quezon City), with grace, equanimity and great satisfaction that he did his best, and this best has served to improve the lives of the people of Quezon City.

I join the rest in wishing that God shower on our Mayor the best of the coming years as He had done so for the last 69 years.

Happy Birthday, dear Mayor!!

Through the years...

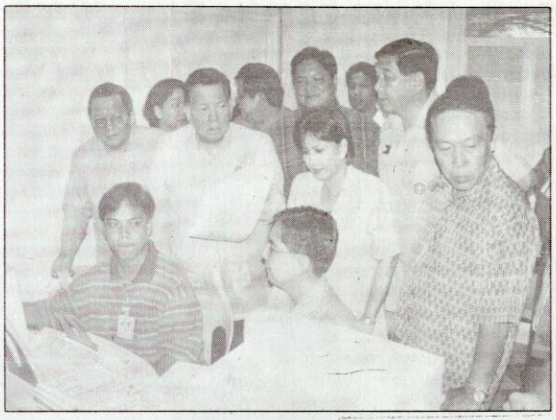

The realization of his vision on educational development, has earned him the title :
"THE EDUCATION MAYOR"...

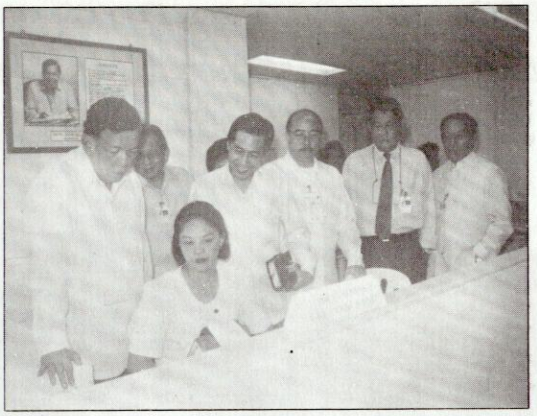

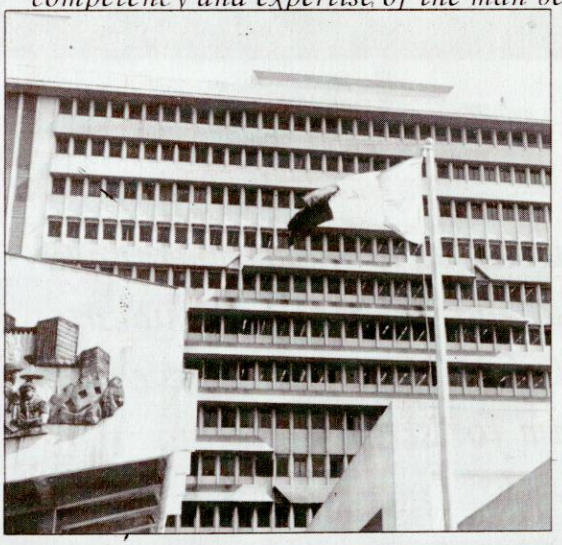

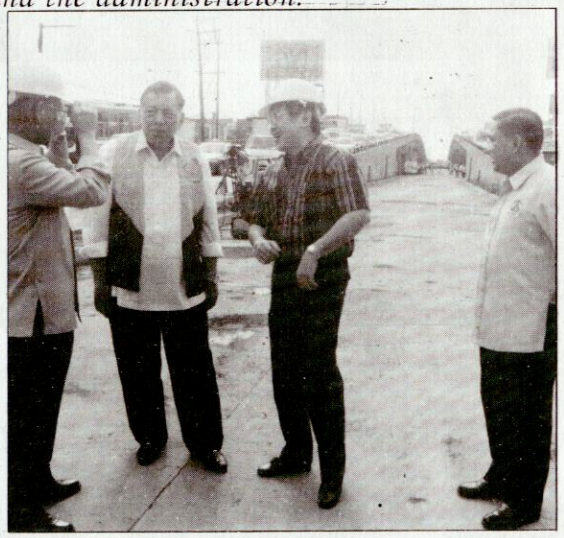

Through the years... *Computerization of business permits and licensing and of real estate tax assessment and payments has contributed to the streamlining of public services and has gained satisfactory mark from the constituents...*

The construction and repairs of the city roads; the rehabilitation of the City Hall building, health centers and public school buildings and the advancement of transportation facilities through the Metro Rail Transit can be attributed to the competency and expertise of the man behind the administration.

Through the years...

