OFFICE OF THE SECRETARY

M E S S A G E

On behalf of the Department of the Interior and Local Government, I convey my warmest congratulations to the **Quezon City Police District (QCPD) headed by District Director PSSupt Magtanggol B Gatdula on the occasion of its 68th Founding Anniversary on November 24 this year.**

Since its establishment on November 25, 1939, the QCPD has proven its mettle with a string of countless accomplishments.

This year's Anniversary theme, ***"MAMANG PULIS AT SAMAHANG BAYAN, KAAGAPAY NG LUNGSOD SA KAPAYAPAAN AT KAUNLARAN"*** reaffirms QCPD's strong resolve not only to serve and protect the citizenry, but also to reinforce the confidence of the public in our national police, especially among the people of Quezon City.

As you celebrate your 68th Anniversary, I urge to further strengthen your commitment and cooperation to the fulfillment of our vision of building, peaceful, safe and booming communities.

Mabuhay and Happy Anniversary!

Being the most populous and at the center of Metro Manila, Quezon City has far more formidable challenges related to maintaining peace and order and law enforcement. Not only has the present rank and file of the Quezon City Police District been up to the challenge; they have been cited by several organizations for their excellent performance and exemplary behavior.

We join the over 2.4 million citizens of Quezon City in celebrating the 68th founding anniversary of our city's law enforcement organization.

We are glad that the ***Quezon City Police District*** has gained not only the respect but also the active support of our civilian population. We are confident that it will play a significant and vital role in our mission to make Quezon City the most ideal community in the National Capital region.

We commend the rank and file to the Quezon City Police District to their dedicated service and sincere efforts to make themselves proud of wearing the police uniform.

M E S S A G E

I am very pleased to congratulate all the ***"Mamang Pulis" of Quezon City Police District on your 68th Founding Anniversary.***

As we mark this significant occasion, the QCPD can proudly look back at the colorful and shining history that this prestigious police unit made over the years while working to serve and protect the people of Quezon City.

The long list of accomplishments against criminality, as well as the pioneering effort to maintain peace and order in the communities highlight the year that was for QCPD.

The PNP leadership holds in high regard the exemplary dedication, professionalism and service efficiency of QCPD, especially its important role in promoting a prosperous economic environment in Quezon City and in the entire Metro Manila.

I urge all the "Mamang Pulis" of QCPD to continue working with the finest distinction according to the highest standard of public service and duty to country.

Conratulations.

The Quezon City Police Districts' fruitful years of existence as forefront of the society is full of understanding achievements in its never-ending campaign against all forms of crime and criminality. Indeed, its crime busting accomplishments over the years remain unparalleled in the annals of law enforcement.

If success has been attained in the anti-criminality drive which yielded in the maintenance of peace, order and progress in Quezon city, it is because we have, among other instrumentalities, the Quezon City Police District whose vigilance is unsurpassable.

As you celebrate this 68th Founding Anniversary, with a very fitting theme, **"Mamang Pulis at Samahang Bayan, Kaagapay ng Lungsod sa Kapayapaan at Kaunlaran"**, I am confident that our concerted effort would set in apprehension and hesitation to would-be law offenders in achieving their nefarious motives.

I extend my warmest congratulations to you all, being the stronghold of peace and security for the millions of residents and transients of Quezon City, for a job worthy of praise and honor. I look forward to a stronger working relationship between the police force and the city government, through the active support of the community in our common determination of making Quezon City a model crime-free city.

Godspeed!

HER EXCELLENCY GLORIA MACAPAGAL ARROYO
President of the Republic of the Philippines
Malacañang Palace, Manila
THRU: Channel

Dear President Arroyo:

It is my honor to submit to the President the accomplishments of the Quezon City Police District during my first year as Officer-In-Charge. I assumed command at QCPD last October 23, 2006 with the objectives of erasing its tag as carnapping capital of the country, and cleaning the streets of holduppers, snatchers and other street crime offenders. It is also my desire to make all citizens feel safe and to make the city one of the safest place to live and do business – in.

