QUEZON City is set to host its first LGBTIQ+ Business Summit on June 18, highlighting inclusive economic development and opportunities for queer entrepreneurs.

Mayor Joy Belmonte said the city remains committed to equality and empowerment beyond Pride Month.

Themed “Building an Inclusive Future: Quezon City as an LGBTIQ+ Business-Friendly City,” the summit is organized with the Philippine LGBT Chamber of Commerce, Mindanao Pride, Inter-sex Philippines, and SPARK! Philippines.

It is supported by the Wellspring Philanthropic Fund and Humanis Foundation through the Free to Be Me program.
