Malugod kong binabati ang MABUHAY ANG PILIPINO MOVEMENT (MPM), Quezon City Chapter, sa kanilang paglulunsad ng pagpili at pagpaparalang sa "Anim na Bukod-Tanging Barangay sa Lunsod Quezon sa Taong 1976". Nais ko ring kilanlin ang sipag, tiyaga at kasikhayang ng kasalukuyang pamunuan at mga kasapi ng Kilusang ito. Ang MPM ang nagpasigla sa mga pinuno at mga naninirahan sa mga Barangay upang pagtuwangan ng mga ito ang pagpapaunlad sa kani-kanilang pook panahanan. Ang MPM ay nagmumulat at nagpapalaganap sa diwa, damdamin at gawaing makabansa.

Ang pagkilala at parangal na ito sa ating mga pamayanan ay hindi lamang isang inspirasyon sa pakikilahok ng madla sa mga paglilingkod bayan. Malawakang tulong at patnubay ng (MPM) sa pagdidisiplina ng mga Bagong Pilipino sa Bagong Lipunan.

Kalakip nito ang mataos-puso kong pagbati sa mga Barangay na pagkakalooban ng mga kaukulang gantimpala. Kauri din nito ang pagbati kong ipinaaabot sa mga hindi magkakapalad sa anumang karangalan. Sa kanilang kabiguan ay may mga nagtagumpay. Nguni't ang kawalan nila ng kapalaran ang patatnubayin sa ibayong pagsisikap hanggang matamo ang naghihintay pa nilang pagkakataon. Sa anu't anuman, silang lahat ay marapat lamang papurihan. Lahat sila'y makabuluhang bahagi ng pinagsisikap nating mapaunlad na pamayanan.

Sa MPM ng Lunsod Quezon, ang lalo pang matunog na MABUHAY, Sa inyong lahat, ang matimyas na hangaring sumainyo ang isang MALIGAYANG PASKO.

I am happy to learn that the Mabuhay Ang Pilipino Movement, Quezon City Chapter, has launched the search for "The Six Outstanding Barangays of Quezon City '76."

A project such as this, needless to say, will benefit not only the barangays that have done and shown their best, but it will also benefit the less inspired barangays by tilling them into following the footsteps of successful villages. Indeed, your search for the deservingly commendable barangays should be emulated by other local government units if only for its morale-boosting and inspiring effect.

Good luck and more power to your Movement in your present and future endeavors.

LOCAL HISTORY

I congratulate the Officers as well as the members of the MABUHAY ANG PILIPINO MOVEMENT (MPM), Quezon City Chapter, for having launched the Search for the Six Outstanding Barangays of Quezon City '76.

Contest of the kind, being sponsored by the Mabuhay Ang Pilipino Movement, will not only bring recognition to the winning Barangays but will also provide the right atmosphere where these local units may compete thru group participation.

I feel confident that Barangays realize the fact that the highest reward to be derived from such competition is the discipline which is bred and developed therefrom.

It is my hope therefore that the Mabuhay Ang Pilipino Movement will keep on providing the barangays more of such opportunities for recognition.

Again, my congratulations and best wishes for a successful affair.

 Executive Secretary
 Metropolitan Manila Commission

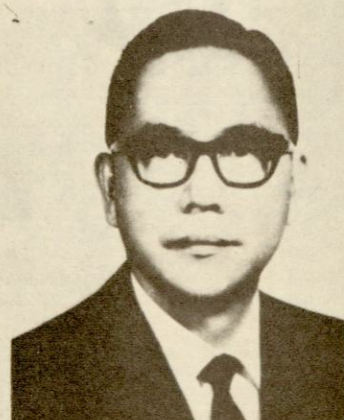

November 16, 1976

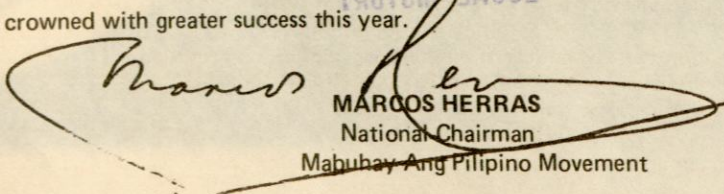

Upon the inception of Martial Law, one of the earlier presidential pronouncements proclaimed by President Marcos was a decree creating the Citizens' Assemblies. As stated in the decree "it is necessary to broaden the base of citizen participation in the democratic process", and so the Citizens' Assemblies were created.