PERSONNEL. Upon assumption, I reduced the number of personnel doing administrative jobs and reinforce the number of policemen on the streets. I instituted Commander's Time for Smooth Interpersonal Relationship (SIR) to make the relationship between Commanders/Officers and PNCOs more respectable and to make all personnel, officers and PNCO's alike, "marching towards a single direction".

DISCIPLINE. To cleanse our ranks of misfits and scalawags, During the period, QCPD has caused the dismissal from the service of ten (10) PNCO's, the dropping from the rolls of twenty nine (29) personnel including two (2) officers, the suspension of twenty four (24) personnel and the reprimand of forty six (46).

TRAINING. The continuous honing of skills through training and seminars made every policeman confident of his ability and capability. This year we have doubled our output on training as compared to last year.Regularly, the District is conducting Firearms Proficiency Firing for handgun and shotgun to all personnel. So far, 700 policemen have already undergone the training. Aside from this, we conducted one hundred nineteen (119) trainings in various police service related modules. There were a total of nine thousand one hundred thirty six (9,136) participants composed of policemen, NUP, barangay tanods and civilians who attended these trainings.

INTELLIGENCE CAPABILITIES. While the District has an able and functioning intelligence, many innovative practices has proved to be very effective in deterring crime. The deployment of men and material resources must be intelligence driven to maximize cost-effectiveness.

The no-nonsense campaign initiated by the District on anti-carnapping has produced significant results of reducing the number of carnapped vehicles, increased recovery rate of stolen vehicles, exposure and neutralization of well-entrended carnapping syndicates and neophytes and has opened a new front in anti-carnapping through public awareness.

We produced a 15-minute video to expose the modus operandi of the syndicates and launch an awareness campaign on carnapping.

It is noteworthy that QCPD applies Computer Statistics (COMPSTAT) with zealousness, even conducting regular field training exercises. Nine out of the ten best practices cited by the NCRPO originated from QCPD. They were the following:

1. Timely, realistic and truthful COMPSTAT reporting system.

2. Anti- bank robbery
   Regular inspection of CCTV to ensure continuous functioning
   Installation of CCTV inside and outside banks/parking areas near banks
   Detail of security guard during nighttime to preempt the acetylene gang
   Backtrack/transaction with P1000.00 deposits
   Adoption of QC LGU Ordinance No. SP-1226, S-2003 which requires all banks to install CCTV

3. Payroll robbery
   Conduct drag net operation at the scene of the crime and exit points
   Preposition/deployment of MASCO personnel and other operatives during high risk period (11:00AM-3:00am)

4. Conduct field training exercise (ftx)

5. Visibility
   All PNP personnel to include office personnel (district) conduct police visibility at least four (4) hours a day (intelligence personnel act as a checkers or area supervisors

6. Modus operandi/ rouge gallery
   Sharing among PNP units/personnel thru COMPSTAT/PCIE.

7. Profiling of:
   Establishments located in isolated area with high-end customers
   Dismissed PNP/ AFP personnel
   Active PNP personnel with capability to engage in robbery hold-up thru peers/ lifestyle (Baratas case)

8. Organizing police volunteers as force multipliers (Las Piñas model)
   (QCPD has also this)

9. Record check of persons arrested

OPERATIONAL CAPABILITIES AND INSTITUTIONALIZATION. During the year, the District painstakingly institutionalized procedures and best practices to ensure that they were uniformly implemented. Today, QCPD is the only police district that has its own unique and tailor-front SOP's in police operations as Civil Disturbance Management (CDM), Investigation, Personnel Deployment and Accounting, Patrol Reporting and Crime Statistics Analysis. It is interesting to note that many of these established systems are currently replicated by NCRPO for the other districts. Some of these are the Duty-Admin-Duty (DAD) Concept in the deployment of patrol, the OPLAN "Pakitang Gilas" where all personnel assigned in the administrative work are required to render three (3) hour patrol duty after office hour, the deployment of jeepney and bus marshals and the empowerment of the Barangay Peace and Order Council.