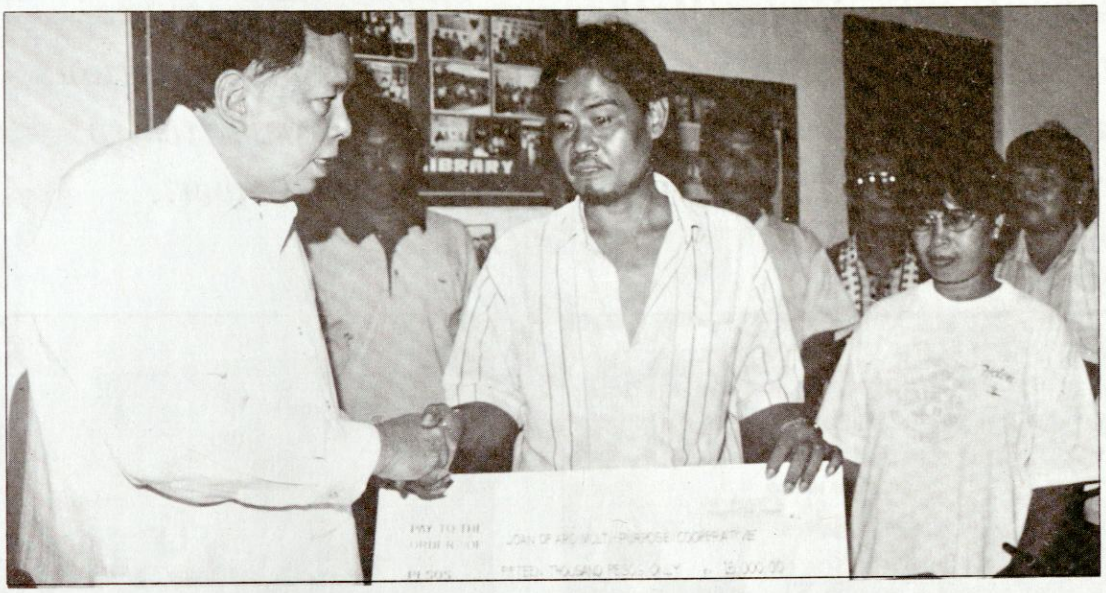

Poverty, natural calamities and disasters have become challenges to the Mayor. thus , enhancement of outreach medical and health services; support to the handicaps; quick and active assistance during catastrophe; Burial or mortuary services and Medicap Program for the needy became the answer to the trials faced.

Mayor Mathay's administration has launched barangay-based sports program; summer employment for students; enhancement and development of Yakap and Molave Youth centers;cultural program for street children.

The Mathay Administration is more than proud to have established SMILE (Social Mobilization for the Improvement of Life and Environment)- an outreach program for livelihood development, cooperative development, distribution of low cost merchandise , provision of depressed electrification and water supply.

Through the years...

In his desire to deliver services and programs to his constituents, Mayor Mathay was able to activate the participation and support of non-government organizations and private business sectors who are also committed to achieve the greatest good to the greatest number...

A Birthday thought for a wonderful person

Today is one of those days
words can't quite begin to express
all our thankfulness for you.
But we want to let you know
how happy we are to be celebrating the birthday
of someone who is so important to us.
You are someone whose worth to this world
is celebrated on this day,
but who is appreciated
every single day of the year.

Whether you know it or not,
you make a tremendous difference
in the lives of other people --
just by the light that your life shines
on those around you
and by the way your *SMILE* gives the gift
of warmth to those who know you.

We are one of these lucky people
and we want you to know
what joy it is to have served you.

Happy Birthday Mayor Mel Mathay

MY FATHER'S SONG

I am my Father's namesake
His spirit I surely emulate
I am my Father's son
In his footsteps steadily
I've gone.

Whither trials, troubles and sadness come
I remember my Father's arms, so safe and warm
And when betrayal leaves my soul weak
My Father's love taught me to be meek.

More than all, his words of wisdom command
Never to let fears in my heart demand
But to God in heaven, all my prayers
rise and my faith is gladdened
For only to God be the Glory and
that nothing should worry.

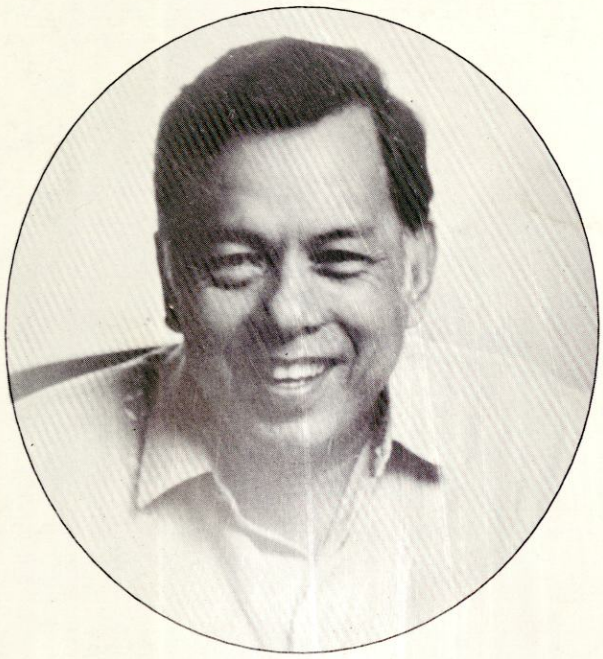

Because of my Name,
ISMAEL, I am heard of God
and will overcome.