And then the referenda came. In these processes, the people were consulted on certain, fundamental issues. But the climax came with P. D. No. 557, "declaring all barrios in the Philippines as barangays". Now, the barangay has arrived. Now, it has been given its due.

I hope that by now you realize the importance of our barangays. In the latest referendum involving constitutional amendments, the barangays have now been institutionalized. With this search for outstanding barangays another important episode is added to barangay history. I wish all our constituents would give their full support to this search. I thank you.

The "Search for the Six Outstanding Barangays of Quezon City" has inspired the barangay leaders and members of Quezon City to improve their standards of peace, order, cleanliness, and community service. This was our observation in the past. We are certain that it will continue to instill the same inspiration from year to year.

This project is undoubtedly worthy of support, emulation and commendation.

We heartily congratulate the officers and members of the MPM Chapter of Quezon City who are instrumental in initiating as well as implementing this project.

May your efforts be crowned with greater success this year.

The Officers and Members of the Katipunan Ng Mga Barangay of Metro Manila join Philippine officialdom in wishing you the best for sponsoring this year's "SEARCH FOR OUTSTANDING BARANGAYS OF QUEZON CITY". Also, we wish you more success in your selfless endeavor to promote the total fulfillment of the goals and aspirations of the New Society.

For indeed, your project proved that this country is still full of men and women ready to do good things. Because of your project, BARANGAYS all over the country acquired even greater meaning. Furthermore, your National Movement is a source of inspiration to millions of our fellow countrymen—the New Filipino. Today, the New Filipino is called to greatness. He has the spirit and the skill. Together with his country, he will survive and prosper.

We, together with our strong force of Barangay Council officials and Barangay Assembly members, share the joy of being a New Filipino. With greater faith in ourselves and in what we do, tomorrow is fulfillment.

To the Officers and Members of the MABUHAY ANG PILIPINO MOVEMENT, we say: **MORE POWER AND SUCCESS** in all your noble undertakings!

Isang malaking karangalan para sa akin na makaisa ninyo sa isang mahalagang gawa-in ukol sa pagpaparalang sa ating mga kababayang nagsisikap makatulong sa ikauunlad ng ating bayan.

Binabati ko ang mga pinuno ng mga barangay at ang kanilang mga kasamahan sa makabuluhang gawain nila sa kani-kanilang pamayanan. Ang pagpapaunlad sa ating bayan ay hindi lamang nakaatang sa mga balikat ng iilan. Kailangan nito ang samang pagsisikap nating lahat. Ang paggawa natin ng ating magagawa sa ikatatamo natin ng ating layunin. Sa pamamagitan ng pagtutulongan nating lahat ay saka lamang natin makakamtan ang lalo pang matatayog na hangarin natin para sa ating bayan at mga kababayan.

Sa mga Namumukud-tanging Barangay ng Quezon City ay ipinaaabot ko ang aking taus-pusong pagbati.

Never before in the history of our country have the grassroots of our society been given an active part in government affairs thru the organization of barangays as government units. And never before have the masses responded so well to the appeal of reconstructing our social order.

It is for this reason that the Mabuhay Ang Pilipino Movement, Quezon City Chapter, has envisioned an annual search for the "Six Outstanding Barangays" from among the 133 barangays in the City based on their performance. To our knowledge, Quezon City is the only one that undertakes this kind of project.

Now on its second year, this year's awarding ceremonies have been fittingly set on "Pasko sa Barangay" in keeping with the spirit of Christmas.