MOBILITY. The partnership and cooperation between QCPD and the Quezon City government under Mayor Feliciano R Belmonte Jr has provided a big boost to the District's logistical capability. Last January, the city government provided its police force with forty (40) brand new Toyota Vios with full communication equipment and two (2) Hilux pick-up. The mayor has promised to deliver 40 more brand new patrol cars. They also turned-over thirty (30) multi-cabs, two (2) Toyota Altis and ten (10) Honda XR-200L motorcycles on the 2nd quarter of 2007.

FIREPOWER. I have ordered the recall of firearms issued to those who were already transferred outside of QCPD. The city government has ordered forty (40) glock pistol for issuance to our policemen. When available, these firearms shall be issued to our Motorized Anti-Street Crime Operatives (MASCO).

COMMUNICATIONS. Our Tactical Operation Center is equipped with the necessary communication equipment to receive and transmit reports, either through radio or through our web www.qcpd.pnp.gov.ph. We have ties with Patrol 117 and PCRG Text 2920.

We will be re-launching our website during our 68th Anniversary on November 24, 2007. We aim to reduce consumption of office supplies by utilizing our web in reporting and in communicating.

POLICE COMMUNITY RELATIONS. We have strengthened our alliance with the barangay officials and tanods by regularly conducting Ugnayan Sa Barangay. District-wide, we have conducted a total of 59, 700 organizational activities for school based, church-based, Barangay projects and dialogue with the Council of Community Elders.

A NEW CAMP KARINGAL. Sometime last July 2007, only several days after we called all restaurant and establishment owners along Tomas Morato to forged cooperation against criminality, we were surprised to read a letter written by businesswoman Susana C. Yniguez which was published in the Philippine Star which made us realize that we really have taken leaps and bounds in fostering change at QCPD, physically and internally. (Letter Attached)

QCPD has done all of this in the past one year with the support of the Quezon City government and the community.

QCPD has reduced the occurrence of holdupping, snatching, motorcycle riding-in tandem robbery and other street crimes victimizing the masses.

QCPD has solved every major crime that took place in its jurisdiction from the Bersamin slay and BPI SM Fairview Bank Robbery to the kidnapping of Indian nationals.

QCPD has recorded the most number of criminals - holduppers on board motorcycle neutralized.

QCPD was always at the forefront maintaining peace and order when the roads leading to the House of Representatives and the Sandigan Bayan were packed with protesters and demonstrators.

QCPD is no longer carnapping capital.

In the coming months, we shall continue doing our jobs with emphasis on the four (4) point agenda enumerated by the Chief, Philippine National Police on his assumption speech namely:

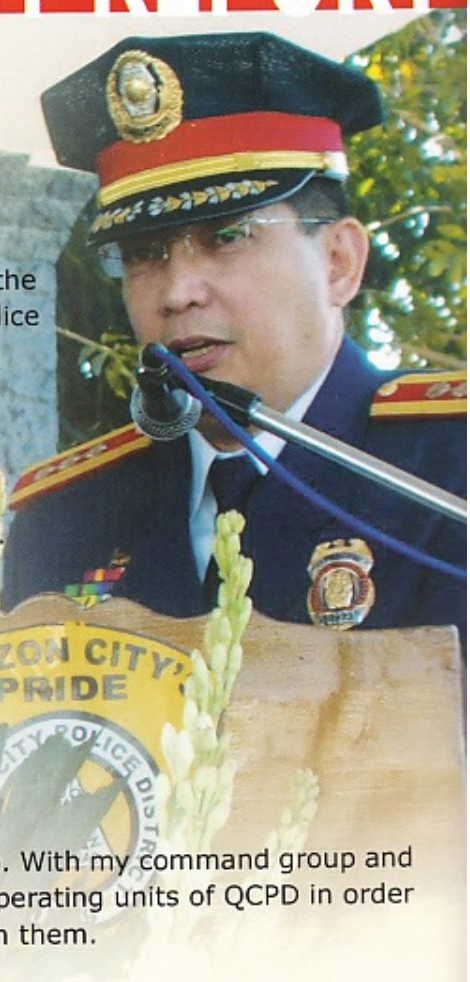

a) For all policemen to be performers
b) To increase police visibility
c) To rid our organization of misfits and scalawags
d) To forge alliance with the community

QCPD shall strive harder so that "every man, woman, and child on the street will feel safe because "Mamang Pulis" is just around the corner".

For information.

Quezon City Police District
ACCOMPLISHMENT REPORT

It is my honor to submit to the Chief, Philippine National Police the administrative and operational accomplishments of Quezon City Police District during my first year as Officer in Charge..

PERSONNEL. As I started, among my initial moves was to reduce the number of personnel doing administrative jobs and reinforce the number of policemen on the streets in order to boost the operational capability of our stations and operating units.

National Headquarters PNP prescribed a 90:10 ratio of operational to administrative personnel. Modesty aside, QCPD further stretched this ratio to increase the policemen doing beat patrol and visibility operations.. At present, this District has 202 or 7.51 % policemen in administrative and 2,488 or 92.49 % policemen in operational duties

Commanders Time For SIR (Smooth Interpersonal Relationship). With my command group and selected staff, I visited all police stations and administrative and operating units of QCPD in order to know them. I talked to them , feel their sentiments and eat with them.

DISCIPLINE. The Saturday Rank Inspection was institutionalized. Senior officers were tasked as inspectors every Saturday. Personnel assigned in the different offices are tasked to attend and one (1) platoon from the guest police station complements the QCPD battalion. A parade and pass-in-review follows after the inspection, while all officers, watch. After the parade, the Police Information and Continuing Education (PICE) is conducted.

The proper wearing of uniform and proper haircut was prescribed for all policemen. Haircut is always an emphasis during Saturday Inspections.

The Delinquency Reporting System is practiced to impose disciplinary action to personnel committing misdemeanors.

Cleanliness in the different offices and in the camp is always maintained. A best – best competition on cleanliness of offices is conducted weekly and the three cleanest and most orderly offices are announced during Monday Flag Rising.

QCPD

Pursuant to OPLAN PATNUBAY, QCPD has resolved the following administrative cases:

The competition was conducted in preparation for the State of the Nation address of Her Excellency Pres Gloria Arroyo".

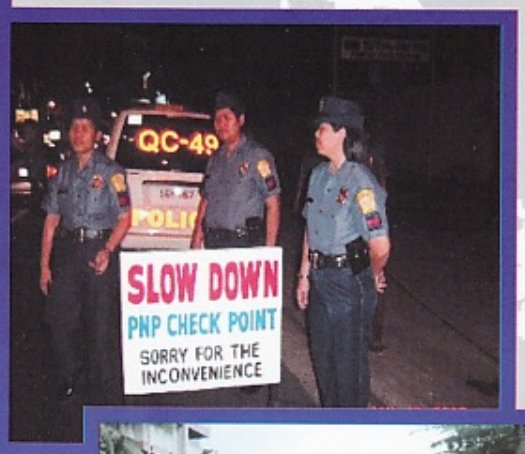

INTELLIGENCE, OPERATION AND INVESTIGATION

Crime Prevention Measures

Quezon City Police District has adopted the following strategies to reduce the occurrence of crime.

a. Deployment of Mobile and Beat Patrol System in Fixed VisibilityPoints;
b. Use of BSDOs and security guards as force multipliers in consonance with NCRPO LOI 25/2003 (Barangay –Based Anti-Crime Strategy);
c. Empowering the Barangay Peace and Order Council in the campaign against crime;
d. Conduct of OPLAN BAKAL and OPLAN SITA to discourage would-be-offenders;
e. Partnership with Community Elders;
f. Strict implementation of 10%-90% headquarters to field deployment ratio;
g. OPLAN "Pakitang Gilas"
h. Prepositioning of MASCO and MPU Reaction Teams for a quicker response to robbery incidents;
i. Deployment of Jeepney and Bus marshals
j. Operation "NIGHTWATCH"k.Implementation of the "No plate, No travel policy" l. Duty-Admin-Duty (DAD) Concept of Deployment in consonance with the QCPD Patrol Procedures

Application of Compstat

COMPSTAT is a strategy adopted by NCRPO to effectively manage human and material resources in the prevention of crime. It is glad to note that nine of the ten best practices cited by NCRPO in the application of COMPSTAT originates from QCPD.