The Q. C. Chapter of MPM joins me in congratulating the winners and in extending our gratitude to those who have helped in making this project a success.

THE MPM AND THE SEARCH FOR THE OUTSTANDING BARANGAYS OF QUEZON CITY

The existence of a vast store of effective manpower among Filipinos has been best observed with the accomplishment of projects by various groups in our community. Sometime in 1972, these groups or organizations have joined hands on a functional and coordinated basis by planning and coordinating their activities as one body, with the end in view of realizing the greatest good for the greatest number.

And the MABUHAY ANG PILIPINO MOVEMENT was born. On November 30, 1972, to be exact. A national organization with chapters all around the country and membership is by organization represented by its president.

To accelerate the creation of an ideal Philippine Society where the Filipino lives in peace, justice, dignity and prosperity; to involve the citizenry in the task of creating an ideal society; to maximize the efficiency and effectiveness of existing civic, civic-oriented professional, trade and religious organizations in undertaking civic-spirited activities; and to effect close coordination between the citizenry and organized groups in realizing the greatest good for the greatest number of Filipinos. These are specific objectives of this umbrella-organization.

It was in the pursuit of these objectives and ideals that the MABUHAY ANG PILIPINO MOVEMENT, Q. C. Chapter, in coordination with the city government, launched last year the search for "THE FIVE OUTSTANDING BARANGAYS OF QUEZON CITY", during the incumbency of Mrs. Asisola Lim Amoranto. It was felt that giving due recognition to deserving barangays will go a long way in boosting their morale and, consequently, inspiring them to "do better than their best" in their respective barangays.

And this year, the MPMQC under the able chairmanship of Luis I. Ablaza Jr. and thru its Awards and Recognition Committee, has again committed itself to undertake the same project, if only to demonstrate its continuing faith and confidence in the significant role of the barangay in today's "Bagong Lipunan".

Indeed, the search for "THE OUTSTANDING BARANGAYS of QUEZON CITY" is here to stay as an on-going project. But its success may only be fully achieved and the impact, genuinely felt, via sincere, active involvement and participation of the humblest barangay and all concerned. JLB

MPM-QC in ACTION

Quezon City Mayor Adelina S. Rodriguez awards a certificate of appreciation to Mrs. Cynthia Reyes (extreme right) of the Quezon City (Capitol) Jayceettes for having formally adopted a "pook" in the rehabilitation of creek dwellers in the capitol city during the Mabuhay Ang Pilipino Movement's launching of Project Banyuhay at Bo. Capri, Q. C., while MPMQC Chairman Luis I. Ablaza, Jr. (3rd from right), MPM PRO Jorge L. Banal (1st from right), MPM Secretary Francisco Alvarez and Mrs. Inocentes look on.

A joke, a laughter or two, becomes the order of the day and takes the somber mood away as the committee work approaches fruitful completion after a whole-day of tedious evaluation and discussion of data.

The members of the Awards and Recognition Committee of the MPM, Q. C. Chapter, sport a serious mood during their final screening in their search for "The Six Outstanding Barangays of Quezon City '76". From right to left: Mrs. Lolita Amores, Chairman; Dr. Ricardo Austria, Secretary; Col. Dominador Marañon, member; Jorge L. Banal, co-chairman; Mrs. Glicería Saavedra, treasurer; and Roberto Gonzales, member.

Chairman Luis I. Ablaza, Jr. drives home a point during a Board of Directors' meeting which he recently hosted at the Circle Inn, Quezon City, while MPM Directors Ben Pedro, Pate Alvarez, Lolita Amores, Col. Marañon, J. L. Banal (Mrs. Osmena and Alex Asuncion of the cultural affairs office) listen. Not shown in the picture were MPM Directors Consolacion Ylagan, Daylinda Romitman, Carmen Dava, Genera de Guzman, Cynthia Reyes, Olympio Ancheta and Mrs. Carmelita Centano, Mrs. Glicería Saavedra, Dra. Consuelo Villarosa.