These practices are:

I. Timely, realistic and truthful COMPSTAT reporting system.

II. Anti- bank robbery
- o Regular inspection of CCTV to ensure continuous functioning
- o Installation of CCTV inside and outside banks/parking areas near banks
- o Detail of security guard during nighttime to preempt the acetylene gang
- o Backtrack/transaction with P1000.00 deposits
- o Adoption of QC LGU Ordinance No. SP-1226, S-2003 which requires all banks to install CCTV

III. Payroll robbery
- o Conduct drag net operation at the scene of the crime and exit points
- o Preposition/deployment of MASco personnel and other operatives during high risk period (11:00AM-3:00am)

IV. Conduct Field Training Exercise (FTX)

V. Visibility
- o All PNP personnel to include office personnel (district) conduct police visibility at least four (4) hours a day (intelligence personnel act as checkers or area supervisors).

VI. Modus Operandi/ Rouge Gallery
- o Sharing among PNP units/personnel thru COMPSTAT/ PCIE.

VII. Profiling of:
- o Establishments located in isolated area with high-end customers
- o Dismissed PNP/ AFP personnel
- o Active PNP personnel with capability to engage in robbery hold-up thru peers/ lifestyle (Baratas case)

VIII. Organizing police volunteers as force multipliers (Las Pinas model) -(QCPD has also this)

IX. Record check of persons arrested

Law Enforcement

All-Out War Against Carnapping. A comprehensive analysis on carnapping was conducted to determine factors that make Quezon City a favorite hunting ground for carnappers. The operationalization of the study is producing positive results as evidenced by the continuous decrease of carnapping cases

Results of these actions yielded significant accomplishments. Since October 26 2006 to date, a total of 74 motor vehicles were recovered by this District with 22 cars and 18 motorcycles.

Recovery Rate: The District recovered 74 motor vehicles out of the 175 reported stolen registering 42.28 % recovery rate. Furthermore, 40 persons were arrested while 40 cases were filed in court.

Carnapping Capital No More. It is during this year when the District has managed to control carnapping by neutralizing the most active carnapping syndicates operatinbg in Quezon City, recovering stolen vehicles and by launching a pro-active and community supported campaign. The Carnapping Modus Video aired for several months on RPN 9 and NBN 4 has brought to the public an unfamiliar awareness on carnapping. This would later on reap its benefits with more reports and information about people into carnapping.

The following steps were further taken by this District to rejuvenate the campaign against carnapping:

a) Deployment of visibility patrol and intelligence personnel in identified crime prone areas.
b) Conduct of "Oplan Sita" on motorcycles
c) No Plate No Travel Policy
d) Information drive exposing the modus operandi of carnappers in tri-media
e) Launching Case Operation Plans (COPLAN) of the identified OCGs

Our Significant Accomplishments on Carnapping are the following:

i. Arrest of three (3) carnapping suspects identified as Roy Cortez y Dagdag, Eller Cortez y Dagdag and Francisco Cortez y Yalung allegedly members of Bungay Group involved in carnapping operating in Metro Manila and Luzon and stamping of chassis and engine numbers, and the recovery of nine (9) luxury vehicles last December 1, 2006 at number 4-19 Seminary Road, Essel Park Subdivision Brgy Sto. Domingo, Angeles Pampanga. Case of violation of Carnapping Law were filed against the suspects.

ii. The arrest of 3rd Most Wanted Carnapper in TMG List identified as Nestor Maglalang, leader of Maglalang Group last November 8, 2006 at Purok 3 Capalangan, Apalit Pampanga.

iii. The arrest of three (3) suspects identified as Allan Deguzman y Amis, Allan Macho y Darantino and Ivan Ferrer y Veloso who are members of Trese Hudas Gang last November 6, 2006 along Banawe, Quezon City by the operatives of Anti Carnapping Unit of QCPD.

-The arrest of two (2) suspects of Honda carnapping group identified as Roem Ynawat y Maginde and Timhar Akok y Mangkabung and the recovery of one Honda Civic motor vehicle last 11 Dec 2006. Case of violation of Carnapping Law were filed against the suspects

- The arrest of suspect Allan Issing y Luna for case of Carjacking incident filed by the complainant Gilda Onia y Gregorio and Mary Margaret Onia y Gregorio last November 23, 2006 at Del Monte Ave. QCPD recovered one (1) Hand Grenade.

- The arrest of the member of Notorious Bukas Kotse and Baklas Side Mirror Gang suspect identified as Jomar Ramos y Corbito last November 7, 2006 along Sampaguita Ave., Brgy Holy Spirit, Quezon City..

- On November 4, 2006 around 3:30 pm, PS6 operatives successfully arrested Roger Cerenio y Taytalon, Carmelita Gartejo y Laberinto, Alyas Martin and Alyas Edgar which were involved in the series of carnapping and robbery holdup at the area of Batasan.

- The arrest of Dennis Estrada y Ayala for Violation of RA 6539 (Anti Carnapping Law) and the recovery of one Honda Wave motorcycle in his possession last October 26, 2006.

- The recovery of one Honda Civic VTI owned by Danilo Amat and the arrest of Ismael Junio y Dula at Project 8, Quezon City last October 28, 2006

- The arrest of Nardo Suarez y Teradio for a case of carnapping along Tolentino St., Brgy San Francisco Del Monte last December 10, 2006.

- The arrest of RONNIE JAVIER y ABARQUEZ and FERNANDO ALEJANDRINO y VIZCARRA both suspected carnappers and the subsequent recovery of four (4) carnapped motor vehicles during separate occasions of joint operations conducted by DIID ANCAR Unit, SWAT and CIDU. Recovered items were: One(1) unit Toyota Altis with PN ZBS-732, One (1) unit Toyota Camry with PN WGK-188, One (1) unit Toyota Altis Sedan with PN XJW-713 and One (1) unit Mitsubishi Lancer GLX with PN XRR-389.

QCPD Carnapping Modus Video

This District produced a video about carnapping modus operandi. We aim to inform the public and expose the modus operandi of carnapping syndicates. We have distributed this video to hotels and restaurant owners in Quezon City. We have featured the video on Police Hour showed on RPN 9 and Talakayan Sa Isyung Pulis (TSIP) aired over NBN 4. Presently, this fifteen minute video is regularly played twice or thrice a day on RPN 9.

Campaign Against Wanted Persons

During the period, we have arrested a total of four hundred sixty two (462) wanted persons and served warrant of arrests to three thousand six hundred and sixty four (3664)

Some of our sensational arrests are as follows:

-The solution of Siervo case through the arrest of suspects Christopher Dagusan y Blanco and Alfie Cabatuando y Rivera on 12:00pm of December 7,2006 at #4149 Lonzanos St., San Vicente Ferrer, Caloocan City by the operatives of CID, QCPD for the killing of Joselito Siervo, the Executive Producer of ABS-CBN.

-The arrest of suspects Narvin Junneth Dasig y Dizon, Dante Abano y Baladjay and John Caesar Arroyo y Tarocha for a case of Gang Rape that transpired last December 1, 2006 at Brgy Holy Spirit, Quezon City.

-The arrest of Patricio Fabila y Soriano for a case of Frustrated Murder docketed under CC # ML 1670 RTC Branch 4 Mariveles, Bataan with no bail recommended last November 21, 2006 by the Warrant and Subpoena Section of QCPD.

-The operations conducted by elements of Police Station 10 that resulted to the arrest of Randy Gonzales y Nautang for case of Murder and Frustrated Murder last November 14, 2006.

-The arrest of Aniceto Cabrera y Aras for a case of Murder docketed under CC # 06-143342 with no bail recommended by the operatives of WSS last November 12, 2006.

-The arrest of Romnick Paulino y Cruz by virtue of warrant issued by Hon. Judge L. Regala RTC Branch 226, Quezon City for a case of Frustrated Murder with bail recommended of P 200,000.

-On November 12, 2006, operatives of Police Station 10 arrested Bernabe Palanas y Pableo @ Abelardo palanas @ "Aspog" and "Abe" for a case of Murder by virtue of warrant of arrest issued by Hon. Judge Esperanza Fabon Victorino under RTC Branch 157, Pasig City.

Campaign against Illegal Drugs

Last February, an Ugnayan was conducted with all barangay captain to disscuss problems which are hampering the effective conduct of anti-drugs operations. The event was graced by the Chairman of QC Anti-Drug Abuse Council Vice-Mayor Herbert Bautista and other officials from PEA and DDB.

The following month saw the arrest of 116 pushers and around 300 users.

Last Augugust a joint operation with PDEA AIDSOTF during a raid in Brgy Holy Spirit resulted in the seizure of shabu valued at P80million and the arrest of suspect Chinbese national Cheok Mon Lek.

Arrest of two (2) suspected drug couriers identified as Gavio Dagsa and Valentino Varesto for carrying 24 bricks of marijuana worth P50,000.00 which were wrapped in old newspapers packed inside two sacks. Said suspects were arrested when the taxi driver instead of bringing them to their destination in Novaliches drove said suspects to Talipapa Police Station (PS-3).

Illegal Gambling

2 namemeke ng driver's license huli

Nadakip ng mga operatiba ng Quezon City Police District (QCPD) sa isang entrapment operation ang dalawang miyembro ng sindikato na gumagawa ng mga pekeng International at Philippine driver's license kamakalawa ng gabi sa Quezon City.

Kinilala ni QCPD Anti-Carnapping chief, Insp. Angelo Nicolas ang mga suspect na sina Dennis Datus, 33, ng Brgy. Pinyahan at Jefrrey Haya, 32, ng Batasan Hills, Quezon City.

Sa report na tinanggap ni QCPD director Sr. Supt. Magtanggol Gatdula, isinagawa ang entrapment operation dakong alas-6 ng gabi sa panulukan ng Mo.Ignacia at Timog Ave sa Quezon City.

Isang pulis ang nagpanggap na kukuha ng driver's license at nagbayad ng halagang P1,000 para sa mabilis na proseso nito. Agad namang dinamba ng mga awtoridad ang mga suspect sa aktong tinatanggap ang bayad.

Lumilitaw na modus operandi ng mga suspect na magtagay ng mga fixers sa Land Transportation Office at hihingin ang mga aplikante na magbayad ng tamang ng P1,000 subalit pekeng mga lisensiya ang kanilang ibibigay.

Nanawagan naman si Gatdula sa publiko na huwag makipag-ugnayan sa mga fixers at upang matiyak na tunay ang kanilang LTO driver's license. *(Doris Franche)*

Isiniharap nina QCPD Director Sr. Supt. Magtanggol Gatdula at Anti-Carnapping Chief, Insp. Angelo Nicolas sina Dennis Datus at Jeffrey Haya, na naarestong namemeke ng International at Philippine driver's license. *(Kuha ni Boy Santos)*

A new Camp Karingal

Just recently I was invited to a meeting in Camp Karingal by the Quezon City Police District to discuss peace and order concerns particularly in the area of Timog and Morato. The establishments were complaining of lack of police visibility in the area.

My last visit to Camp Karingal was probably 10 years ago concerning a *bukas-kotse* incident with one of my customers. I almost did not recognize the place, aside from being clean, the police officers who greeted us were polite, a far cry from the arrogant staff that I encountered once before. As I entered the conference room, I found it neat with the attendees properly seated around an oval table. The meeting started at the appointed time, and the presentations were all done in power point. It covered crime situation updates with a video presentation of Carnapping modus operandi". We were each provided with a DVD copy which I later presented to my staff to update them on what is going on in our crime scene.

I was stirred by the effort of the Police District who put together a presentation of their current accomplishment with regards to the peace and order situation in Quezon City. What was disappointing was that most of the participants present were only representatives not the owners whose concern have been the purpose of the meeting. Most establishment owners claimed they received no invitation. If not for the presence of a handful of business owners, all the police districts efforts would have been in vain.

This meeting was called "Ugnayan with Business Establishments". The purpose is obvious in the title. As remarked by PSSupt. Atty. Magtanggol Gatdula, the intention was to work together with establishment owners to come up with a solution that may help eliminate crime in the Timog and Morato area. Ideal as it may seem, I see this as a good start.

In the open forum, we were encouraged to share experiences that may need immediate attention on their part. I cited my experience in the past where even calling for help was futile however near the police stations were. Immediately the new inspector in my area, Inspector Faycho, stood up to introduce himself and offered his service when needed. I felt safe right away with his assurance. This was followed by his superior, PSSupt. Dante Narag, NPD station commander, who updated me with a backgrounder on the action they took regarding my case.

Carried away by the policemen's enthusiasm to extend assistance, I cited a scheme years ago where gas stations in Timog contributed 10 liters of gasoline each on appointed days to enable patrolling in the Timog area at night. We were told patrolling was not possible then because of shortage of gasoline supply by the police head in our precinct. Because I was inspired to be part of this call to cooperate, I reiterated the offer if only to participate in crime prevention in our area.

QUEZON CITY BUSINESSWOMAN

To this PSSupt. Gatdula sternly declined saying Quezon City now has ample fuel supply for its fleet and would not need my offer. Besides it could be a source of graft and corruption. I was impressed! How right he was, I instantly recalled times when we would then have arguments with the men in uniform who would insist on loading the fuel into their personal vehicles instead — leading to the abrupt end of the favor extended by the gas stations in the area.

I forgot that QC can now fund its projects well because of the proper management of funds by the City Treasurer — boasting of billions in savings. For so long, I have gotten used to my city being poor that it takes a while for it to sink in me that the situation is no longer so today.

To add to this, PCInsp. Major Nicholas Torres III even offered to give a lecture in identifying danger signs in order to help prevent criminal activity in our vicinity. He has trained in the US and is more than willing to impart what he learned if a group would request for his service. Sad to say, the representatives who attended were unable to grab the offer — how unfortunate to let this pass because those whose decisions matter had not been present to take advantage of it.

When people go to the mayor to complain, and the mayor assigns a task force to take care of the complaint, why then are the people concerned unable to participate in the endeavor intended in their behalf? As SSupt. Gatdula mentioned, we have to work together to make the change happen. The Police Force or the mayor alone cannot make this happen, we should be active participants in the change we want to come about. It starts with us the citizens, making the move to work with their partners.

The seed of good service planted by well intentioned officials has now sprouted some growth. This visit to Camp Karingal has opened a new perspective for change. A good leader will need capable subjects to sustain his dream, let us be worthy citizens willing to take that leap with him.

I was very affected by the integrity of the men present in the performance of their duty. If this meeting was done in subservience to the Mayor or just the performance of their job, or indeed a sincere effort in making a difference in public service — that is left for us to discover in time. For now, let us work together to make this a reality for the sake of our families. I believe that our City is now on its way to real progress.

On my way out, I checked the comfort room. I was delighted to see a tiled clean bathroom with toilet paper. In a police camp? Wow! I can see that Quezon City is now a far cry from where it was a few years ago — and I always thought these obvious changes are not possible in my lifetime....—

LOGISTICS

Move, Shoot, and Investigate Capability

The strong partnership between the QCPD and the LGU has provided a big boost to QCPD logistical capability. Quezon City *Mayor FELICIANO BELMONTE, JR.* provided 40 brand new Toyota Vios with full communications equipment and two Hilux model pickup trucks, also equipped fully, to the Quezon City Police District (QCPD) in a turnover ceremony held last January 30, 2007 at the Quezon City Hall quadrangle.

Another batch of brand new vehicles such as thirty (30) multicabs, two (2) Toyota Altis, and (ten) 10 HONDA XR-200L motorcycles were turned over by the Quezon City government to the City Police District to help intensify police visibility, patrol operations and response capability in the city.Mayor Feliciano Belmonte, Jr. personally handed to *QC Police District Director PSSUPT MAGTANGGOL GATDULA* the symbolic key in a simple ceremony held at the QC Hall grounds.

For his part, PSSUPT GATDULA expressed his gratitude to *Mayor FELICIANO BELMONTE, JR* for the support he has extended to the City's police force, noting that the new vehicles will certainly boost the capability of the QCPD in fighting crime and maintaining peace and order in Quezon City.

To improve the working condition of my policemen, QCPD renovated all offices, upgraded the Tactical Operation Center , made a park for all intelligence personnel and SWAT to standby and constructed a building for our Salaam Police.
